A. C. CHATTERJI, M.B., D.P.H., LT.-COL., I.M.S., *Director of Public Health, Bengal.*

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 13th May 1939.

Monthly Weather and Crop Report of Bengal for April 1939.

I. *Character of the season.*—During the month under review, the weather was hot and dry, only in limited areas there were light showers. The rainfall was below the normal, throughout the province. The usual rainfall statement is appended.

II. *Progress of Agricultural operations.*—Hot and dry weather interfered with the sowings of jute and other autumn crops. Rain was badly in need of for the sowings to continue.

III. *State of standing crops.*—The condition of standing crops was not very favourable. The plants were dropping at places due to want of rain.

IV. *Prospects and probable outturn.*—The prospects of standing crops were adversely affected by hot and dry weather. The outturn of spring oilseed crops was estimated at 76 per cent. of the normal.

V. *Damage to standing crops.*—Some damage to the standing crops due to drought and to ravage of *parali* insects was reported from Malda and from the Gopalganj subdivision of Faridpur district, respectively.

VI. *Condition of agricultural stock.*—The condition of live-stock was, on the whole fair. Sporadic cases of cattle disease were, however, reported from thirteen districts of the province as also from Cooch-Behar and Tripura States.

VII. *Failure of pasturage and fodder.*—Insufficiency of fodder was reported from Darjeeling and Faridpur districts.

VIII. *Prices of food grains.*—During the second fortnight of the month the retail prices of common rice of the cheapest quality rose in ten districts, fell in two and remained stationary in the rest of the Presidency. The prices ranged from 9½ seers per rupee at Darjeeling to 14 seers per rupee in Chittagong Hill Tracts.

IX. *Condition of agricultural population.*—The condition of agricultural population was, on the whole, fair excepting at places in the districts of Bankura, Murshidabad, Pabna, Bogra, Faridpur and Bakarganj, where relief measures were in operation. In Faridpur and Bakarganj gratuitous relief was also given.

P. C. CHAUDHURI,

DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 10th May 1939.

Summary.—During the week, the rainfall was generally light to moderate. It has facilitated the field operations for jute and paddy and improved the condition of standing crops to some extent but more rain is necessary. In Murshidabad and Bogra, 8,445 and 4,479 persons respectively attended test relief works on Saturday, the 6th May 1939. In Bankura, 1,155 units attended test relief works during the week. In Rangpur and Pabna, 3,838 and 1,205 persons respectively attended test relief works during the week ending the 29th April 1939. 112 persons received gratuitous relief in Bakarganj but the number of persons resorted to test works in Pirojpur subdivision is not available. The average price of common rice for the province has risen by about 1·14 per cent. as compared with that of the previous week.

Watson has been declared duly elected as a Councillor of the Corporation of Calcutta for the Special Constituency comprising the Bengal Chamber of Commerce.

J. C. MUKERJEA,
Chief Executive Officer.

DEPARTMENT OF AGRICULTURE, BENGAL.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1938-39.

Dacca, the 9th May 1939.

(*Note.*—On an average of the five years ending 1936-37, the area under linseed in Bengal has represented some 3·4 per cent. and that of rape and mustard 11·9 per cent. of the total area under these crops in India.)

Character of the season.—A long spell of drought adversely affected the development of the crops from the early stage of their growth right on to their maturity. Some damage was done by drought as also by insect-pests at places and caused the outturn to fall below the normal.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions, the cultivation is not extensive. The total area under the crops (excepting sesamum for which separate forecasts are issued) is returned at 978,000 acres as against 951,100 acres last year.

Outturn.—From the District Officers' estimates, the provincial outturn of the different oilseed crops works out at 76 per cent. of the normal as against 80 per cent. last year.

Taking 6¾ maunds as the normal yield per acre for linseed, 7 maunds for rape and mustard and 4¼ maunds for other oilseeds, the total yield of the crops for the province is estimated at 186,300 tons this year as against 189,700 tons last year.

M. CARBERY,

Director of Agriculture, Bengal.

NOTIFICATION.

No. 1157F.—18th May 1939.—In exercise of the powers conferred by clause (*b*) of sub-section (*2*) of section 241 of the Government of India Act, 1935, read with section 276 of the said Act, the Governor is pleased to make the following amendments in the Recruitment Rules for the Provincial Services published under the Appointment Department notification No. 7183A., dated the 22nd May 1930, namely:—

Amendments.

(1) In Schedule II of the said rules, for the entry against item 6, Bengal Higher Agricultural Service, the following shall be substituted, namely:—

"Ordinarily by direct recruitment, but Government reserve the right to recruit by promotion from the Bengal Lower Agricultural Service in cases where exceptional ability has been shown up to a maximum of one-third of the posts in the cadre of the Bengal Higher Agricultural Service."

(2) In Schedule II of the said rules, for the entry against item 8, Bengal Lower Agricultural Service, the following shall be substituted, namely:—

"Ordinarily by direct recruitment, but in special cases promotion from Subordinate Agricultural Service, Class I, may be made up to a maximum of one-third of the posts in the cadre of the Bengal Lower Agricultural Service."

(3) In Schedule III of the said rules, for the entry against item 6, Bengal Higher Agricultural Service, the following shall be substituted, namely:—

"(*i*) *Age.*—Candidates for direct recruitment must not be less than 23 or more than 30 years of age. Subject to the provisions of rule V(2)(*a*) a relaxation of the upper limit may be made in the case of appointments requiring special qualifications.

(*ii*) Educational and technical qualifications—

(*a*) Candidates must furnish evidence of having received a good general education and of possessing a thorough knowledge of the science of agriculture or of the particular science required for the appointment for which they are candidates.

(*b*) Candidates for recruitment to administrative posts must possess—

(*i*) a University degree in Agriculture

or

a University degree in Science and the diploma of a recognised College of Agriculture

and

(*ii*) practical experience in agriculture.

N.B.—Preference will be given to candidates who have experience of Bengal practices.

(*c*) Candidates for recruitment to teaching and research posts must possess—

(*i*) a University degree equivalent to the M.Sc. 1st class standard in the required science;

(*ii*) post-graduate experience in the special science concerned including a knowledge of plant breeding in the case of applicants for the post of Botanist. Preference will be given to candidates who have experience in field experimental work."

(4) In Schedule III of the said rules, for the entry against item 8, Bengal Lower Agricultural Service, the following shall be substituted, namely:—

"(*i*) *Age*.—Candidates over 25 years of age are not ordinarily eligible for appointment by direct recruitment.

(*ii*) Educational and technical qualifications—

(*a*) Candidates for recruitment to administrative posts must possess—

a University degree in Agriculture;

or

a University degree in Science and the diploma of a recognised College of Agriculture; provided that candidates having a University degree only or the diploma of a College outside Bengal should have practical experience in agriculture of the Province of Bengal.

(*b*) Candidates for recruitment to teaching and research posts must possess a University degree equivalent to the M.Sc. standard in the required science.

Provided that in the case of both administrative and teaching and research posts, preference will be given to candidates, whether recruited directly or by promotion, who have gained the diploma of agriculture with distinction from the Bengal Agricultural Institute, Dacca.

(*c*) Candidates for promotion from Subordinate Agricultural Service, Class I, must have passed a test to which every officer in the said service will be subjected between the 14th and 16th stages in the time-scale of pay."

(5) In Schedule III of the said rules, the following shall be inserted as a foot-note below items 6 and 8, namely:—

"Recognised Agricultural Colleges in India are those at Coimbatore, Poona, Cawnpore, Lyallpur, Nagpur and the Bengal Agricultural Institute and other Colleges affiliated to Universities up to degree standard in Agriculture.

Recognised Colleges abroad are Colleges to which Indian State scholars are sent for training in Agriculture."

NOTIFICATIONS.

No. 18-I.—28th April 1939.—The following draft rules, which, in exercise of the power conferred by section 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor proposes to make for providing a control station at Namkhana for the recording of names and other particulars of steamers and other vessels plying in the line of navigation known as the Sundarbans Steamer Route as defined in the Irrigation Department notification No. 230, dated the 23rd July 1895, are hereby published for the information of persons likely to be affected thereby.

2. Any objection or suggestion with respect to the draft rules should reach the undersigned not later than the 9th June 1939:—

Draft Rules.

1. There shall be a control station at Namkhana at the junction of the river Hetalia Doania, Doagra Channel and Gheaputty khal, and two control officers shall be posted at the said station, whose duty will be to record in a register to be maintained for the purpose the names and the particulars referred to in rule 3 of all steamers, flats or barges towed by such steamers and square built boats plying in the Sundarbans Steamer Route.

2. Every vessel referred to in rule 1 passing through the Sundarbans Steamer Route shall stop at Namkhana for the purpose of its record being kept by the control officer.

3. After the vessel has been stopped the Serang of the vessel shall shout out the name of the vessel with name of the owner or owners as also the address of the owner or owners, as the case may be.

4. For any infringement of rules 2 and 3 the person in charge of the vessel or other person in fault shall be punishable with fine not exceeding fifty rupees.

No. 19-I.—28th April 1939.—The following draft of an amendment, which, in exercise of the power conferred by section 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor proposes to make in the rules for the lines of navigation known as the Calcutta and Eastern Canals, Tolly's Nullah and Sundarbans Steamer Route published under notification No. 16-I., dated the 14th April 1924, is hereby published for the information of persons likely to be affected thereby.

2. Any objection or suggestion with respect to the draft amendment should reach the undersigned not later than the 9th June 1939:—

Draft amendment.

In rule 26 of the said rules for the words "Calcutta Canals or Tolly's Nullah" *substitute* the words "Calcutta Canals, Tolly's Nullah or Sundarbans Steamer Route".

No. 16-I.—20th April 1939.—The following draft amendments which, in exercise of the powers conferred by section 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor proposes to make in the rules for the line of navigation known as the Madaripur Bhil Channel and the Lower Kumar river, published under notification No. 5-I., dated the 17th July 1928, are published for the information of persons likely to be affected thereby.

2. Any objection or suggestion with respect to the draft amendments should reach the undersigned not later than the 1st June 1939:—

Draft amendments.

1. For rule 24 of the said rules the following shall be substituted, namely:—

24. When a red cone is hoisted at Haridaspur, upward bound power-driven vessels except launches to which no raft, flat or other vessel is attached shall stop and make fast in the entrance channel. When a white ball is exhibited, vessels may proceed.

2. For rule 25 of the said rules the following shall be substituted, namely:—

25. When a red cone is hoisted at Tentulia, downward bound power-propelled vessels except launches to which no raft, flat or other vessel is attached shall stop above the toll station until a white ball is exhibited, when they may proceed.

3. For rule 26 of the said rules the following shall be substituted, namely:—

26. Downward bound power-propelled vessels except launches to which no raft, flat or other vessel is attached shall stop in the Areal Khan river when a red cone is hoisted at the mast below the entrance to the Kumar river. When a white ball is hoisted, they may proceed.

4. For rule 27 of the said rules the following shall be substituted, namely:—

27. Upward bound power-propelled vessels except launches to which no raft, flat or other vessel is attached shall stop when a red cone is exhibited at Ghatmanjhi. When a white ball is raised, they may proceed.

5. After rule 27 of the said rules the following rule shall be inserted, namely:—

27A. (*1*) Downward bound launches passing the mast below the entrance to the Lower Kumar river shall, when a red cone is displayed thereon, give way to upward bound vessels on the restricted line of navigation, and upward bound launches passing the signal station at Ghatmanjhi shall, when a red cone is displayed, give way to downward bound vessels on the said line.

(*2*) Except for reasons beyond the control of the person in charge no vessel shall remain in the restricted line of navigation for more than two hours.

Explanation.—For the purposes of this rule the restricted line of navigation means the channel of the Lower Kumar river between its junction with the Areal Khan and the signal station at Ghatmanjhi.

6. In rule 42 of the said rules after the figure "27" the figure and letter "27A" shall be inserted.

No. 17-I.—22nd April 1939.—It is hereby notified for general information that in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor intends to make the following amendment in the rules and schedules of rates of tolls for the Midnapore Canal with branch to Narayangarh (published in notification No. 5, dated the 19th June 1917, in Part I of the *Calcutta Gazette* of the 20th idem), as subsequently amended, in supersession of notification No. 1-I., dated the 6th January 1934 (published at page 87 of Part I of the *Calcutta Gazette* of the 11th idem).

2. Any objection or suggestion with respect to the draft amendment should reach the undersigned not later than the 9th June 1939:—

Draft amendment.

No. 13-I.—6th April 1939.—It is hereby notified for general information that in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor intends to make the following rules and fix the following rates of tolls for the line of navigation known as the Surjamani khal in the district of Bakarganj and as defined in the notification No. 10-I., dated the 6th April 1939.

2. Any objection or suggestion with respect thereto should reach the undersigned before the 29th May 1939:—

Rules and rates of tolls.

1. Every vessel on entering the channel and before passing the gate at either end or even when entering the channel from a side khal between the gates shall be liable to measurement for the purpose of ascertaining the tolls payable; in case of any reasonable doubt arising, a vessel may be measured again by any person appointed by the district board of Bakarganj on this behalf.

2. Vessels for the purpose of determination of maundage shall be divided into two classes as below:—

Class I—To include all vessels of the types of country boats, including saltees and hapors (fish cages), house boats, kosh boats, green boats, and other similar types of boats.

Class II—To include steam boats, motor boats, flats, and barges and other square-built vessels.

3. The maundage of every vessel, whether laden or empty, shall, for the purpose of the Canals Act and of these rules, be determined by the following measurements:—

Class I.

A. The product of one quarter of the length of the vessel from stem to stern, measured along the water line, multiplied by the interior greatest breadth of the vessel, multiplied by the depth from the water line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

B. The measurement of the length is to be made in feet, rejecting inches; the measurement of breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C. The maundage on which the amount of toll is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, any remainder of less than 12½ maunds being rejected. In the case of vessels exceeding 500 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 50 maunds, rejecting any remainder of less than 50 maunds.

D. *Saltees.*—The product of one quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel, multiplied by the greatest depth measured from the top to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which tolls shall be levied.

Class II.

For vessels of class II the number of maunds obtained by the system of measurement prescribed for vessels of class I shall be increased by one-half. For vessels of this class above 5,000 maunds measurement, the maundage shall be reckoned to the nearest integral multiple of 500 maunds, rejecting any remainder of less than 500 maunds. In the case of steamers and motor boats the maundage determined as above shall be reduced by one-third as an allowance of engine space.

For vessels of class II which are furnished with reliable way bills the gross maundage of cargo shown by the way bills, or in the case of steamers the maundage obtained from multiplying the registered tonnage of the steamer by 27, may, at the option of the employer of the vessel or the steamer (as the case may be), be taken as the maundage on which tolls will be charged.

4. After the measurement the person in charge of the vessel shall be provided with a slip showing the maundage to be charged, which shall be presented at the toll office where he will be provided with a ticket, after payment of toll, which will permit the vessel to pass the gate or proceed through the channel.

5. Every ticket shall have entered on it the name of the serang, manjhee or other person in charge of the vessel, the date of entry, the maundage, the cargo, the amount of toll charged and the number of days for which the ticket remains current.

6. All tolls are payable on demand and shall be paid at the toll office before a vessel is permitted to proceed.

7. The ticket shall be kept on board the vessel and in possession of the person in charge of the vessel and shall be produced for inspection when demanded by the person authorised to collect tolls, or by any officer to whom such person is subordinate. If on demand the ticket is not produced, such person or officer shall assess the tollage as provided in rules 3 and 12 and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel shall be liable to seizure and detention under the provisions of section 9 of the Act.

8. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the collector of tolls on payment of a fee equal to one quarter of the total tollage, subject to a minimum fee of one anna per ticket.

9. All vessels, whether the property of the Crown, of the district board or other local bodies, or of private persons, are liable for toll except those specially exempted under these rules or by a resolution passed by the district board of Bakarganj from time to time.

10. The canal may be closed once a year for effecting the necessary repairs to it on seven days' notice of the intention so to close it being given; but in the event of any sudden emergency the canal may be closed at any time without prior notice, and no claim in such case by owners of vessels or others for compensation on account of detention shall be entertained.

11. No rafts exceeding 50 feet in length or 5 feet in breadth shall be permitted to enter the canal.

12. The rates of toll shall be as follows:—

(1) On all vessels, empty or laden, per hundred maunds—Eight annas.

(2) On all vessels, empty or laden, for 12½ maunds or less—One anna.

(3) On rafts of bamboos, grass, timber or other similar articles not exceeding 50 feet in length and 5 feet in breadth—Four annas each raft.

Tolls shall be levied at Dwipasa and Bauphal.

13. For boats frequently using the canal, such as boats carrying passengers, grass or perishable articles monthly tickets will be issued at ten times the ordinary toll.

14. Every vessel which has paid toll shall be allowed to remain in the canal for three days inclusive of the days of entry into and leaving the canal. A vessel remaining in any part of the canal longer than three days shall be charged demurrage equal to one-half of the toll for each day in excess of three days. No vessel shall be permitted to remain in the canal for more than one month, *i.e.*, provided that this rule shall not apply to vessels holding monthly tickets under rule 13 above, which may remain in the canal for more than three days without payment of demurrage but not for more than one month at a time.

15. No vessel carrying exclusively police officers or servants, soldiers or officers of the Army in India, post mail runners, officers of the Department of Communications and Works (Irrigation) on duty, or officers or servants of the toll office for the canal referred to in these rules while on duty, shall be liable for toll in the canal.

16. Any matter relating to the mode of collection of tolls and other relevant points, not provided for in these rules, shall be decided by the district board of Bakarganj at a meeting and such decision shall be subject to the approval of the Provincial Government.

NOTICE.

No. 617.—A competitive examination for entry to (1) the Indian Military Academy, Dehra Dun, in the term beginning on or about 26th January 1940; and (2) the Royal Indian Navy will be held in Delhi on Monday, the 23rd October 1939, and subsequent days. The examination will be conducted by the Federal Public Service Commission.

2. The examination will be a combined one for the purpose of filling vacancies in the Indian Military Academy, and the Royal Indian Navy. A candidate may apply to be admitted to the examination for either or both of the above. If he wishes to be admitted as a candidate for more than one, he should state this on his application form. Separate applications are not required. He will be required to pay the application and examination fees once only. If he proves successful as a candidate for both, he will ordinarily be assigned to the one for which he expressed a preference in his application; but the Government of India reserve power to assign him to any one.

3. At this examination 15 vacancies will be offered for entry to the Indian Military Academy. The Governor-General in Council, however, reserves to himself the right to fill the last three vacancies by nomination from among those who have qualified but failed to obtain sufficient marks to secure one of the first twelve vacancies. Two vacancies will be offered for admission to the Executive Branch of the Royal Indian Navy.

4. The examination will be the same for all arms of the Indian Army, *i.e.*, Cavalry, Artillery, Signals, Engineers and Infantry. All candidates on joining the Indian Military Academy may volunteer to be considered for the technical arms, and will be given a test examination in Mathematics. Those who show a satisfactory standard of knowledge will be formed into a Preparatory Woolwich Wing during the 1st and 2nd terms.

At the end of the 2nd term the Commandant will select the cadets to form a Woolwich Wing.

5. Candidates for admission to the Indian Military Academy must have been born not earlier than the 2nd November 1919 and not later than the 1st November 1921. Candidates for the Royal Indian Navy examination must have been born not earlier than the 2nd May 1920, and not later than the 1st May 1922. These age limits can in no case be relaxed.

6. A candidate who desires to appear at the examination is required to submit to the Federal Public Service Commission his application in the prescribed form with the necessary documents in accordance with the instructions given on that form. Applications must reach the Collector or Deputy Commissioner or the Political Officer or Resident or the Political Officer or Regent or the Principal, Prince of Wales' Royal Indian Military College, Dehra Dun, on or before the 1st July 1939. Copies of the Rules and the Application Form, etc., may be obtained from the Provincial Government, Administration or Durbar concerned.

THE FACT THAT AN APPLICATION FORM HAS BEEN SUPPLIED, ON WHATEVER DATE, WILL NOT BE ACCEPTED AS AN EXCUSE FOR THE LATE SUBMISSION OF AN APPLICATION. CANDIDATES WHO DELAY THEIR REQUESTS FOR FORMS UNTIL A LATE DATE WILL DO SO AT THEIR OWN RISK.

7. Applications should be sent by registered post. If a candidate fails to register his application, he does so at his own risk. If a candidate desires an acknowledgment, he should also send his application "registered, acknowledgment due".

Note.—If any candidate has appeared at the examination held in March/April 1939, for entry to the Indian Military Academy or the Royal Indian Navy, and, not being successful thereat, wishes to appear at the examination to be held in October 1939, he must submit his application by the prescribed date without waiting for the results of the former examination. Should he have been successful, his candidature for the October examination will be cancelled.

RESOLUTION.

No. 618.—The Governor-General in Council hereby makes the following rules for the regulation of admission to the Indian Military Academy by examination in India which will be held on the 23rd October 1939 and subsequent days:—

RULES

1. (*i*) A candidate who desires to appear at the examination shall apply to be admitted to the examination before such date and in such form as the Federal Public Service Commission may prescribe. The application shall be made through the Collector or Deputy Commissioner of the district in which his parents reside at the time of the application, or have previously resided for a period of not less than three years, or in which he he has himself resided, otherwise than as a student at an educational institution only for a like period.

(*ii*) In the case of Calcutta applications shall be submitted through the Commissioner of Police.

(*iii*) Cadets of the Prince of Wales' Royal Indian Military College, Dehra Dun, shall submit their applications through the Principal of the College.

(*iv*) A candidate resident in an Indian State shall submit his application through the Durbar, who will forward it to the Political Officer or Resident.

(*v*) No candidate shall make more than one application in respect of this examination.

(*vi*) A candidate shall, except in very exceptional circumstances, appear personally before the District Officer or the Political Officer or Resident who signs the attestation form.

2. A candidate must be an unmarried man and either—

(*a*) a British subject of Indian domicile or a European or Anglo-Indian or Indian of Burman domicile whose father (if alive) is a British subject or a subject of a State in India, or a British protected person of the tribal areas; or (if dead) was at the time of his death either a British subject or a subject of a State in India or a British protected person of the tribal areas, or a person in the permanent service of the Crown or a person who had retired from that Service;

(*b*) a Ruler or a subject of a State in India or a British protected person of the tribal areas.

Provided that in the case of a British subject the requirements of parts (*a*) and (*b*) of this rule may be waived by the Governor-General in Council if he is satisfied that their observance would occasion exceptional hardship, and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

3. The guarantors of a candidate selected for admission to the Indian Military Academy will be required to covenant with the Governor-General in Council that the parent or guardian of the cadet will discharge from his own personal resources all the financial obligations attaching to the training of his son or ward at the Academy. Should it be found that the declaration in regard to discharge of financial obligations at the Indian Military Academy is false in any respect, the cadet will be liable to immediate removal from the Academy.

4. The maximum number of candidates to be admitted to the examination may, in the discretion of the Governor-General in Council, be limited to such number as the Governor-General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit the Federal Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers in the Indian Army.

5. A candidate for this examination must have been born not earlier than the 2nd November 1919, and not later than the 1st November 1921.

6. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a commissioned officer in the Indian Army. A candidate who, after examination by a Medical Board, is found not to satisfy these requirements will not be accepted for admission to the Academy.*

*Only successful candidates will be medically examined. Candidates are recommended to consult a Civil Surgeon as to their physical suitability before entering for the examination.

7. A candidate must satisfy the Federal Public Service Commission that he is suitable in all respects for employment as a commissioned officer in the Indian Army.

8. The decision of the Federal Public Service Commission as to the eligibility or otherwise of a candidate shall be final.

9. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Federal Public Service Commission.

10. Any attempt on the part of a candidate to enlist support for his application will disqualify him for admission to the Indian Military Academy.

11. Candidates must pay the following fees:—

(*i*) Rs. 7-8 with the application form,

(*ii*) if accepted for admission to the examination, Rs. 50 immediately after the receipt of the certificate of admission.

(Only Treasury Receipts for these amounts will be accepted by the Federal Public Service Commission.)

No claim for a refund of these fees will be entertained, nor will they be held in reserve for a subsequent examination.

12. The examination will include the following subjects and the maximum number of marks obtainable for each subject is as follows:—

Part I.—Obligatory.

		Max. Marks.
1.	Interview and Record ..	500
2.	English Language ..	300
3.	General Knowledge ..	200
4.	Elementary Mathematics ..	200
5.	Geography	200

Part II.—Three of these subjects, and not more, up to a total value of 800 marks may be taken, except as provided below:—

		Max. Marks.
(a)	French or German ..	300
(b)	Lower Mathematics ..	300
(c)	Higher Mathematics ..	300
(d)	Indian History ..	300
(e)	English History from 1485 ..	300
	or	
	Outlines of English History from 1485 ..	200
(f) (g)	Physics 300 } Chemistry 300 } or Elementary Science ..	200
(h)	Freehand Drawing	
	or	
	Geometrical Drawing ..	[illegible]

Candidates offering both Lower *and* Higher Mathematics must offer a fourth subject of the value of 200 marks from this part instead of Elementary Mathematics in Part I. Those offering Physics or Chemistry may not offer Elementary Science.

(NOTE 1.—A candidate who offers only one Mathematics subject in Part II, *i.e.*, either Lower or Higher Mathematics, is not precluded from offering Elementary Mathematics in Part I.

NOTE 2.—All candidates on joining the Indian Military Academy may volunteer to be considered for the technical arms, and will be given a test examination in Mathematics. Those who show a satisfactory standard of knowledge will be formed into a Preparatory Woolwich Wing during the 1st and 2nd terms.

At the end of the 2nd term the Commandant will select the cadets to form a Woolwich Wing.)

13. No candidate will be admitted to the Indian Military Academy who obtains less than 175 marks for Interview and Record and less than 1,100 marks in all the subjects in Parts I and II taken together (Interview included).

14. From the marks assigned to candidates in each subject such deduction will be made as the Federal Public Service Commission may consider necessary in order to secure that no credit is allowed for merely superficial knowledge.

15. If a candidate's handwriting is not easily legible a deduction, which may be of considerable amount, will be made on this account from the total marks otherwise accruing to him.

16. (*a*) A candidate who competed in the examination held in March/April 1939, and failed to obtain a qualifying mark, will not be allowed to compete at the examination to be held in October 1939, unless he is ineligible by age to compete at any later examination.

(*b*) No candidate who fails to obtain a qualifying mark at this examination will be allowed to compete at the next examination unless that examination is the last at which he would be qualified by age to compete.

ORDERED that the Resolution be published in the *Gazette of India*.

RESOLUTION.

No. 619.—The Governor-General in Council hereby makes the following rules for the examination for Cadetship in the Executive Branch of the Royal Indian Navy to be held on the 23rd October 1939 and subsequent days:—

RULES.

1. (*i*) A candidate who desires to appear at the examination shall apply to be admitted to the examination before such date and in such form as the Federal Public Service Commission may prescribe. (*b*) A Ruler or a subject of a State in India or a British protected person of the tribal areas.

Provided that in the case of a British subject the requirements of parts (*a*) and (*b*) of this rule may be waived by the Secretary of State if he is satisfied that their observance would occasion exceptional hardship, and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

3. A candidate must furnish a declaration from his father or guardian, in the form prescribed, that the latter is in a position and will be prepared to discharge the financial obligations attaching to the candidate's training for appointment to the Royal Indian Navy. Should it be found that the declaration in regard to discharge of financial obligations during the period of training is false in any respect, the candidate will be liable to immediate removal.

4. The maximum number of candidates to be admitted to the examination may, in the discretion of the Governor-General in Council, be limited to such number as the Governor-General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit, the Federal Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers in the Royal Indian Navy.

NOTIFICATION.

Simla, the 4th May 1939.

No. F. 5/3/39-G.—The following Order of the King's Most Excellent Majesty in Council is published for general information:—

THE GOVERNMENT OF BURMA (INDIA-BURMA FINANCIAL SETTLEMENT) ORDER, 1939.

AT THE COURT AT BUCKINGHAM PALACE

The 30th day of March, 1939.

Present

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by Section one hundred and thirty-four of the Government of Burma Act, 1935 (hereafter in this Order referred to as "the Act"), His Majesty in Council is empowered, if He thinks it just so to do, to make provision for the payment to the revenues of the Federation or of the Governor-General of India in Council out of the revenues of Burma, and for the charging on the revenues of Burma, of such periodical or other sums as may appear to him to be proper:

AND WHEREAS by the Government of Burma (India-Burma Financial Settlement) Order, 1938, made by His Majesty in Council in the exercise of the said powers it is provided that in years subsequent to the year commencing on the 1st April, 1938, there shall be paid to the revenues of the Governor-General in Council or the Federation out of the revenues of Burma such sums as His Majesty in Council may hereafter determine:

AND WHEREAS a draft of this Order was laid before Parliament in accordance with the provisions of sub-section (1) of Section one hundred and fifty-seven of the Act, and an Address has been presented to His Majesty by both Houses of Parliament praying that an Order may be made in the terms of this Order:

NOW, THEREFORE, His Majesty, in exercise of the said powers and of all other powers enabling Him in that behalf is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

1. This Order may be cited as the Government of Burma (India-Burma Financial Settlement) Order, 1939.

2. The Interpretation Act, 1889, applies for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

3. (1) Subject to the provisions of sub-paragraphs (2) and (3) of this paragraph, there shall, in each year of a period commencing on the 1st April, 1939, and ending on the 31st March, 1982, be paid, in equal instalments on the 30th September and 31st March respectively, to the revenues of the Governor-General in Council or the Federation out of the revenues of Burma, a sum of 2,24,55,964 rupees, being an annuity calculated to redeem in forty-three years a capital liability of 49,72,86,558 rupees outstanding on the 31st March, 1939.

(2) If the Government of Burma and the Government of India so agree, further payments may at any time and from time to time be made to the revenues of the Governor-General in Council or the Federation out of the revenues of Burma in reduction of the capital liability for the time being outstanding.

(3) If and as often as the capital liability at any time outstanding as aforesaid shall have been reduced by any payment made under the provisions of the preceding sub-paragraph or shall have been either reduced or increased by any adjustment made in pursuance of the provisions of Part IV of the India and Burma (Burma Monetary Arrangements) Order, 1937 (including any such adjustments made during or in relation to a period prior to the 1st April, 1939), the amount of the annuity payable under sub-paragraph (1) of this paragraph shall be adjusted in accordance with such reduction or increase as the case may be, on the basis of interest at the rate of three and a half per cent. per annum or at such other rate as may be agreed between

the Government of India and the Government of Burma, and the sum so determined shall become payable under the said sub-paragraph in lieu of the sum therein specified.

4. In addition to the sum payable in each year as provided in the preceding paragraph there shall be paid to the revenues of the Governor-General in Council or the Federation out of the revenues of Burma in respect of the liability of the Government of Burma in connection with the payment of certain pensions by the Government of India—

(*i*) in the year commencing on the 1st April, 1939, the sum of 71,00,000 rupees;

(*ii*) in subsequent years, such sums as His Majesty in Council may hereafter determine.

5. Any sum payable under this Order shall be charged on the revenues of Burma.

Educational Notices.

Admission to the Chittagong Medical School—Session 1939-40.

Chittagong, the 24th April 1939.

NOTIFICATION.

Applications for admission to the Chittagong Medical School will be received by the undersigned in the prescribed form (obtainable from the office of the Superintendent on payment of a fee of Re. 1 in advance) up to 10th June 1939, or within ten days of the publication of the results of the Matriculation Examination.

Application should be supported by—

(*a*) A true copy of certificate of passing the Matriculation or its accepted equivalent or any higher examination in Arts or Science of a recognised University with a certified copy of the marks obtained.

(*b*) A certificate of character from the Principal or Head Master of the college or school in which the candidate last studied. Where more than six weeks have elapsed between the date of leaving the college or school and the date of application for admission, a second certificate of character is required covering the intervening period. This should be obtained from a gazetted officer or a gentleman of equal position such as an Honorary Magistrate having an intimate knowledge of the applicant.

(*c*) Certificate of age—Candidates shall be over 15 years of age before admission. Evidence of age in Matriculation certificate will suffice.

Ordinarily the candidates from the Chittagong Division are admitted into this school.

Late or incomplete application will not be entertained.

The Superintendent cannot give personal interview to candidates, their relations or anybody on their behalf.

All candidates shall appear personally before the Selection Committee with certificates in original on Monday, the 26th June 1939, at 9-30 a.m., to be held in the Commissioner's Court Room, Chittagong.

JOHN BREBNER, CAPT., I.M.S.,

Superintendent, Chittagong Medical School.

Office of the Inspector of Schools, Burdwan Division.

NOTIFICATION.

Chinsura, the 4th April 1939.

Rules for the admission of Private Candidates to the Calcutta University Supplementary Matriculation Examination, 1939, vide Calcutta University Revised Notification No. S. 328-Mat. (Sup.), dated 23rd January 1939.

1. (*a*) Candidates who may not be successful at the Matriculation Examination held in March 1939, and those who, although otherwise eligible for appearing at the examination, were not able to sit for it owing to their failure to appear at, or to pass, the Preliminary Test Examination, or other causes, are eligible as private candidates for admission to the Test Examination to be held under the orders of this office in the schools noted below.

(*b*) Girl candidates satisfying the above conditions will not be required to appear at any Preliminary Test Examination.

(*c*) Teachers of high schools recognised by the Calcutta University or detenus who intend to appear at the Supplementary Matriculation Examination are also exempted from appearing at any Preliminary Test Examination. They should apply to the Registrar, Calcutta University, for the purpose in order to have previous permission to appear at the Supplementary Matriculation Examination.

2. Private candidates from this Division must appear at the Test Examination to be held on Monday, the 21st August 1939, and the following days at any of the following high schools in this Division:—

(*v*) Details of ordinary place of residence and duration of residence.
(*vi*) Names of subjects (including Vernacular and additional subjects).

4. Applications for admission to the Test Examination must be supported by the following documents:—

(*i*) Admission Cards in original. (In case of candidates who appeared at the Matriculation Examinations. In the event of their loss duplicate copy must be furnished.)

Or

Admission Cards granted by the Inspector of Schools. (In case of candidates who failed to pass the Test Examination held previously by such officers.)

Or

Transfer Certificates from the schools where they last read. (In case of candidates who read in schools but discontinued for some reasons or other and did not appear at any Test Examination or Matriculation Examination.)

Or

(In the case of candidates' non-attendance to any school at any time.) An affidavit sworn before a competent court by the father of the candidate (or guardian in case father is not alive) to the effect that the candidate never read in any school and that his age on the 1st November 1939 will be years and months.

(*ii*) A certificate from a respectable gentleman other than a relative to the effect *that the candidate has prosecuted a regular course of study and has been subject to proper discipline.* (Detailed information is needed under this head. The person granting the certificate should state his social or professional status.)

Or

(In case of teachers of schools other than recognised high schools.) A certificate of good conduct and length of service from the Secretary of the school where the candidates are serving.

(*iii*) (In case of candidates whose migration has been sanctioned by the Calcutta University.) Registrar's letter in original communicating sanction of migration.

(*iv*) (In case of a candidate offering Elementary Hygiene as one of his additional subjects.) A certificate of his training in Hygiene from a registered medical practitioner or from a teacher of Hygiene of a recognised high school.

(Candidates who are exempted from appearing at the Preliminary Test Examination should enclose this certificate with their application to the Registrar.)

5. Each private candidate will have to pay a fee of Rs. 5, only for his admission to the Test Examination which may either be remitted to this office or be deposited into a Treasury of this Division and the duplicate Treasury chalan being submitted to this office along with his application with full particulars and relevant documents so as to reach this office *on or before the 29th July 1939* after which date no application nor any remittance of examination fee will be entertained. *Under no circumstances will the admission fee be refunded.*

6. *All incomplete applications are likely to be summarily rejected without any reference.*

7. No private candidate will be admitted to this Test Examination unless he is duly identified beforehand to the satisfaction of the Head Master of the school where he is to appear at the Test Examination.

8. Those who do not belong to this Division should furnish a certificate from a gazetted officer or an affidavit to the effect that they are residing in this Division at least for one year prior to the date of the Matriculation Examination.

9. The results of the Test Examination will be communicated to successful candidates only by the first week of September next.

10. The fee for the Matriculation Examination should on no account be sent to this office. It should be deposited with the Head Master of the school where he appeared at the Test Examination with the cost of its remittance to the University.

11. The dates and routine of the Supplementary Matriculation Examination will be notified by the Calcutta University in due course.

Inspector of Schools, Burdwan Division.

Bengal Engineering College.

Post-office Botanic Garden, district Howrah, the 4th April 1939.

The New Session will commence on Monday, 6th November 1939. The Courses are preparatory for the B. E. degrees of Calcutta University in Civil, Mechanical and Electrical Engineering. Candidates from workshops are also prepared for the Diploma in Mechanical and Electrical Engineering, and for the Associateship in Mechanical Engineering of the Board of Apprenticeship Training, Bengal. Applications for admission in the prescribed form should be made by the 15th June. An admission test in Drawing for all entrants will be held about the end of June 1939. Candidates will be called for interview at the time of the Drawing Test.

For full particulars apply to the Principal.

Admission into the Dacca Medical School—Session 1939-40.

Dacca, the 28th April 1939.

Session will commence from 2nd July 1939. Applications for admission into the Dacca Medical School in the prescribed form obtainable from the school office on payment of a fee of rupee one (postage extra) should reach the office of the Superintendent, Dacca Medical School, not later than 10th June 1939 or within ten days of the publication of the result of the Matriculation Examination. Applications should be supported by true copies of all necessary certificates (education, character and age) and with statement of marks obtained in the I.Sc. or Matriculation Examination.

(When more than six weeks have elapsed between the date of leaving college or school and the date of application for admission a second certificate of character is required covering the intervening period.)

The date of selection will be communicated to each individual candidate in due course.

Candidates must bring with them to show the Selection Committee all certificates in original including the statement of marks obtained from the Controller of Examinations, Calcutta University, or the Secretary, Dacca Intermediate Board.

Incomplete or late applications will not be considered.

Candidates who are natives of Dacca Division (except the district of Mymensingh) shall ordinarily be admitted to the school.

Any candidate who has (*a*) endeavoured to enlist for his candidature the support of persons of influence or of Government officials, (*b*) personally canvassed any member of the Selection Committee or on whose behalf any one else has canvassed any such member, and (*c*) produced any letter of recommendation other than the certificates from teachers or testimonials from persons under whom he has actually been employed, shall be held to be disqualified for admission into the Dacca Medical School.

Candidates who have special claims for admission under rule 10 may appear in the morning of the last date of selection to be communicated in due course before the Admission Committee with statement of their cases substantiating special claims with their guardians who can speak before the Admission Committee. They are strictly prohibited from seeing the Superintendent or the members before the date.

R. LINTON, MAJOR, I.M.S.,

Supdt., Dacca Medical School

Presidency College, Calcutta.

The 5th May 1939.

Admission—Session 1939-40.

The College re-opens on the 3rd July 1939.

1. Admission to the various classes begins immediately after the publication of the Calcutta University Examination results.

2. Candidates for admission should apply for the necessary admission forms, enclosing three-fourth anna postage stamps, and stating whether they are old students of the College or candidates seeking admission for the first time. The appropriate forms will then be sent.

3. These forms, duly filled in, should be submitted, as soon as possible, after the publication of the University Examination results. They should be addressed to the Principal (not by name) and the word "Admission" should be written on the cover. All candidates must submit their mark-sheets with their application forms.

Those obtaining the asterisk or letters of distinction in not less than two subjects in the Intermediate or three in the Matriculation Examination need not submit mark-sheets.

4. Presidency College students who pass the Intermediate and Degree Examinations and desire re-admission should note that unless they apply in the proper form with mark-sheets within a week of the publication of results, their prior claims to admission will not be recognised. Those who pass the Intermediate Examinations in the 2nd and 3rd Divisions will have no priority of claim to re-admission to the College in the third year classes. The admission of I.Sc.'s into B.A. class will go by merit.

5. No correspondence relating to admission to College or residence in the Eden Hindu Hostel will be attended to unless the application for admission is accompanied by postage stamps.

6. There are 70 part-free studentships attached to the College. Of these 60 of the value of Rs. 7 per mensem are awarded to Under-graduate students and 10 of the value of Rs. 8 per mensem to Post-Graduate students. Normally half the number is available for fresh award every year. A number of special stipends of value varying from Rs. 7 to Rs. 10 per month will also be awarded by the Director of Public Instruction on the recommendation of the Principal to non-Muslim non-Scheduled caste Hindu under-graduate students. Candidates must have distinguished themselves at the Intermediate or Matriculation Examination and must satisfy a means test.

Applications for these are received at the time of admission or in July, after the admissions are over. The award is made about the middle of August, with retrospective effect from the beginning of the session, for one year in the first instance, subject to the usual conditions of satisfactory progress and good conduct.

7. *There are about 50 special concessions of Rs. 7 in fees for Mahomedan students of* the first and third year classes and about 15 Mohsin stipends of Rs. 7 for first and third year classes and about three of Rs. 8 for the fifth year classes.

B. M. SEN, *Principal.*

Government Commercial Institute.

11, Hastings Street, Calcutta.

Session 1939-40.

The Government Commercial Institute reopens after the long vacation on the 26th June 1939. Applications for admission in the prescribed form, obtainable from the office of the Institute, should reach the office as soon as possible after the publication of the Matriculation results of the Calcutta University in the Gazette. Applicants will, as a rule, be admitted by personal interview. Certified copies of mark-sheets must be submitted together with the application for admission to the 1st year day class and the evening shorthand class.

25 per cent. of the available seats are reserved for Muslim students till 30th June, after which vacancies, if any, will go to non-Muslims.

Day course extends over two years. Accommodation is strictly limited. *Matriculates* are eligible for admission. After passing the day course examination, students may join B.A. or B.Com. classes of the Calcutta, Dacca and Allahabad Universities. A large number of prizes and scholarships including two special scholarships for students of the scheduled castes are available to poor but meritorious boys. Free studentships are awarded to Muslim students up to 15 per cent. of their annual enrolment.

Evening courses extend over one year. Candidates for Government Commercial Course Special examinations and employees in different offices and firms in Calcutta desirous of improving their prospects may take up one or more of the following subjects:—

Modern English (including Indexing and Précis-writing), Book-keeping (Junior), Book-keeping and Accountancy (Advanced), Shorthand (Theory and speed), Typewriting and Mercantile Law.

R.A. classes (*First and Final*) are held in the evening to prepare students for the Government of India Examinations for Registered Accountants (R.A.).

For prospectus *and admission form* apply to the Principal enclosing stamps worth one anna.

Department of Public Instruction, Bengal.

NOTIFICATION.

Calcutta, the 9th May 1939.

Subject to good conduct and satisfactory progress a scholarship of the annual value of £216 *plus* approved fees and approved travelling expenses is awarded to Mr. Bibhutiranjan Mandal, son of Babu Brojomohan Mandal, post office Choudhuryhat, village Charnasirpur, district Faridpur. In addition, he will be provided with one second cabin class sea passage each way from a port in India to a port in England at the expense of Government. All other expenses will be borne by the scholar himself.

2. The scholarship is tenable in the United Kingdom for two years with effect from the date on which the scholar reports his arrival at the office of the High Commissioner for India with a possible extension for a third year. He is required to maintain himself out of his own resources if his stay in England is required to be prolonged beyond the tenure of the scholarship.

3. The scholarship is awarded subject to the rules for the State scholarships prescribed by Government and such other rules that may be framed by Government from time to time.

4. The scholar is required to deposit a sum of £40 with the High Commissioner for India before his departure for his initial expenses. He will have no claim to the payment of the scholarship until this deposit has been made.

5. The scholarship may at the discretion of the Director of Public Instruction, Bengal, be withdrawn, withheld, or deferred if no suitable arrangement for admission can be made or for any other cogent reasons.

PART V

Acts of the Indian Legislature assented to by the Governor-General and Ordinances promulgated by the Governor-General.

GOVERNMENT OF INDIA.

Legislative Department.

The following Act of the Indian Legislature received the assent of the Governor General on the 21st April, 1939, and is hereby promulgated for general information:—

ACT No. XVII OF 1939.

An Act to amend the Indian Succession Act, 1925, as respects intestate succession among Parsis.

WHEREAS it is expedient to amend the law relating to intestate succession among Parsis;

It is hereby enacted as follows:—

Short title and commencement.

1. *(1)* This Act may be called the Indian Succession (Amendment) Act, 1939.

(2) It shall come into force on such date as the Central Government may, by notification in the official Gazette, appoint.

Substitution of new sections for sections 50 to 56 of Act XXXIX of 1925.

2. For sections 50 to 56 (both inclusive) of the Indian Succession Act, 1925 the following sections shall be substituted, namely:—

General principles relating to intestate succession.

"50. For the purpose of intestate succession among Parsis—

(*a*) there is no distinction between those who were actually born in the lifetime of a person deceased and those who at the date of his death were only conceived in the womb, but who have been subsequently born alive;

(b) a lineal descendant of an intestate who has died in the lifetime of the intestate without leaving a widow or widower or any lineal descendant or a widow of any lineal descendant shall not be taken into account in determining the manner in which the property of which the intestate has died intestate shall be divided; and

(c) where a widow of any relative of an intestate has married again in the lifetime of the intestate, she shall not be entitled to receive any share of the property of which the intestate has died intestate, and she shall be deemed not to be existing at the intestate's death.

Division of a male intestate's property among his widow, children and parents.

51. *(1)* Subject to the provisions of sub-section *(2)*, the property of which a male Parsi dies intestate shall be divided—

(a) where he dies leaving a widow and children, among the widow and children, so that the share of each son and of the widow shall be double the share of each daughter, or

(b) where he dies leaving children but no widow, among the children, so that the share of each son shall be double the share of each daughter.

(2) Where a male Parsi dies leaving one or both parents in addition to children or a widow and children, the property of which he dies intestate shall be divided so that the father shall receive a share equal to half the share of a son and the mother shall receive a share equal to half the share of a daughter.

Division of a female intestate's property among her widower and children.

52. The property of which a female Parsi dies intestate shall be divided—

(a) where she dies leaving a widower and children, among the widower and children so that the widower and each child receive equal shares, or

(b) where she dies leaving children but no widower, among the children in equal shares.

Division of share of predeceased child of intestate leaving lineal descendants.

53. In all cases where a Parsi dies leaving any lineal descendant, if any child of such intestate has died in the lifetime of the intestate, the division of the share of the property of which the intestate has died intestate which such child would have taken if living at the intestate's death shall be in accordance with the following rules, namely:—

(a) If such deceased child was a son, his widow and children shall take shares in accordance with the provisions of this Chapter as if he had died immediately after the intestate's death:

Provided that where such deceased son has left a widow or a widow of a lineal descendant but no lineal descendant, the residue of his share after such distribution has been made shall be divided in accordance with the provisions of this Chapter as property of which the intestate has died intestate, and in making the division of such residue the said deceased son of the intestate shall not be taken into account.

(b) If such deceased child was a daughter, her share shall be divided equally among her children.

(c) If any child of such deceased child has also died during the lifetime of the intestate, the share which he or she would have taken if living at the intestate's death shall be divided in like manner in accordance with clause (a) or clause (b) as the case may be.

(*d*) Where a remoter lineal descendant of the intestate has died during the lifetime of the intestate, the provisions of clause (*c*) shall apply *mutatis mutandis* to the division of any share to which he or she would have been entitled if living at the intestate's death by reason of the predecease of a" the intestate's lineal descendants directly .tween him or her and the intestate.

Division of property where intestate leaves no lineal descendant but leaves a widow or widower or a widow of any lineal descendant.

54. Where a Parsi dies without leaving any lineal descendant but leaving a widow or widower or a widow of a lineal descendant, the property of which the intestate dies intestate shall be divided in accordance with the folowing rules, namely:—

(*a*) If the intestate leaves a widow or widower but no widow of a lineal descendant, the widow or widower shall take half the said property.

(*b*) If the intestate leaves a widow or widower and also a widow of any lineal descendant, his widow or her widower shall receive one-third of the said property, and the widow of any lineal descendant shall receive another one-third, or if there is more than one such widow, the last mentioned one-third shall be divided equally among them.

(*c*) If the intestate leaves no widow or widower but one widow of a lineal descendant, she shall receive one-third of the said property or, if the intestate leaves no widow or widower but more than one widow of a lineal descendant, two-thirds of the said property shall be divided among such widows in equal shares.

(*d*) The residue after the division specified in clause (*a*), (*b*) or (*c*) has been made shall be distributed among the relatives of the intestate in the order specified in Part I of Schedule II. The next-of-kin standing first in Part I of that Schedule shall be preferred to those standing second, the second to the third, and so on in succession, provided that the property shall be so distributed that each male shall take double the share of each female standing in the same degree of propinquity.

(*e*) If there are no relatives entitled to the residue under clause (*d*), the whole of the residue shall be distributed in proportion to the shares specified among the persons entitled to receive shares under this section.

Division of property where intestate leaves neither lineal descendants nor a widow or widower nor a widow of any lineal descendants.

55. When a Parsi dies leaving neither lineal descendants nor a widow or widower nor a widow of any lineal descendant, his or her next-of-kin, in the order set forth in Part II of Schedule II, shall be entitled to succeed to the whole of the property of which he or she dies intestate. The next-of-kin standing first in Part II of that Schedule shall be preferred to those standing second, the second to the third, and so on in succession, provided that the property shall be so distributed that each male shall take double the share of each female standing in the same degree of propinquity.

Division of property where there is no relative entitled to succeed under the other provisions of this Chapter.

56. Where there is no relative entitled to succeed under the other provisions of this Chapter to the property of which a Parsi has died intestate, the said property shall be divided equally among those of the intestate's relatives who are in the nearest degree of kindred to him."

Substitution of Schedule II to Act XXXIX of 1925.

3. For Schedule II to the Indian Succession Act, 1925 the following Schedule shall be substituted, namely:—

"SCHEDULE II.

PART I.

(*See section 54.*)

(1) Father and mother.

(2) Brothers and sisters (other than uterine brothers and sisters) and lineal descendants of such of them as have predeceased the intestate.

(3) Paternal grandfather and paternal grandmother.

(4) Children of the paternal grandfather and the lineal descendants of such of them as have predeceased the intestate.

(5) Paternal grandfather's father and mother.

(6) Paternal grandfather's father's children and the lineal descendants of such of them as have predeceased the intestate.

PART II.

(*See section 55.*)

(1) Father and mother.

DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 17th May 1939.

Summary.—Excepting heavy showers in places, the rainfall was generally light to moderate. Recent rain has been beneficial to standing crops and has facilitated field operations for autumn crops. More rain is necessary. Condition of standing crops is on the whole not so favourable. In Murshidabad and Bogra, 28,316 and 188 persons respectively attended test relief works on Saturday, the 13th May 1939. In Bankura, 1,991 persons resorted to test relief works during the week. In Rangpur and Pabna, 11,751 and 1,775 persons respectively attended test relief works during the week ending the 6th May 1939. In Bakarganj, 112 persons received gratuitous relief. The average price of common rice for the province has risen by about 1·47 per cent. as compared with that of the previous week.

NOTIFICATION.

Rules for the guidance of private candidates for the Test Examination for admission to the Supplementary Matriculation Examination for 1939.

A Test Examination of private candidates for permission to appear at the Supplementary Matriculation Examination of the Calcutta University to be held in November 1939 will be conducted under the orders of the Inspector of Schools, Presidency Division, in Calcutta and at Government high schools in the Presidency Division outside Calcutta, from Monday, the 24th July 1939, according to the programme annexed hereto.

2. Applications for permission to appear at the Test Examination of private candidates should be made in printed forms only to be obtained *in person* from the office of the Inspector of Schools, Presidency Division, or from the Head Masters of the Government high schools in the Division outside Calcutta.

3. Candidates who may not be successful at the Matriculation Examination held in March 1939, and those who, although otherwise eligible for appearing at that examination, were not able to sit for it owing to their failure to appear at, or to pass the Preliminary Test Examination, or for other causes, are eligible to appear at the Supplementary Test Examination referred to above as private candidates, subject to such other conditions as the Divisional Inspector of Schools may impose.

Candidates coming from outside the territorial jurisdictions of the Calcutta University should obtain the migration certificate from the Calcutta University in terms of University circular No. S. 322/M.P., dated 31st May 1938, published at page 1034, Part IB of the *Calcutta Gazette*, dated the 16th June 1938.

4. Teachers of high English schools in Bengal and Assam, recognised by the University, and detenus who intend to appear at the Supplementary Matriculation Examination as private candidates, will not be required to appear at any Preliminary Test Examination. They should formally apply to the Registrar, Calcutta University, for permission to appear at the examination on or before the date to be prescribed by the University, giving particulars as required under Calcutta University Revised Notification No. S-328Mat. (Sup.), dated 23rd January 1939.

5. Applications for admission to the Test Examination must be supported by documents as per instructions noted below:—

(*a*) Candidates who never attended any institution and who did not previously appear at the Matriculation Examination or the Test Examination for private candidates conducted by this office, must produce:—

(*i*) An affidavit in the appended form sworn before a competent court in Bengal by the candidate's father or his legal guardian (if the father is not alive).

(*ii*) A certificate from any gazetted officer or any reliable person to the effect that he never read in any school.

(*b*) If he had previously attended any school a transfer certificate (bearing the school stamp) from the school in which he last read or the University admit card if he failed at the last or any previous Matriculation Examination or the admit card issued by this office for admission to the Test Examination held by the Inspector of Schools, Presidency Division, should be produced.

(*c*) Every candidate must attach to his application a copy of the chalan showing the deposit of the prescribed fee at a treasury or sub-treasury in Bengal.

(*d*) Two copies of the candidate's photo, duly attested by the candidate and his guardian, and in cases of candidates coming under rule 5(*a*) by the Magistrates, should be submitted.

(*e*) Any candidate desirous of taking Hygiene for the Matriculation Examination shall submit along with his application a certificate from a registered medical practitioner or a recognised teacher of Hygiene to the effect that the candidate has been undergoing training in that subject under him. The registered medical practitioner should give his registration number for his identification.

6. No candidate who has previously attended a school and has not completed the period ordinarily required to make himself eligible for appearing at the Matriculation Examination will be admitted to the Test Examination.

7. A candidate who failed to pass the annual examination for promotion to class X at the end of the year 1937 and then left the school, will in no circumstances, be allowed to appear at the Test Examination.

8. The admission fee for the examination is Rs. 7 for each candidate to be examined in Calcutta and Rs. 5 for candidates to be examined in other centres. The fee for examination must be deposited into a Government treasury or sub-treasury in Bengal and the chalan showing the deposit should be attached to the application [*vide* rule 5(*c*)]. No money order or cheque will be received in this office in payment of fees for the Test Examination. ***In no circumstances will this admission fee be refunded.***

9. The results of the Test Examination will be declared by the first week of September 1939. The result sheets of candidates appearing from Calcutta Centres will be hung up on this office notice board and of the muffasil candidates on the notice boards of the respective Government high schools.

10. Candidates residing in or within easy reach of Calcutta must appear at the Calcutta Examination Centre.

11. (*a*) Successful candidates of the Test Examination appearing from Calcutta Centre will be supplied by this office with prescribed forms for application to the University and also triplicate receipt forms for depositing University Examination fees through the Imperial Bank of India. The application forms should be duly filled up by the candidates themselves but the signatures should be made before an officer of this office to whom the application forms together with one copy of the bank receipt showing the deposit of fees should be presented personally by the candidates.

(*b*) In the case of muffasil candidates, their fees should be remitted to the University through the nearest post office, the postal receipts whereof should be attached to the application forms which will be supplied to them by the Head Masters of the Government schools. Application forms should be filled up by the candidates in presence of the Head Masters of the respective Government schools who will countersign them.

12. The dates for distribution of University admission cards for the Supplementary Matriculation Examination will be notified in the office notice board in the month of October 1939. *The admission cards on no account will be sent to candidates by post.* In order to obtain the University admission cards the candidates must produce their admission cards of the Test Examination as well as the third copy of the bank receipt showing the deposit of fees.

13. Candidates who come out successful at the University Examination may receive their Matric Pass Certificates from this office.

14. Incomplete applications for the Test Examination will be rejected without any reference to the candidates. They should therefore see that full particulars and all necessary documents are furnished. Applications must bear the signature of the candidates in full. Particular care should be taken to write their addresses carefully and legibly.

15. Applications in the prescribed forms must reach the office of the Inspector of Schools, Presidency Division, on or before the 20th June 1939.

16. No paper either the application or any of its enclosures will be returned to the candidates after the examination is over.

Ramna, Dacca, the 15th May 1939.

NOTIFICATION.

Admission for the session 1939-40 in the Faculties of Arts (including Commerce), Science and Law will commence on 3rd July 1939. Candidates for admission must interview the Provost concerned, not later than the 21st July 1939 or three weeks after the date of publication of the results of the qualifying examination passed by the candidate in question, whichever is later. The Admission Committee may, however, at their discretion, grant exceptions to this rule and may impose such fines for lateness as they deem fit. Class fee for undergraduate students (other than those reading for honours in Physics and Chemistry) and Law students Rs. 8 per mensem; for undergraduate students reading for honours in Physics or Chemistry, special honours in Physics and Mathematics, for M.A. students and M.Sc. students in Mathematics Rs. 10 per mensem; for M.Sc. students in Physics and Chemistry Rs. 12 per mensem. Seat rent in halls varies from Rs. 2 to Rs. 4 and total minimum cost of tuition and living from Rs. 22 to Rs. 25 a month. A sum of Rs. 21,620 is distributed every year as stipends and scholarships. The University has up-to-date laboratories (including an Experimental Psychology Laboratory), an excellent library and an organised tutorial system. It possesses splendid residential facilities and well organised Students' Union and offers exceptional opportunities for athletics.

2. There are adequate facilities for women students. The residence for women students is near the University and is adequately furnished. Seat rent Rs. 3 per mensem. Intending candidates for admission to the residence are advised to apply as early as possible. There is also very cheap bus arrangement for attached women students. Some stipends are specially reserved for women students of the different halls.

3. Special facilities are given to poor students of backward communities by way of rent-free seats, special stipends and remission of part of examination fees.

4. There is a special Honours course in Physics and Mathematics with no subsidiary subjects. This course provides opportunity for a special study of theoretical Physics from the Mathematical point of view.

5. Provision is made in the Department of Chemistry for advanced teaching in Physical, Organic, Applied and Bio-Chemistry. There are B.Sc. pass courses in Botany and Physiology and a B.Sc. course with Botany, Chemistry and Physics and Soil Science specially suitable for later studies in the proposed Agricultural Institute at Dacca Farm.

6. The University has fifteen departments including a Department of Bengali and a Department of Political Science, with provision for teaching in Pass, Honours and M.A. courses in these subjects, except the M.A. course in Political Science which will be opened in 1940. "Urdu" has been introduced as an independent subject for the ordinary B.A. Course as well as a subsidiary subject for Honours students.

7. Further particulars regarding admission will be sent post free on application to the Registrar.

(1) Dacca Collegiate School.

(2) Mymensingh Zilla School.

(3) Jamalpur Government High School.

3. Every private candidate must submit his application for admission to the Test Examination in the prescribed form on or before the 20th July 1939 to the Inspector of Schools, Dacca Division (Dacca Range). He must produce a certificate from a responsible Government officer to the effect (1) that he has not attended any school, recognized or unrecognized, for at least one year previous to the examination, held in March 1939, (2) that his conduct and character have been good, (3) that he has diligently and regularly prosecuted his studies, and (4) that he has been subject to proper discipline.

Candidates who intend to appear at the Test Examination in the Dacca Collegiate School must submit their applications in duplicate.

4. No candidate who has previously attended a school but has not completed the period ordinarily required to make himself eligible for appearing at the Matriculation Examination will be admitted to the Test Examination.

5. A student, who failed to pass the annual examination for promotion to class X at the end of the session 1937 and then left the school, will not be allowed to appear at the examination.

6. Every private candidate must also forward with his application his transfer certificate from the school (if any) in which he last read, or the admit card of the University (if he appeared at any previous Matriculation Examination) or the admit card issued by this office for admission to the Test Examination held by this office.

7. A candidate who has never read in any school should produce an affidavit sworn by his parent or guardian before a competent Magistrate declaring his age and also the fact that he had never been to any school. He should also furnish a certificate from a Government officer other than a relative with personal knowledge of the fact of the case that he had never been to any school.

8. Private candidates offering Hygiene as one of their subjects will be required to satisfy the Inspector of Schools that they have undergone a course of training in the subject. For this purpose they should submit along with their applications certificates of training in it from a registered medical practitioner or from a recognised teacher in Hygiene.

9. Private candidates from outside the territorial jurisdiction of the Calcutta University including teachers of schools must obtain the sanction of the University to their migration before they are allowed to appear at the Test Examination for private candidates.

10. Teachers of schools recognised by the Calcutta or any other University or any Board of Secondary Education in India, who intend to appear at the Matriculation Examination as private candidates, are not required to pass the Test Examination. They should apply to the University for permission to appear at the Final Examination in proper time.

11. Every private candidate must pay a fee of Rs. 5 which should be remitted to the Inspector of Schools, Dacca Division (Dacca Range), along with the application for admission to the Test Examination, on or before the prescribed date (20th July 1939). No application will be entertained after that date. *Where there are Treasuries or Sub-Treasuries near the residence of candidates the fee should be deposited there and chalans in duplicate showing the deposit submitted to the Inspector of Schools along with the application. In no circumstances will this fee be refunded.*

Incomplete applications are liable to be rejected without reference to the candidate.

If the candidate be considered eligible for admission to the Test Examination a letter of permission will be issued. This should be shown to the Headmaster on the first day of examination.

12. On the first date of examination, he must be accompanied, for the purpose of identification, by some person known to the officer conducting the examination, otherwise he will not be admitted to the Test Examination.

13. The Headmasters of the schools named above should send to this office, for orders, a statement, showing the marks gained by each private candidate in each subject at the Test Examination, *within a fortnight from the date of the said examination.* The application forms of candidates who are declared eligible should be forwarded to this office for countersignature, duly filled in and signed.

14. Private candidates allowed to go up for the Matriculation Examination should submit their fees to the Headmaster of the Government High School where they appear at the Test Examination at the time of filling up their application forms. They should also produce before the Headmaster the documents referred to in rule 6 in proof of their age. The Headmaster will send the fees to the Controller of Examinations along with the applications countersigned by the Inspector of Schools so as to reach him on or before the date fixed by the University.

15. Private candidates should apply to the Headmasters of the Government High Schools concerned for their admit cards and Matriculation pass certificates and not to the Inspector of Schools.

16. The dates and the programme of the Supplementary Matriculation Examination will be notified by the Calcutta University.

(*v*) Details of ordinary place of residence and duration of residence.

(*vi*) Names of subjects (including vernacular and additional subjects).

6. Applications for admission to the Test Examination must be supported by the following documents:—

(*i*) *Admission cards* in original (in case of candidates who appeared at the Matriculation Examination. In the event of their loss duplicate copy must be furnished).

Or

Permits granted by the Inspector of Schools (in case of candidates who failed either to pass the Test Examination or to sit for the same examination).

Or

Transfer certificates from the school where they last read (in case of candidates who read in schools but discontinued for some reasons or other and did not appear at any Test or Matriculation Examination).

Or

(In case of candidates' non-attendance to any school at any time), an *affidavit* sworn before a competent Court by the father of the candidate (or guardian in case father is not alive) to the effect that the candidate never read in any school and that his age on the 1st November 1939 will be years and months.

(*ii*) A certificate from a respectable gentleman other than a relative to the effect that the candidate has prosecuted a regular course of study and has been subjected to proper discipline.

(*iii*) (In case of a candidate offering Elementary Hygiene as one of his additional subjects), a certificate of his training in Hygiene from a registered medical practitioner or from a teacher of Hygiene of a recognised high school.

(Candidates who are exempted from appearing at the Preliminary Test Examination should enclose such a certificate with their application to the Registrar.)

6. Each private candidate will have to pay a fee of Rs. 5 only for his admission to the Test Examination, which must be deposited with the Headmaster of the school in which he intends to appear *at least 15 days before the commencement of the examination.* [The Headmaster will deposit the amount realized by him into the local treasury and forward a copy of the chalan to this office. He should also submit to this office an account of the charges incurred by him (including remuneration to examiners) for conducting the examination of private candidates together with vouchers in support of the charges.]

7. The fee (*i.e.*, Rs. 15 only) for the Matriculation Examination should on no account be sent to this office. It should be deposited with the Headmaster of the school where he appears at the Test Examination with its cost of remittance to the University.

8. No private candidate will be admitted to the Test Examination unless he is duly identified beforehand to the satisfaction of the Headmaster of the school where he is to appear at the examination.

9. The results of the Test Examination will be communicated to successful candidates only by the middle of September next.

Students not living with their parents or approved guardians must reside in the college hostel, if accommodation is available. Permission to reside elsewhere may be obtained in very special cases on personal application to the Principal. Any student failing to conform to this rule will be liable to have his admission cancelled.

All students must take part in games or physical exercise unless exempted by the Principal on special grounds.

Participation in extra-mural lectures or debates held under the auspices of the college union on Saturdays is also compulsory.

Students will be admitted to Science Course on payment of a sum of Rs. 31 (Rs. 7 as admission fee, Rs. 7 as college fee for June, Rs. 2 as registration fee, Rs. 10 as laboratory caution money and Rs. 5 as library caution money). For admission to Arts Course students will have to pay a sum of Rs. 19 (Rs. 6 as admission fee, Rs. 6 as college fee for June, Rs. 2 as registration fee and Rs. 5 as library caution money). Rs. 5 as annual subscription to the college union and Re. 1 as examination fee will be realised along with the college fee for July by the first week of the month.

There are two commodious hostels attached to the college with separate accommodation for Hindus and Muslims. The monthly seat-rent is Re. 1-14, while establishment, electric light and medicine charges cost Rs. 2-2 or Rs. 3-2 more per boarder according as he takes a seat on the ground floor or on the first floor. Medical attendance by a Government Assistant Surgeon is free. Messing arrangements are controlled by the students and the charges do not exceed Rs. 9-8 per month in the Hindu hostel and Rs. 7 per month in the Muslim hostel. Boarders have to pay, on admission, Re. 1 as admission fee and Rs. 5 as caution money.

There are Mohsin Stipends, free-studentships and various other privileges open to the students of this college. Besides these facilities special free-studentships are awarded to Muslim students and students belonging to the Scheduled Castes and educationally backward classes to the extent of 5 per cent. of their respective enrolment. A number of stipends from the Students' Aid Fund are also awarded to the students of the college, both Hindus and Muslims.

J. CHAKRAVORTI, *Registrar.*

Office of the Inspector of Schools, Dacca Division, Bakarganj Range.

NOTIFICATION.

Barisal, the 18th May 1939.

1. Candidates who may not be successful at the Matriculation Examination held in March 1939 and those who, although otherwise eligible for appearing at that examination, may not have been able to sit for it owing to their failure to appear at, or to pass, the Preliminary Test Examination or other causes, are eligible for taking the Supplementary Matriculation Examination to be held in November 1939 as private candidates.

2. Private candidates of Bakarganj Range who desire to sit for the Supplementary University Matriculation Examination must

appear at the Test Examination of any one of the undermentioned schools to be held on the 21st August 1939 and the following days:—

(1) Faridpur Zilla School.

(2) Barisal Zilla School.

(3) Jhalakati Government High School.

(4) Perojpur Government High School.

(5) Bhola Government High School.

3. Every candidate must submit his application for admission to the Test Examination in the prescribed form to be obtained free from this office on or before 15th July 1939 to the undersigned. He must produce a certificate from a responsible Government officer to the effect (1) that he has not attended any school, recognised or unrecognised for at least one year previous to the examination, (2) that his conduct and character have been good, (3) that he has diligently and regularly prosecuted his studies, and (4) that he has been subject to proper discipline.

4. No candidate who has previously attended a school but has not completed the period ordinarily required to make himself eligible for appearing at the Matriculation Examination will be admitted to the Test Examination.

5. A student, who failed to pass the annual examination for promotion to class X at the end of the Session 1937 and then left the school, will not be allowed to appear at the examination.

6. Every private candidate must also forward with his application his transfer certificate from the school (if any) in which he last read, or the admit card of the University (if he appeared at any previous Matriculation Examination) or the admit card issued by this office for admission to the Test Examination held by this office.

7. A candidate who has never read in any school should produce an affidavit sworn by his parent or guardian before a competent Magistrate declaring his age and also the fact that he had never been to any school. He should also furnish a certificate from a Government officer with personal knowledge of the fact of the case that he had never been to any school.

8. Private candidates offering Hygiene as one of their subjects will be required to satisfy the Inspector of Schools that they have undergone a course of training in the subject. For this purpose they should submit along with their applications certificates of training in it from a registered medical practitioner or from a recognised teacher in Hygiene.

9. Private candidates from outside the territorial jurisdiction of the Calcutta University including teachers of schools must obtain the sanction of the University to their migration before they are allowed to appear at the Test Examination for private candidates.

10. (*a*) Teachers of schools recognised by the Calcutta University who intend to appear at the Matriculation Examination as private candidates, are not required to pass the Test Examination. They should apply to the University for permission to appear at the Final Examination in proper time.

(*b*) Girl candidates satisfying the above conditions will not be required to appear at any Preliminary Test Examination.

11. Every private candidate must pay a fee of Rs. 5 which should be remitted to the Inspector of Schools, Bakarganj Division, Barisal, along with the application for admission to the Test Examination, on or before the prescribed date (15th July 1939). **No application will be entertained after that date.**

Where there are treasuries or sub-treasuries near the residence of candidates the fee should be deposited there and chalans in duplicate showing the deposit submitted to the Inspector of Schools along with the application. **In no circumstances will this fee be refunded.**

Incomplete applications will be rejected without reference to the candidate.

If the candidate be considered eligible for admission to the Test Examination a letter of permission will be issued. This should be shown to the Head Master on the first day of examination.

12. On the first date of examination, he must be accompanied, for the purpose of identification, by some person known to the officer conducting the examination, otherwise he will not be admitted to the Test Examination.

13. The Head Masters of the schools named above should send to this office, for orders, a statement, showing the marks gained by each private candidate in each subject at the Test Examination, within twelve days from the date of the said examination. The application forms of candidates who are declared eligible should be forwarded to this office for countersignature, duly filled in and signed.

14. Private candidates allowed to go up for the Matriculation Examination should submit their fees to the Head Master of the Government High School where they appear at the Test Examination at the time of filling up their application forms. They should also produce before the Head Master the documents referred to in rule 6 in proof of their age. The Head Master will send the fees to the Controller of Examinations along with the applications countersigned by the Inspector of Schools so as to reach him on or before the date fixed by the University.

15. Private candidates should apply to the Head Masters of the Government high schools concerned for their admit cards and Matriculation pass certificates **and not to the Inspector of Schools.**

16. The dates and the programme of the Supplementary Matriculation Examination will be notified by the Calcutta University.

A. KHALIQ,

Inspector of Schools, Dacca Division

Mymensingh. — No. 786M. — 26th May 1939.—The following draft of a notification which the Governor intends to issue in exercise of the power conferred by clause (*a*) of section 2 of the Calcutta Hackney Carriage Act, 1919 (Bengal Act I of 1919), is published, as required by the second proviso to that section, for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on or after 1st August 1939, and any objection or suggestion with regard thereto, which may be received by the undersigned through the District Magistrate before that date, will be duly considered:—

Draft notification.

In exercise of the power conferred by clause (*a*) of section 2 of the Calcutta Hackney Carriage Act, 1919 (Bengal Act I of 1919), the Governor is pleased to extend to the Muktagacha Municipality, in the district of Mymensingh, all the provisions of the said Act, except sub-section (*1*) of section 6.

Mymensingh. — No. 787M. — 26th May 1939.—The following draft of by-laws, which the Governor proposes to make for the Muktagacha Municipality, in the district of Mymensingh, in exercise of the power conferred by sub-section (*1*) of section 71 of the Calcutta Hackney Carriage Act, 1919 (Bengal Act I of 1919), is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on the 1st August 1939, and any objection or suggestion received by the undersigned before that date, through the District Magistrate, will be duly considered:—

Draft by-laws.

Draft by-laws under section 71(1) of the Calcutta Hackney Carriage Act, 1919 (Bengal Act I of 1919), for the Muktagacha Municipality.

Appointment and duties of the Registration Officer.

1. Every hackney carriage in the Muktagacha Municipality shall be annually registered by a Registering Officer, who shall, unless otherwise directed by the Commissioners at a meeting, be for all the purposes of these by-laws the Chairman. The Registering Officer shall keep a register in which he shall enter the class and number assigned to every hackney carriage.

Qualification of drivers.

2. Every person applying for a driver's license shall be required to satisfy the Registering Officer—

(a) that he knows how to drive and control horses and is in all respects a fit person for such employment;

(b) that he has a thorough knowledge of the list of fares and tables of distances prepared by the Commissioners; and

(c) that he knows the rules of the road and the signals used by drivers and by the police.

3. Licenses for hackney carriage drivers and bearers of palanquins and rickshaws will be in different forms. There shall be attached to each license in such manner as the Commissioners may prescribe—

(a) the thumb-mark of the driver or bearer as the case may be;

(b) a list of fares and tables of distances to be prepared and printed under the authority of the Commissioners. The thumb-mark shall be taken and the list of fares and tables of distances supplied free of cost to every driver or bearer, and

(c) as in 3 in the model by-laws substituting the word "photograph" by the word "thumb-mark".

4. No hackney carriage driver shall drive with his feet in any other position than on the footboard of the vehicle, nor shall he muffle up his face and head in such manner as might endanger the proper driving of his vehicle.

5. No hackney carriage driver shall be allowed to drive any licensed hackney carriage and carriages other than those specified in his license without the permission of the Registering Officer.

Uniforms.

6. Each driver of a hackney carriage shall wear a khaki half-shirt.

Description of horses, carriages, palanquins and rickshaws.

7. No horse shall be used to draw a hackney carriage unless it has been passed by the Registering Officer, and no horse shall be passed unless it is—

Draft amendment.

In rule 26 of the said rules for the words "Calcutta Canals or Tolly's Nullah" *substitute* the words "Calcutta Canals, Tolly's Nullah or Sundarbans Steamer Route".

No. 16-I.—20th April 1939.—The following draft amendments which, in exercise of the powers conferred by section 11 of the Canals Act, 1864 (Bengal Act V of 1864), the Governor proposes to make in the rules for the line of navigation known as the Madaripur Bhil Channel and the Lower Kumar river, published under notification No. 5-I., dated the 17th July 1928, are published for the information of persons likely to be affected thereby.

2. Any objection or suggestion with respect to the draft amendments should reach the undersigned not later than the 1st June 1939:—

Draft amendments.

1. For rule 24 of the said rules the following shall be substituted, namely:—

24. When a red cone is hoisted at Haridaspur, upward bound power-driven vessels except launches to which no raft, flat or other vessel is attached shall stop and make fast in the entrance channel. When a white ball is exhibited, vessels may proceed.

2. For rule 25 of the said rules the following shall be substituted, namely:—

25. When a red cone is hoisted at Tentulia, downward bound power-propelled vessels except launches to which no raft, flat or other vessel is attached shall stop above the toll station until a white ball is exhibited, when they may proceed.

3. For rule 26 of the said rules the following shall be substituted, namely:—

26. Downward bound power-propelled vessels except launches to which no raft, flat or other vessel is attached shall stop in the Areal Khan river when a red cone is hoisted at the mast below the entrance to the Kumar river. When a white ball is hoisted, they may proceed.

4. For rule 27 of the said rules the following shall be substituted, namely:—

27. Upward bound power-propelled vessels except launches to which no raft, flat or other vessel is attached shall stop when a red cone is exhibited at Ghatmanjhi. When a white ball is raised, they may proceed.

5. After rule 27 of the said rules the following rule shall be inserted, namely:—

27A. (*1*) Downward bound launches passing the mast below the entrance to the Lower Kumar river shall, when a red cone is displayed thereon, give way to upward bound vessels on the restricted line of navigation, and upward bound launches passing the signal station at Ghatmanjhi shall, when a red cone is displayed, give way to downward bound vessels on the said line.

(*2*) Except for reasons beyond the control of the person in charge no vessel shall remain in the restricted line of navigation for more than two hours.

Explanation.—For the purposes of this rule the restricted line of navigation means the channel of the Lower Kumar river between its junction with the Areal Khan and the signal station at Ghatmanjhi.

6. In rule 42 of the said rules after the figure "27" the figure and letter "27A" shall be inserted.

Land Acquisition.

NOTIFICATIONS.

No. 6049L.A.—24th May 1939.—The following agreement is published under section 42 of the Land Acquisition Act, I of 1894, for general information.

N. V. H. SYMONS,

Secy. to the Govt. of Bengal.

Agreement.

MEMORANDUM OF AGREEMENT made this the 23rd day of May One thousand nine hundred and thirty-nine between THE ASSOCIATED POWER COMPANY, LIMITED, a Company registered under the Indian Companies Act, 1892, and having its registered office at No. 8, Clive Row, Calcutta (hereinafter called "the Company"), of the one part and THE GOVERNOR OF THE PROVINCE OF BENGAL (hereinafter called "the Governor") of the other part.

WHEREAS for the purpose of maintaining its possession of a Power House and other necessary works in connection therewith for the supply of electrical energy in the Seebpore and Raniganj area of the coal field and other collieries and villages adjoining thereto within the jurisdiction of subdivision Asansol and in the district of Burdwan in Bengal the Company has applied to the Government of Bengal for the acquisition under the provisions of the Land Acquisition Act, I of 1894, of the pieces or parcels of land containing an area of 16·32 acres or thereabouts situate in the villages of Jamuria, Kaithi and Seebpore in the district of Burdwan and more particularly described in the Schedule hereto and delineated in the plans* hereunto annexed.

AND WHEREAS the said Government of Bengal being satisfied by an enquiry held under section 40 of the said Act that the proposed acquisition is needed for the aforesaid

*Not printed. May be inspected in the office of the Special Land Acquisition Officer, Burdwan.

purpose and that the said work is likely to prove useful to the public has consented to acquire on behalf of the Company the pieces or parcels of land hereinbefore described.

AND WHEREAS the said Government of Bengal has required the Company under the provisions of section 41 of the above-mentioned Act to enter into the agreement with the Governor hereinafter contained.

NOW THIS INDENTURE WITNESSETH that it is hereby agreed and declared as follows:—

1. On demand the Company shall and will pay to the said Government of Bengal all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894, or by the Court to which a reference under Part III of the said Act may be made, or by the Court or Courts to which an appeal from the award of the said Court may be preferred and all costs, charges and expenses of the proceedings in the aforesaid Courts, or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

2. On demand by the said Collector, the obligations of the Company under the last preceding clause not being thereby limited, the Company shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. On payment by the Company of all demands under the foregoing first clause, or, in the discretion of the said Government of Bengal (on deposit by the Company of all estimated amounts as provided in the second clause) but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said land to the Company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

4. The said lands shall be held by the Company for the purpose of such supply of electrical energy as is hereinbefore mentioned and purposes incidental thereto and without the sanction in writing of the said Government of Bengal first had and obtained for no other purpose whatsoever.

5. The said Power House is already completed and fully equipped in all respects ready for use.

6. Should the said land at any time hereafter cease for a period of three consecutive months to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case the said Government may summarily re-enter upon and take possession of the said land together with all buildings thereon whether such buildings were erected before or after transfer of the land to the Company, and thereupon the interest of the Company in the said land and building shall absolutely cease and determine.

7. On taking such possession the said Government may sell or otherwise deal with the said land and buildings as it may think proper.

(i) Should the said Government sell the land with the buildings, the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.

(ii) Should the said Government decide not to sell the land and buildings, the said Government shall retain the said land and buildings thereon in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of fifteen per cent. and less any amount received on account of trees and buildings which are not in existence at the time of resumption) but will not repay any sums paid and received on account of costs, charges and expenses.

(iii) Should the said Government decide to sell the buildings only upon such sale the Governor after deducting the expenses of taking possession and selling pay the balance of the proceeds of sale to the Company, together with the sum received from the Company in respect of the compensation for the land (less the statutory allowance of fifteen per cent. and less any amount received from the Company on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sum paid and received on account of costs, charges and expenses.

8. The Company shall give reasonable facilities to the public to enjoy the benefits of the acquisition of the said land and to this intent has agreed to comply with the following conditions and on terms as may be agreed upon with Government from time to time.

(a) The Company shall train apprentices not exceeding four in number to be in training at any one time in the various processes carried on in the Company's Power Station. The selection of such apprentices shall be made by the Company annually from a number of candidates nominated by the Director of Industries, Bengal, or such other officer as may be nominated by Government for the purpose. The Company shall not charge any fees or premium of any kind for such training.

(b) The public shall be entitled to the use of the said land on the following terms, that is to say, subject to the provisions of the Indian Electricity Act, 1910, and Rules made thereunder or to the provisions of any other legislative enactment or rules in that behalf for the time being in force, the public in the vicinity of the said Power House shall be entitled to be supplied with electrical energy from such Power House within the limits of the power available at such house and in pursuance of the terms of the electrical license granted to the Company.

9. Should any dispute or difference arise touching or concerning the subject matter of this Agreement or any covenant, clause or

thing herein contained the same shall be referred to the said Government of Bengal and the opinion and decision of the said Government upon such dispute or difference shall be final and conclusive and binding on the parties hereto.

Howrah.—No. 6053L.A.—24th May 1939.—The following agreement is published under section 42 of the Land Acquisition Act, I of 1894, for general information.

N. V. H. SYMONS,
Secy. to the Govt. of Bengal.

Agreement.

MEMORANDUM OF AGREEMENT made this 23rd day of May One thousand nine hundred and thirty-nine BETWEEN THE CALCUTTA ELECTRIC SUPPLY CORPORATION, LIMITED, a Company incorporaetd in England and having its registered office at Victoria House, Vernon Place, Bloomsbury in the County of London in England and a branch office at Victoria House, Chowringhee Square, Calcutta (hereinafter called "the Company") of the one part and THE GOVERNOR OF THE PROVINCE OF BENGAL (hereinafter called "The Governor") of the other part.

WHEREAS for the purposes of construction of a Transformer House the Company has applied to the Government of Bengal for the acquisition under the provisions of the Land Acquisition Act, 1894, of the piece or parcel of land containing 10 cottahs 14 chittacks and 16 square feet or thereabouts equivalent to more or less 0·18 of an acre and being a part of plot No. 2913 in the village of Barakpore, district Howrah, and more particularly described in the Schedule hereto and delineated in the plan* hereunto annexed.

AND WHEREAS the said Government of Bengal being satisfied by an enquiry held under sections 5A and 40 of the said Act that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful to the public, has consented to acquire on behalf of the Company the piece or parcel of land hereinbefore described.

AND WHEREAS the said Government of Bengal has required the Company under the provisions of section 41 of the abovementioned Act to enter into the agreement with the Governor hereinafter contained.

NOW THIS INDENTURE WITNESSETH that it is hereby agreed and declared as follows:—

1. On demand the Company shall and will pay to the said Government of Bengal all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894, or by the Court to which a reference under Part III of the said Act may be made or by the Court or Courts to which an appeal from the award of the said Court may be preferred, and all costs, charges and expenses of the proceedings in the aforesaid Courts or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

2. On demand made by the said Collector, the obligations of the Company under the last preceding clause not being thereby limited, the Company shall and will deposit with the

said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. On payment by the Company of all demands under the foregoing first clause or, in the discretion of the said Government of Bengal, on deposit by the Company of all estimated amounts as provided in the second clause, but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said land to the Company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

4. The said land shall be held by the Company for the purposes of such Transformer House as is hereinbefore mentioned and, without the sanction in writing of the said Government of Bengal first had and obtained, for no other purpose whatsoever.

5. The said Transformer House shall be completed and fully equipped in all respects ready for use within one year from the date on which possession of the said land shall have been given to the Company.

6. Should the said Transformer House not be completed and fully equipped in all respects ready for use within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government of Bengal or should the said land at any time thereafter cease for a period of six consecutive months to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case the said Government may summarily re-enter upon and take possession of the said land together with all buildings thereon, whether such buildings were erected before or after transfer of the land to the Company, and thereupon the interest of the Company in the said land and buildings shall absolutely cease and determine.

7. On taking such possession the said Government may sell or otherwise deal with the said land and buildings as it may think proper.

(I) Should the said Government sell the said land with the buildings the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.

(II) Should the said Government decide not to sell the said land and buildings the said Government shall retain the said land and buildings thereon in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of 15 per cent. and less any amount received on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sums paid and received on account of costs, charges and expenses.

(III) Should the said Government decide to sell the buildings only, upon such sale the Governor, after deducting the expenses of taking possesion and selling, shall pay the balance of the proceeds of sale to the Company, together with the sum received from the Company in respect of the compensation for the land (less the statutory allowance of 15 per cent. and less any amount received from the Company on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sum paid and received on account of costs, charges and expenses.

8. The public shall be entitled to the use of the said Transformer House on the following terms, namely, the said Transformer House shall be used for transforming high pressure electric energy into low or medium pressure for the purposes of supply of energy to the public in the neighbourhood subject to the provisions of the Company's License and the provisions of the Indian Electricity Act.

9. Should any dispute or difference arise touching or concerning the subject matter of this agreement or any covenant, clause or thing herein contained the same shall be referred to the said Government of Bengal, and the opinion and decision of the said Government upon such dispute or difference shall be final and conclusive and binding on the parties hereto.

IN WITNESS whereof the Company has caused this Agreement to be executed and the Governor hath hereunto set his hand and seal the day and year first above written.

The schedule above referred to.

ORDER.

The 13th May 1939.

On 5th December 1938 I recorded the following:—

"I have heard Babu Sailaja Kumar Sanyal who had been informed that it was proposed to pass an order under section 56(*1*) of the Bengal Village Self-Government Act of 1919.

It appears that he disallowed certain motions proposed to be put up before a meeting of the Union Board. These motions were disallowed on the exercise of powers given to Babu Sailaja Kumar Sanyal as President under rule 18(*d*) on page 67 of the Union Board Manual, Volume I. Babu Sailaja Kumar Sanyal claims that on the merits he was right. But the fact remains that the effect of his order is that members of the Board are deprived of a means of showing their lack of confidence in him. This has resulted in a deadlock in Union Board administration which suggests that possibly Babu Sailaja Kumar Sanyal has not in fact the confidence of a majority of the Board.

The matter came before the District Board who attempted to resolve the difficulty by deciding to remove Babu Sailaja Kumar Sanyal under section 16(*1*)(*iii*) of the Act. Their resolution to this effect has been annulled under section 120 of the Bengal Local Self-Government Act and to resolve all difficulties I am considering action under section 56(*1*). It seems clear that the deadlock is such that the Union Board makes default in the performance of its duties. I have considered the opinion of the District Magistrate and the District Board both of whom favour removal. I have now heard Babu Sailaja Kumar Sanyal.

I can see no means of disposing of the deadlock other than by an order under section 56(*1*)(*a*) removing Babu Sailaja Kumar Sanyal. He has not resigned from the office of President and the resolution of the District Board has been annulled. He is still therefore President. It may be that he has lost the confidence of a majority of members of the Union Board unjustly and on account of some action he took or was supposed to have taken in connection with communal disturbances. But if so, the only proper course would have been for him to face a vote of the Union Board—and if he wished to stay on without one-third of the members of the Board to support him, to urge the merits of his case before the District Board when they would be dealing with it under section 16(*1*)(*iii*).

My conclusion is that Babu Sailaja Kumar Sanyal must face a vote of the Union Board or cease to be President. This can only be achieved by an order of removal under section 56(*1*)(*a*) and a recommendation to this effect will be forwarded to the Local Government for approval. It should be understood that there would be no objection to his standing for re-election or to his being re-elected if he can get sufficient support from members of the Union Board".

The above shows that I am of opinion that the Salap Union Board of the Pabna district persistently makes default in the performance of its duties and that Babu Sailaja Kumar Sanyal should be removed from his office as President. A proposal to pass orders to this effect has by letter No. 336L.S.-G., of 24th March 1939 received the approval of the Local Government.

I now pass order under section 56(*1*) of the Bengal Village Self-Government Act, 1919 and for the reasons specified in my decision of 5th December 1938 that Babu Sailaja Kumar Sanyal should be removed from his office as President of the Salap Union Board in the district of Pabna with effect from the date of this order which will be published in accordance with section 56(2) of the Act referred to above.

University of Dacca.

Ramna, Dacca, the 15th May 1939.

NOTIFICATION.

Admission for the session 1939-40 in the Faculties of Arts (including Commerce), Science and Law will commence on 3rd July 1939. Candidates for admission must interview the Provost concerned, not later than the 21st July 1939 or three weeks after the date of publication of the results of the qualifying examination passed by the candidate in question, whichever is later. The Admission Committee may, however, at their discretion, grant exceptions to this rule and may impose such fines for lateness as they deem fit. Class fee for undergraduate students (other than those reading for honours in Physics and Chemistry) and Law students Rs. 8 per mensem; for undergraduate students reading for honours in Physics or Chemistry, special honours in Physics and Mathematics, for M.A. students and M.Sc. students in Mathematics Rs. 10 per mensem; for M.Sc. students in Physics and Chemistry Rs. 12 per mensem. Seat rent in halls varies from Rs. 2 to Rs. 4 and total minimum cost of tuition and living from Rs. 22 to Rs. 25 a month. A sum of Rs. 21,620 is distributed every year as stipends and scholarships. The University has up-to-date laboratories (including an Experimental Psychology Laboratory), an excellent library and an organised tutorial system. It possesses splendid residential facilities and well organised Students' Union and offers exceptional opportunities for athletics.

2. There are adequate facilities for women students. The residence for women students is near the University and is adequately furnished. Seat rent Rs. 3 per mensem. Intending candidates for admission to the residence are advised to apply as early as possible. There is also very cheap bus arrangement for attached women students. Some stipends are specially reserved for women students of the different halls.

3. Special facilities are given to poor students of backward communities by way of rent-free seats, special stipends and remission of part of examination fees.

4. There is a special Honours course in Physics and Mathematics with no subsidiary subjects. This course provides opportunity for a special study of theoretical Physics from the Mathematical point of view.

5. Provision is made in the Department of Chemistry for advanced teaching in Physical, Organic, Applied and Bio-Chemistry. There are B.Sc. pass courses in Botany and Physiology and a B.Sc. course with Botany, Chemistry and Physics and Soil Science specially suitable for later studies in the proposed Agricultural Institute at Dacca Farm.

6. The University has fifteen departments including a Department of Bengali and a Department of Political Science, with provision for teaching in Pass, Honours and M.A. courses in these subjects, except the M.A. course in Political Science which will be opened in 1940. "Urdu" has been introduced as an independent subject for the ordinary B.A. Course as well as a subsidiary subject for Honours students.

7. Further particulars regarding admission will be sent post free on application to the Registrar.

N. AHMAD, *Registrar.*

Presidency College, Calcutta.

The 5th May 1939.

Admission—Session 1939-40.

The College re-opens on the 3rd July 1939.

1. Admission to the various classes begins immediately after the publication of the Calcutta University Examination results.

2. Candidates for admission should apply for the necessary admission forms, enclosing three-fourth anna postage stamps, and stating whether they are old students of the College or candidates seeking admission for the first time. The appropriate forms will then be sent.

3. These forms, duly filled in, should be submitted, as soon as possible, after the publication of the University Examination results. They should be addressed to the Principal (not by name) and the word "Admission" should be written on the cover. All candidates must submit their mark-sheets with their application forms.

Those obtaining the asterisk or letters of distinction in not less than two subjects in the Intermediate or three in the Matriculation Examination need not submit mark-sheets.

4. Presidency College students who pass the Intermediate and Degree Examinations and desire re-admission should note that unless they apply in the proper form with mark-sheets within a week of the publication of results, their prior claims to admission will not be recognised. Those who pass the Intermediate Examinations in the 2nd and 3rd Divisions will have no priority of claim to re-admission to the College in the third year classes. The admission of I.Sc.'s into B.A. class will go by merit.

5. No correspondence relating to admission to College or residence in the Eden Hindu Hostel will be attended to unless the application for admission is accompanied by postage stamps.

6. There are 70 part-free studentships attached to the College. Of these 60 of the value of Rs. 7 per mensem are awarded to Under-graduate students and 10 of the value of Rs. 8 per mensem to Post-Graduate students. Normally half the number is available for fresh award every year. A number of special stipends of value varying from Rs. 7 to Rs. 10 per month will also be awarded by the Director of Public Instruction on the recommendation of the Principal to non-Muslim non-Scheduled caste Hindu under-graduate students. Candidates must have distinguished themselves at the Intermediate or Matriculation Examination and must satisfy a means test.

Applications for these are received at the time of admission or in July, after the admissions are over. The award is made about the middle of August, with retrospective effect from the beginning of the session, for one year in the first instance, subject to the usual conditions of satisfactory progress and good conduct.

7. There are about 50 special concessions of Rs. 7 in fees for Mahomedan students of the first and third year classes and about 15 Mohsin stipends of Rs. 7 for first and third year classes and about three of Rs. 8 for the fifth year classes.

Session 1939-40.

The Government Commercial Institute re-opens after the long vacation on the 26th June 1939. Applications for admission in the prescribed form, obtainable from the office of the Institute, should reach the office as soon as possible after the publication of the Matriculation results of the Calcutta University in the Gazette. Applicants will, as a rule, be admitted by personal interview. Certified copies of mark-sheets must be submitted together with the application for admission to the 1st year day class and the evening shorthand class

25 per cent. of the available seats are reserved for Muslim students till 30th June, after which vacancies, if any, will go to non-Muslims.

Day course extends over two years. Accommodation is strictly limited. *Matriculates* are eligible for admission. After passing the day course examination, students may join B.A. or B.Com. classes of the Calcutta, Dacca and Allahabad Universities. A large number of prizes and scholarships including two special scholarships for students of the scheduled castes are available to poor but meritorious boys. Free studentships are awarded to Muslim students up to 15 per cent. of their annual enrolment.

Evening courses extend over one year. Candidates for Government Commercial Course Special examinations and employees in different offices and firms in Calcutta desirous of improving their prospects may take up one or more of the following subjects:—

Modern English (including Indexing and Précis-writing), Book-keeping (Junior), Book-keeping and Accountancy (Advanced), Shorthand (Theory and speed), Typewriting and Mercantile Law.

R.A. classes (*First and Final*) are held in the evening to prepare students for the Government of India Examinations for Registered Accountants (R.A.).

For prospectus *and admission form* apply to the Principal enclosing stamps worth one anna.

(2) Dastūrnāmah-i-Fārsī, Mujtabā'ī Press.
(3) Sharh-i'Abdul Wāsi', Navalkishore Press.
(4) Persian Grammar, by Phillott.
(5) Hādāyiq-ul Balāghat.
(6) Al-Mu'jam fi Ma'āīr-i Ash'ār-il 'Ajam, by Shamsi-i Qais.

Or

Paper I.—Urdu Grammar, Rhetoric and Prosody.

Books recommended :—

(1) Platt's Urdū Grammar.
(2) Misbāh-ul Qawā'id, by Fath Muhammad Khān.
(3) Qawā'id-i Urdū, by Abdul Haq.
(4) Bahr-ul Fashāhat, by Najm-ul Ghanī Khān.

Paper II.—Outlines of the History of Persian Literature.

Books recommended :—

(1) Literary History of Persia, by E. G. Browne (all the 4 vols.).
(2) Shi'r-ul 'Ajam, by Maulānā Shiblī (5 vols.).
(3) Khizānah-i 'Amirah.
(4) Tadkirah of Daulatshāh.
(5) Persian Literature, by R. Levy.

Paper III.—Persian Poetry (Qasida and Masnavi).

Selections from text-books prescribed :—

(1) Shāhnāmah of Firdausī, pages 35-42, Muassasah-i Khāvar Press, Tehrān.
(2) Masnavī of Rūmī, pages 247-292, Gibb Memorial Series edition.
(3) Dīwān-i-Ādību'l Mamālik (Armaghan Press), Qasidas beginning on the pages 1, 13, 17, 47, 53, 57, 133.
(4) Dīwān-i-Nāsir Khusrau, Tehrān edition, pages 450-459.

Paper IV.—Persian Poetry (Ghazal and Rubā'ī).

Selections from text-books prescribed :—

(1) Ghazaliyat-i-Iqbāl, Ist 20 odes of Payām-i-Mashriq.
(2) Ghazaliyāt-i Hāfiz, 20 odes, Nos. 387-407 (Tehrān edition).
(3) Khayabān-i-Irfan, pages 272-325, edited by Syed Hasan Bilgrami, Hyderabad.
(4) Ghazaliyāt-i-Wahshi Kirmānī, Tehrān edition, Radif-i Alif.

Or

Paper IV.—Urdu Literature.

Selections from text-books prescribed :—

(1) 'Ud-i Hindī, by Ghālib, letters 50-60, Navalkishore Press.
(2) Darbār-i Akbarī, by Azād (Bairām Khān, pages 157-197), Navalkishore Press.
(3) Bāl-i-Jibrīl, by Sir Md. Iqbāl, pages 5-35, 166-174.
(4) Marthiya of Anīs, volume I, first Marthiya, Navalkishore Press.
(5) Dīwān-i-Dard, first 20 odes.

Paper V.—Persian Prose.

Selections from text-books prescribed :—

(1) Tārikh-i-Guzida, Gibb Memorial Series, Chapter IV, section 6.
(2) Chahār Maqāla, 2nd Discourse.
(3) Siyasat Nāma-i-Nizāmu'l-Mulk, Chapters III-IV.
(4) Rahbar-i Nazād-i Nau, by Kāzīmzādah, Irānshahr Press, Berlin, pages 94-108.
(5) Siyāhat Nāma of Ibrāhim Beg, pp. 175-195.

Paper VI.—Outlines of the History of Persia from the earliest time down to the end of the Seljūqi Period.

Books recommended :—

(1) Syke's History of Persia.
(2) Malcolm's History of Persia.
(3) Raudat-us-Safā.
(4) Habīb-us-Siyar.
(5) Rāhat-us-Sudūr.

Paper VII.—Persian Philology.

Books recommended :—

(1) Platt's Persian Grammar.
(2) Browne's Literary History of Persia, Volume I.
(3) Persische Studien, by Hübaschmann.
(4) Grey's Indo-Iranian Phonology.
(5) Neupersische Schriftsprache (Grundriss der Iranischen Philologie), by Paul Horn.

Paper VIII.—Composition and Translation of Unseen Passages.

There shall be a *viva voce* examination for all candidates.

M. A. Degree Examination.

Course A.

*Part I Examination, 1940.**

Paper I.—Grammar, Rhetoric and Prosody.

Books recommended :—

(1) Persian Grammar, by Phillott.
(2) Persian Grammar, by Ibrāhīm Beg.
(3) Hadāyiq-ul Balāghat, by Shamsuddīn Faqīr.
(4) Al-Mu'jam fī Ma'āir-i Ash'ā-il'Ajam, by Shams-i Qais.
(5) Mīzān-ul Afkār, by Muftī Sa'dullah.

*The papers prescribed above correspond to the Honours Examination of this University.

Paper II.—Persian Philology.

Books recommended :—

(1) Platt's Persian Grammar.
(2) Browne's Literary History of Persia, volume I.
(3) Perische Studien, by Hübschmann.
(4) Grey's Indo-Iranian Phonology.
(5) Neupersische Schriftsprache (Grundriss der Iranischen Philologie), by Paul Horn.

Paper III.—History of Persian Literature.

Books recommended :—

(1) Literary History of Persia (4 vols.), by E. G. Browne.
(2) Shi'r-ul'Ajam (5 vols.), by Shiblī.
(3) Ātashkadah of Āḏar.
(4) Taḏkirah of Daulatshāh.
(5) Ma'āṣir-ul Kirām, Part II.

Paper IV.—Translation of Unseen Passages (i) from English into Persian and (ii) from Persian into English.

Part II Examination, 1941.

Paper I.—Persian Poetry.

Selections from text-books prescribed :—

(1) Qasāid-i Minūchehrī, Paris Edition, 1st nine Qasaid.
(2) Rubā'iyāt-i Khayyām, Rosen Edition.
(3) Qiranu's-Sa'dain (Aligarh edn.), pages 48-73.
(4) Qasāid-i Farrūkhī Poems Nos. 1, 2, 4, 7, 9, 10, 16, 17, 18, 22, 24, 28.
(5) Payām-i-Mashriq, by Sir Md. Iqbāl, Jamia Millia Edition, pages 11-40.

Paper II.—Persian Prose.

Selections from text-books prescribed :—

(1) Afsāna series, volume III, Khavār Press, Tehrān.
(2) Insha-i-Abul-Fazl, first 20 pages.
(3) Akhlaq-i-Jalālī, Chapters I-IV.
(4) Jijak Āli Shah, Berlin Edition, Iranshahr Press.
(5) Maqāmāt-i-Hamidi, II-VII, omitting the Arabic verses.

Paper III.—History of Islamic Civilisation.

Books recommended :—

(1) Spirit of Islām, by Sayyid Amīr 'Alī.
(2) At-Tamaddun-ul Islāmī, by Jurjī Zaidān.
(3) Tamaddun-ī 'Arab, by Sayyid 'Alī Bilgrāmī.
(4) The 'Arab Civilisation (translated from the German original by J. Hell), Cambridge, 1926.
(5) History of Islamic Civilisation, by S. Khudā Baksh.
(6) Tārīkh-ul Ummat, by Aslam Jairājpūrī.

Paper IV.—An Essay in Persian.

University of Dacca.

NOTIFICATION.

Ramna, Dacca, the 13th April 1939.

The Syllabuses of the following Departments, for the session 1939-40, are published for general information.

N. AHMAD, *Registrar.*

University of Dacca.

Syllabuses—Session 1939-40.

Faculty of Science.

DEPARTMENT OF PHYSICS.

B. Sc. (Ordinary) Degree Examination, 1941.

(First year course.)

I. (*a*) *Properties of Matter.*

Laws of motion; work, power and energy; units and dimensions of physical quantities; motion in straight and circular paths; frictions; elasticity; moments of inertia (simple cases only); gravitation; simple harmonic motion; pressure in liquids and gases; viscosity of fluids; specific gravities; capillary action.

(*b*) *Sound.*

Wave motion; production and propagation of sound; noises and musical notes and their characteristics; musical scale and intervals; interference, consonance and dissonance; vibrations of strings and air columns; resonance.

II. *Heat.*

Temperature and thermometers; expansion; calorimetry; change of state; properties of vapours; hygrometry; first law of thermo-dynamics; conduction, convection and radiation; elementary ideas of steam and other heat engines.

Laboratory work (*two periods of three hours each per week*).—The spherometer; specific gravities; Young's modulus; modulus of rigidity; simple pendulum and determination of "*g*"; atmospheric pressure and Boyle's law; surface-tension of water and mercury; velocity of sound; determination of pitch; the sonometer; Melde's experiments; expansion of solids, liquids and gases; determination of specific and latent heats; cooling; hygrometry.

(Second year course.)

III. *Light.*

Propagation of light; photometry; reflection and refraction; prisms, mirrors and lenses; the human eye and defects of vision; optical instruments; dispersion and aberration; velocity of light; polarisation and double refraction; elementary ideas of the wave-theory; reflection and refraction of plane waves from plane surface.

IV. *Magnetism and Electricity* (*two lectures per week*).

Fudamental ideas of magnetism; magnetic measurements; terrestrial magnetism; dip, declination; fundamental ideas and general theorems in electrostatics; capacity and condensers; electrical machines, electrometer; atmospheric electricity, primary and secondary cells; general effects of currents; currents and magnets; Ampere's hypothesis; aperiodic galvanometer; elementary principles of dynamos and motors;

divided circuits; Ohm's law; electromotive force; resistance, Joule's law; thermo-electricity; electro-magnetic induction; induction coils; electrical units, electrolysis, radioactivity—elementary theory only; X-Rays, elementary theory.

Laboratory work.—Refraction through prisms; refractive indices; focal lengths of mirrors and lenses; magnifying powers; the spectrometer; law of inverse squares in the case of magnets; determination of "H"; lines of force, dip; verification of Ohm's law; the tangent galvanometer; comparison of resistances and electromotive forces; the potentiometer; Wheatstone's bridge, electro-chemical equivalents.

The final examination at the end of the 2nd year will consist of two theoretical papers of three hours each and one practical examination for six hours.

Paper I.

Part I. Properties of Matter and Sound.
Part II. Heat.

Paper II.

Part I. Light.
Part II. Magnetism and Electricity.

III. Practical Examination.

Text-books recommended:—

Watson. Text-book of Physics.
Ramsay. Geometrical Optics.
Wagstaff. Properties of Matter.
Catchpool. Sound.
Poynting and Thomson. Sound.
Edser. Heat for Advanced Students.
Houston. Intermediate Light.
Edser. Light.
Hadley. Electricity and Magnetism.
Hutchinson. Intermediate Text-books of Electricity and Magnetism.
Starling. Magnetism and Electricity.
Allen and Moore. Text-book of Practical Physics.
Datta. Text-book of Practical Physics.
Ganguly. Practical Physics.

HONOURS SCHOOL OF PHYSICS.

B. Sc. (Honours) Degree Examination, 1942.

I. *Mechanics and Properties of Matter (two lectures per week).*

Motion in straight and circular paths; laws of motion, work, power and energy; units and dimensions of physical quantities; collision and impact; rotatory motion; moments of inertia, simple harmonic motion and motion about a fixed axis; simple and compound pendulums; attractions; potential, gravitation; theory of elasticity; hydrostatics; liquids in motion; Bernoulli's theorem; discharge through an orifice; water-wheels, turbines, centrifugal pumps, surface-tension and capillarity; viscosity.

II. Heat (two lectures per week).

Temperature and thermometers; expansion; calorimetry; conduction and convection of heat; change of state; properties of vapours, hygrometry, kinetic theory of gases; the continuity of states; steam and heat-engines; diffusion of gases; theory of pumps.

III. Sound (two lectures per week).

Wave motion; propagation of sound; noises and musical notes; musical scale; interference, transverse vibration of strings; longitudinal and torsional vibrations of bars; plane waves of sound; vibration of air-columns in pipes; resonance, analysis of vibrations; combination tones, consonance and dissonance; the ear and musical instruments.

Laboratory work (three periods of three hours each per week).—The balance; sensibility curve; calibration of weights; the cathetometer; density determination with corrections; determination of elastic constants; determination of "*g*" by simple and compound pendulums; surface-tensions; viscosity; moments of inertia, expansion of liquids; expansion of solids and liquids by weight thermometers; calibration of thermometer tubing; experiments on specific heat; steam calorimeter; hygrometry; vapour-density; conductivity; mechanical equivalent of heat.

IV. Light.

(*a*) *Geometrical Optics.*—Photometry; reflection and refraction; mirrors, prisms, lenses; Farmat's law; aberration; caustics; dispersion and achromatism; optical instruments; velocity of light.

(*b*) *Physical Optics.*—Wave theory; interference and diffraction; polarisation and double-refraction; spectroscopy; theories of dispersion and radiation.

V. Statical Electricity and Magnetism.

(*a*) *Statical Electricity.*—General phenomena and general theorems; potential and energy in electrified system; capacity; dielectrics and specific inductive capacity; atmospheric electricity.

(*b*) *Magnetism.*—General phenomena and general theorems; inverse square law; magnetic fields; induced magnetisation; magnetic properties of materials; magnetic susceptibility and permeability; para-ferro-and diamagnetism; terrestrial magnetism; magnetism and light.

VI.—Thermadynamics and Radiation.

The laws of thermodynamics and their applications to various problems; equillibrium of systems; the phase rule; theory of the galvanic cells; thermo-electric phenomena; the Nernst heat-theorem; theory of radiation; Kirchhoff's law; theory of exchange; Stefan's law, Wien's displacement law; Planck's Radiation formula.

Laboratory work (three periods of three hours each per week).—

Light: Laws of geometrical optics; mirrors, prisms and lenses; optical bench; optical instruments; magnifying powers; the spectroscope and the spectrometer; bi-prisms; Newton's rings; polarimeter.

Sound: Velocity of sound; frequency of vibrations of strings; vibrations of air column.

Magnetism: Fundamental properties and laws; magnetometry; oscillations of a magnet in a magnetic field; the earth's magnetic field.

VII. Current Electricity (three lectures per week).

The electric current: Ohm's law; electromotive force and resistance; electrolysis; thermo-electricity; electro-magnetics; varying currents; alternating currents; units and dimensions; electro-magnetic radiation;

Electromagnetic theory—fundamental equations; early experimental verifications; refraction in isotropic media; dispersion.

VIII. Modern Physics.

Gaseous conduction; the atomic nature of electricity; electron; determination of charge and mass; X-Ray, modes of production; fluorescent and continuous radiations; works of Barkla, Moseley and Bragg; determination of characteristic wave length; radioactivity; elementary ideas of the Quantum Theory.

Laboratory work (five periods of three hours each per week).—

Current electricity; measurement of current, electromotive force and resistance; electrolysis; induced currents; comparison of capacities,

IX. Wireless.

Modes of generation and reception. Principles of wireless telephony.

Examinations.—Five papers of three hours each and a practical examination for 18 hours.

B. Sc. Honours.

Text-books recommended:—

Loney. Dynamics of a Particle and of Rigid Bodies.
Newman and Searle. The General Properties of Matter.
R. N. Ghosh. Sound.
Saha and Srivastava. A Text-book of Heat.
Roberts. Heat and Thermodynamics.
Bloch. The Kinetic Theory of Gases.
Houston. Treatise on Light.
Preston. Theory of Light.
Hoare. Thermodynamics.
Wood. Physical Optics.
Heath. Elementary Treatise on Geometrical Optics.
J. J. Thomson. Mathematical Theory of Electricity and Magnetism.
Jeans. Mathematical Theory of Electricity and Magnetism.
Weatham. Theory of Experimental Electricity.
Starling. Electricity and Magnetism.
Crowther. Ions, Electrons and Ionising Radiations.
Millikan. Electron (–, +), Proton and Neutron.
Fajans. Radioactivity.

For reference:—

Loney. Elementary Treatise on Statics.
Barton. Text-book on Sound.
Richardson. Text-book of Sound.
Wood. Text-book of Sound.
Preston. Theory of Heat.
Planck. Treatise on Thermodynamics.
Ramsey. Elementary Geometrical Optics.
Southall. Mirrors, Prisms and Lenses.
Michelson. Light-Waves and Their Uses.
Michelson. Studies in Optics.
Lyman. Spectroscopy of the Extreme Ultra-Violet.
Debye. Polar Molecules.
Richtmyer. Introduction to Modern Physics.
G. P. Thomson. The Atom.
Havesy and Paneth. Radioactivity.

For practical work the following books are recommended:—

Watson. Text-book of Practical Physics.
Allen and Moore. Practical Physics.
Worsnop and Flint. Advanced Practical Physics.

Physics for the M. Sc. Degree Examination, 1940.

Two years' course for Ordinary students.

Part I.—M.Sc. Course for 1940.

Light.—Physical Optics (same as for B.Sc. Honours); static and current electricity and magnetism (same as for B.Sc. Honours); radiation and thermodynamics (same as for B.Sc. Honours); gravitation, theory of elasticity, including theory of vibration; capillarity and viscosity of liquids and gases; kinetic theory of matter.

Part I.—M.Sc. Examination will consist of three theoretical papers and a two days' practical examination.

Paper I.—General Physics and Thermodynamics.
Paper II.—Physical Optics and Radiation.
Paper III.—Electricity and Magnetism.
Practical Examination for two days.

Part II.—M.Sc. Course for 1941.

Part II (by Examination).

Paper I.—**Electro-magnetic Theory, Electron Theory, Classical** Optics.

Paper II.—**Quantum Theory including its application in X-Ray, Spectroscopy, Magnetism and Constitution of matter and general ideas about radio-activity.**

Paper III.—One of the following subjects:—

(*a*) Wireless Telegraphy and Telephony.
(*b*) X-Ray and Crystallography.
(*c*) Relativity and wave mechanics.

Paper IV.—(100 marks) Practical Examination on the general subjects extending over two days.

Paper V.—(100 marks) Practical Examination on the special subject extending over two days.

Practical.

General subjects.

Measurement of Self Inductance and Mutual Inductance, and capacity.
Lorentz's method of determining the absolute value of an Ohm.
Determination of e/m by a diode valve.
Characteristic curves of diodes and triodes.
Heterodyne method of determining K.
Lecher wire waves.
Spectrum Photography (ultra-violet and visible).
Michelson's Interferometer.
Dispersion of birefringence and rotation of the plane of polarisation of quartz.
Debye Scherrer photograph.

Practical.

Special subjects.

(I) *Wireless Telegraphy and Telephony.*

Miller's method of measuring the amplifying power and slope resistance of a valve.
Construction of undamped Oscillatory Circuits: (Hartley and Tuned anode); measurements of wavelengths.
High frequency measurement of self and mutual inductance and resistance of a coil; verification of self-inductance by calculation.
Determination of the antenna constants.
Construction of damped Oscillatory Circuits and its calibration.
Production and reception of damped waves—determination of decrement (for the aerial and the wavemeter circuits).
Generation of unmodulated waves—determination of wavelength by heterodyne principles.
Reception of wireless waves: (*a*) construction of a two-valve set (tuned-anode coupling); (*b*) Addition of a Reaction coil; (*c*) addition of a L. F. stage transformer coupling.
Construction of thermionic voltmeter and its calibration.
Determination of the field-strength.
Generation of ultra-short waves and determination of wavelengths by Lecher-wires: measurement of the dielectric constant of a liquid.
Generation of modulated waves and its reception.
Determination of the degree of modulation.
Simple experiments with cathode ray oscillograph.

(II) *X-Rays and Crystallography.*

Setting up of a Hadding Tube.
Spectroscopy of X-Rays.
Absorption Spectroscopy of X-Rays.
Powder Photograph.
Laue Photograph.
Rotation Photograph.

(III) *Spectroscopy (For Group C).*

Photographic photometry.
(Intensity measurements and absorption measurements).
Concave Grating.
Zeeman Effect by Lummer Gehrke Plate.
Raman Effect.
Fabry and Perot Etalon—Fine structure of spectral lines.

Text-books recommended:—

Drude. Theory of Optics.
Richardson. The Electron Theory of Matter.
Lorentz. Theory of Electrons and its Applications.
Lorentz. Problems of Modern Physics.
Cunningham. Principles of Relativity.
Debye. Polar Molecules.
Haas. Introduction to Theoretical Physics. Vols. I and II.
Turner. Wireless.

Chemistry, Physiology, Botany and Soil Science.

B.Sc. Pass.

Chemistry.

Physical Chemistry.

Theoretical.—Essential features of chemical and physical change. Laws of chemical combination by weight and volume, atomic theory: Avogadro's hypothesis and its application; determination of molecular weights; dissociation of gases, elementary knowledge of (1) the Kinetic Theory of Gases, (2) Theory of Solutions, (3) Electrolytic Dissociation Theory, (4) Chemical equilibrium, (5) Velocity of chemical reactions (6) Catalysis, (7) Thermal changes accompanying chemical reactions and (8) Colloidal solutions.

Books recommended as texts:—

1. Introduction to Physical Chemistry, by Sir James Walker.

or

2. Physical Chemistry, by G. Senter.
3. Text-book of Physical Chemistry, by P. C. Raychoudhury.

Organic Chemistry.

Theoretical.—General principles of organic analysis. Preparation and properties of the following:

Methane and ethane and their simple derivatives, viz., halogen derivatives, alcohols, ethers, aldehydes, ketones, acids, esters, acetyl chloride, acetic anhydride, acetamide, amines, cyanogen compounds, ethylene, acetylene, glycol, glycerine, cane-sugar, dextrose, fructose, starch, lactic acid, oxalic acid, succinic acid, malic acid, citric acid, tartaric acid, urea, benzene and toluene and their simple derivatives, viz., monohaloid, nitro, amino, hydroxy and sulphonic acid, benzyl alcohol, benzaldehyde, acetophenone benzoic acid, salicylic acid.

Practical.—Identification of the following organic substances given single:—

Methyl alcohol, ethyl alcohol, chloroform, ether, acetone, formaldehyde, glycerine, formic acid, acetic acid, oxalic acid, tartaric acid, citric acid, cane-sugar, glucose, starch, urea, benzene, aniline, phenol, benzoic acid.

Determination of melting and boiling points of organic compound.

Text-book recommended:—

Cohen's Organic Chemistry.

Inorganic Chemistry.

Theoretical.—Preparation and properties of the following elements and their chief compounds:—

Oxygen, hydrogen, nitrogen, helium, argon, fluorine, chlorine, bromine, iodine, sulphur, boron, carbon, silicon, phosphorus, arsenic, sodium, potassium, calcium, strontium, barium, magnesium, manganese, iron, nickel, cobalt, tin, lead, antimony, bismuth, gold, silver, copper, zinc, mercury, cadmium, aluminium, chromium.

Chemical notation and nomenclature. Interpretation of chemical formulæ. Classification and mutual relation of elements. Compound radicals. Double decomposition, allotropy.

Practical.—Qualitative analysis of inoganic substances containing not more than two salt radicals.

Volumetric estimation of alkalis, alkaline carbonates, acids, iron, silver, barium, copper and iodine.

Gravimetric estimation of copper sulphate or any similar substance.

Books recommended as text-books:—

Inorganic Chemistry, by Partington.
Qualitative Chemical Analysis, by Mollow Perkin.
Quantitative Chemical Analysis, Part I, by Caven.

Soil Science.

1. *Theoretical.*—

Geology and Mineralogy of Soils.—The origin of soil. Structural basis of mineral soils and study of ordinary soil minerals like felspar, kaolin, halloysite, talc, muscovite, beidellite, montmorillonite, glauconite, hornblende, olivine, etc. The main types of geological deposits, their occurrences and the conditions for their formations.

Processes of Development of Soil Profiles.—The Science of Pedology. Weathering processes and development of the soil profile. Nature of sub-soils. How soil profiles are modified by agricultural operations. Pan formation.

Composition of soils from physical and chemical standpoints.—The nature and usefulness of sand, silt, clay, organic matter and calcium carbonate from agricultural point of view. Distinction between crystalline and amorphous products of weathering. The nature of soil organic matter. Fractionation of humus.

Mechanical Analysis and soil structure.—General principles of mechanical analysis. The relation between the properties of soils and their mechanical analysis. Soil texture and soil crumbs and their influence in determining plant growth.

Soil colloids, base exchange and soil nutrients.—Some general ideas regarding the nature of soil colloids. Base exchange in soils. Soil reaction, acidity and lime requirement. Roles of ordinary plant nutrients, phosphorus, nitrogen and potassium. Total and available plant food material, how made available by agricultural operations.

General Physical properties of soils.—True and apparent density. Pore space. Heat relationships. Shrinkage. Plasticity.

Soil moisture and soil temperature.—Forms in which moisture is held by the soil. Soil moisture constants. Capillarity and the moisture equivalents. Wilting point and hygroscopic moisture. Variations of soil temperature. Surface and sub-soil drainage of rain-water.

Soil microbiology.—The role of soil micro-organisms. Carbon and nitrogen cycles. The mode of formation of soil organic matter and the usual percentages of carbon present in it. The significance of carbon nitrogen ratio of the soil organic matter.

Artificial Manures.—General principles of artificial manures. Retention of manures by soils.

II. *Practical:*—

1. Chemical analyses of soils, silica and sesquioxides.
2. Determination of organic carbon in the soil by wet combustion method.
3. Determination of total nitrogen in the soil by Kjeldahl's method.
4. Determination of more important available soil nutrients (P, K, NO_3—nitrogen and NH_4—nitrogen).
5. Determination of carbonates in soils.
6. Determination of total exchangeable bases and lime requirement of soils. Determination of the degree of saturation.
7. Determination of maximum water-holding capacity of soils (Keen—Raezkowski Box Expt.), swelling of soils, density and pore-space.
8. Mechanical analysis of soils.
9. Determination of moisture content at the point of stickiness.
10. Determination of pH of soils by colorimetric method and by quinhydrone method.

Recommended books on Soil Science for B.Sc. Pass:—

Association of Official Agricultural Chemist (U.S.A.) Official and Tentative methods of Analysis of the Association of Official Agricultural Chemists, Washington D. C., latest edition.

Physiology.

Theoretical.

Paper I.

1. Elementary knowledge of the Chemistry of (*a*) Carbohydrates, (*b*) Proteins, (*c*) Fats, (*d*) other constituents of food-stuffs.
2. Organs involved in digestion and absorption of food.
3. Chemical processes involved in Digestion (Engyme actions): Digestion in the Mouth, Stomach and Intestines.
4. Chemistry and Microscopical appearance of Milk.
5. Preliminary Knowledge of the Chemistry of Blood.
6. General Physiology of Blood.
7. The circulation of Blood.
8. Respiration—Internal and External (the transport of O_2 and CO_2).
9. Properties and General Physiology of Contractile Tissues.
10. Minute Anatomy of Salivary glands, Oesophagus, Stomach, Small and Large Intestines, Pancreas, Liver, Lungs, Blood and Lymph.

Paper II.

1. Chemical Composition of Tissues.
2. Chemistry of Urine—important constituents only.
3. Excretion by Kidneys, Skins, Lungs and Liver.
4. Nutrition.
5. Internal secretions—Insulin, Adrenaline, Thyroxin, and Pituitrin.
6. Intermediate Metabolism of (*a*) Carbohydrates, (*b*) Proteins, (*c*) Fats.
7. Vitamins A, B, C and D; broad classification, occurrence and properties.
8. Function and General Physiology of Nerve Cells and Nerve Fibres.
9. Physiology of the Brain and Spinal Cord and of the Sympathetic Nervous system.
10. Physiology of the Organs of Sense.
11. Mechanism of Locomotion, Voice and Speech.
12. Histology and development of the Cell.
13. Production and regulation of Heat.
14. Minute anatomy of Elementary tissues, Spleen, Lymphatic glands, kidneys, skin, tongue, spinal cord, cerebellum, cerebrum, thyroid and thymus.

Practical.

Chemical Physiology:—

1. Proteins—general reactions; test for albumins glutelins and peptones; Detection of these proteins.
2. Carbohydrates—Glucose (Monosaccharide), Sucrose, Lactose (disaccharides), starch and glycogen (Polysaccharides); detection of these Carbohydrates.

3. Fats—general reactions.
4. Digestion—Salivary and gastric (only with pepsin) and intestinal (only with trypsin).
5. Blood—general reactions; clotting and its prevention; tests for blood salts.
6. Urine—qualitative tests for (*a*) urea, uric acid and Creatinine, (*b*) Albumin, Blood, Bile, (*c*) Quantitative examination of Chlorides, Albumin and Sugar.
7. Milk—Reactions and tests for the chief constituents.

Experimental Physiology:—

Simple muscle curve (S.M.C.).
Effect of temperature on S.M.C.
Effect of load on S.M.C.
Effect of fatigue on S.M.C.
Effect of drugs on S.M.C.
Tetanus effect on S.M.C.
Summation curves (different stage).
Cardiogram of Frog's heart.
Effect of drugs on Cardiogram of Frog's heart.

Histology:—

1. Use of a compound microscope.
2. Circulation of blood in tad-poles tail.
3. Examination of (*a*) Frog's blood, (*b*) Human Blood.
4. Differential count of white blood corpuscles of human blood.
5. Hæmin crystals of blood.
6. Microscopical examination of (*a*) Lymph, (*b*) Milk.
7. Preparation and staining of the Mesentery of a frog.
8. Demonstration slides showing minute anatomy of the elementary tissues, Salivary glands, Œsophagus, Stomach, small and large intestines, pancreas, Liver, Spleen, lymphatic gland, Thymus, thyroid, kidney, lung, skin, tongue, spinal cord, cerebellum, cerebrum.
9. Staining and examination of the above tissues.
10. Study of the following instruments (Physiological):—

1. Thomazeiss Hæmo-cytometer.
2. Hellige Neoplan Hæmometer.
3. Sphygmomanometer.
4. Sartorious students rocking and swift's freezing microtones.
5. Ergograph.
6. Sphygmograph.

Botany.

Pass Course.

There will be two papers of three hours' duration each and carrying 100 marks each. There shall be a Practical Examination of six hours' duration carrying 100 marks.

The papers shall be distributed as follows:—

Paper I—Morphology, Histology, Gymnosperms and Angiosperms.
Paper II—Cryptogams, Physiology, Ecology and Genetics.

The Practical Examination shall include:—

(1) Histology—Making of sections and descriptions accompanied by labelled sketches.
(2) Description and indentification of Phanerogamic specimens.
(3) Identification of specimens and preparations (chiefly from Cryptogams).
(4) Physiology—Setting of the simple experiments or explanation of the use of apparatus.

Curriculum for B.A. and B.Sc. (Pass) in Botany.

The course shall include the following:—

1. *Morphology*.—A general study of the structure and life-history of representative types belonging to the main divisions of the plant kingdom.

2. *Histology*.—A detailed knowledge of the structures of the cell and cell-contents, cell-divisions, cell fusion, and Primary and Secondary tissues.

A general knowledge of the histology of the principal vegetative and reproductive organs from the Ecological and Embryological point of view.

3. *Vegetable Physiology.*—A general knowledge of the physiology of Nutrition, Growth and Movements, special attention shall be paid to the following:—

Physiology of the cell; intake of water by plants; loss of water by plants; the elements absorbed by the plants; assimilation of Carbon and Nitrogen by Autotrophic and Heterotrophic plants; digestion in plants; Respiration and Fermatation; translocation of plastic food materials; growth and factors influencing it; various kinds of movements; the important tropisms; nasties, and taxies, asexual and sexual reproductions.

4. *The classification of plants.*—Elementary knowledge of the principles of classification; outlines of the main systems of classification. A general knowledge of the life-history and relationships of the following groups of plants:—

i. Schizomycetes—Bacteria.
ii. Schizophyceae—Oscillatoria.
iii. Conjugatae—Spirogyra.
iv. Chlorophyceae—Chlamydomonas, Volvox, Vaucheria, Ulothrix, Oedogonium.
v. Charophyta—Chara.
vi. Phaeophyceae—Fucus.
vii. Rhodophyceae—Nemalion.
viii. Eumycetes—Phytopthora, Pythium, Perenospora, Mucor, Ustilago, Puccinia and Agaricus. A general knowledge of the plant diseases caused by some of the above mentioned fungi and a broad outline of the principles of control.
ix. Archegoniate—(*a*) Bryophyta—Riccia, Marchantia, Anthoceros, and a Moss.

(*b*) *Pteridophyta*—Pteris or Aspidium and Marsilea. Equisetum, Lycopodium, Selaginella.

x. Spermatophyta—(*a*) Gymnosperms—Cycas and Pinus.

(*b*) Angiosperms—A detailed knowledge of the life-history of a typical Monocot. and a Dicot. flowering plant. A knowledge of typical representatives of the following families with special reference to the crop plants, and fruit trees and their economic importance.

Monocotyledons:—Gramineae, Palmaceae Liliaceae, and Scitamineae.

Dicotyledons:—Nymphaeaceae, Ranunculaceae, Anonaceae, Papaveraceae, Cruciferae, Leguminoseae, Rutaceae, Euphorbiaceae, Anacardiaceae, Tiliaceae, Malvaceae, Myrtaceae, Umbelliferae, Apocynaceae, Asclepiadaceae, Convolvulaceae, Labiatae, Solanaceae, Curcurbitaceae, Compositae, Rubiaceæ, and Sapotaceæ.

5. *Ecology*—General principles of the ecology of plants.

6. *A general knowledge of Economic Botany*—Use and cultivation of some more important economical plants (rice and other cereals, pulses, vegetables, fruit trees, sugar-producing plants and fibre-producing plants, oil seeds.

7. A general knowledge of the outlines of Genetics and plant breeding.

Practical.

1. Making, staining, and description of microscopical preparation of plants.

2. The description of plants and parts of plants in technical language and referring them to their natural orders.

3. Drawing of dissections of flowers and their parts and of microscopical preparations.

4. Physiological Experiments.—Water culture experiments; Transpiration and Root pressure experiments; Experiments on Photosynthesis; Experiments on Respiration and Fermentation, Movements of Growth; Germination experiments.

5. Technique of hybridization in sweet peas emasculation, crosspollination, and bagging.

6. Excursions shall be made for the study of systematic and ecological study of plants in nature and a record of the observations made in the field maintained.

7. The laboratory note books and records of field work of candidates shall be inspected and marked by Examiners, and if they are found to be unsatisfactory, the candidates will be disqualified. Note books which have not been signed at frequent intervals by the teacher under whom the candidate worked will not be accepted.

Text-books recommended :—

ix. H. E. Walter—Genetics.
x. Tansley—Practical Ecology.

B. Sc. Honours.

Physical Chemistry.

Paper I.—

Theoretical.—Laws of chemical combination by weight and volume; atomic theory and Avogadro's hypothesis; molecular weights of gases; Kinetic theory of gases;

Liquefaction of gases; viscosity and surface tension of liquids. Law of conservation of energy; energy changes in chemical transformation.

Second Law of thermodynamics; vaporisation of liquids and fusion of solids.

Osmosis; theory of solution; thermodynamic treatment of the properties of solutions.

Laws of electrolysis; molecular conductivity of electrolytic solutions.

Transport number of ions; electrolytic dissociation theory.

Chemical changes in homogeneous systems; Law of mass action; reaction isochore; velocity of mono and bimolecular reactions; determination of the order of reaction, equilibrium in electrolytic solutions; theory of indicators.

Chemical changes in heterogenous systems; catalysis, Phase rule.

Theory of Galvanic cells; absolute value of single electrode potential; decomposition potential; concentration and gas cells.

Determination of Avogadro's number.

Elements of quantum theory, specific heat, structure of the atom.

Practical—

1. Determination of Mol. Wts.—

(*a*) Chemical Method.
(*b*) Victor Meyer's Method.
(*c*) Freezing point Method.

2. (*a*) Partition co-efficient of I_2 between water and carbon tetrachloride.

(*b*) Study of the equilibrium $KI + I_2 = KI_3$.

3. (*a*) Partition co-efficient of aniline between water and benzene.

(*b*) Degree of hydrolysis of aniline hydrochloride.

4. Density of liquids at diffent temperatures.
5. Viscosity of liquids at different temperatures.
6. Refractive index of liquids at different temperatures.
7. Polarimeter—

(*a*) Specific rotation of cane sugar.
(*b*) Rate of Inversion of cane sugar.

8. Comparison of strength of acids by hydrolysis of methyl acetate.
9. Saponification of ethyl acetate.
10. Adsorption of acetic acid by charcoal.
11. (*a*) Preparation of arsenic sulphide sol.
(*b*) Coagulation values of KCl, $BaCl_2$ and $AlCl_3$.

12. Solubility product.
13. Transport number.
14. Heat of solution.
15. Heat of neutralisation.
16. Conductivity measurements—

(*a*) Cell constant.
(*b*) Verification of Ostwald's dilution law.
(*c*) Solubility of sparingly soluble salts.
(*d*) Degree of hydrolysis of aniline hydrochloride.
(*e*) Conductometric titration.

17. E. M. F. measurements—

(*a*) Preparation of calomel electrode.
(*b*) Single electrode potential.
(*c*) Potentio-metric titration.

Organic Chemistry.

Paper II.—

A thorough knowledge of general organic Chemistry including the Chemistry of Ketonic esters and diketones, of the heterocyclic systems, furane, thiophene, pyrrole, diazoles and diazines, pyridine, quinoline, iso-quinoline; of the amino acids, polypeptides and purines; of condensation reactions; of the polymethylene group including the application of Baeyer's Strain Theory of the carbohydrates, glucose, arabinose, xylose and fructose; of the terpenes terpeneol, dipentene, pinene, camphor, citral and ionone; of the alkaloids piperine, cocaine and papaverine; the stereochemistry of carbon; the more important types of synthethic drugs; a general knowledge of isomerism and isomeric change.

Practical.—

(*a*) Detection of the following groups of compounds given singly:—

Hydrocarbon, aldehyde, ketone, acid, ester, ether, phenol, nitro, primary, secondary and tertiary amine, amide, imide, substituted amide, purines, mercaptan, sulphide, sulphone, sulphonic acid, haloginated hydrocarbon, aldehyde, acid, phenol, etc.

(*b*) Preparation of the following classes of derivatives where possible:—

Picrate, ether, ester, oxime, hydrazone, semicarbazone, phenyl hydrazone, osazone, nitro, amino, azo, nitroso-derivatives, oxidation, reduction and halogination products.

(*c*) Preparation of the following substances:—

methyl iodide, amyl nitrite, acetylchloride, nitromethane, ethyl malonic acid, nitrobenzene, aniline, acetanilide, p-nitraniline, p-iodotoluene, sulphanilic acid, methyl orange, flourescein, salicyl aldehyde, methyl benzoate, cinnamic acid, anthranilic acid, lactose from milk, tryptophane, cystin and cholesterol.

Inorganic Chemistry.

PART I.

Paper III.—

Theoretical.—A detailed study of the typical elements and the various types of compounds (*e.g.*), polar and non-polar, simple, double and complex, etc.

Principles of metallurgy and elements of metallography.
Elements of crystallography.
Outlines of the development of Chemistry giving special stress on Mendeleeff's classification (views regarding atomic number and valency).

Practical.—Qualitative analysis of inorganic substances or mixtures containing not more than five radicals.

1. Estimation of Iron as Fe_2O_3, Barium as $BaSO_4$, Zinc as $ZnNH_4PO_4$, Silver as AgCl and Manganese as $Mn_2P_2O_7$.

2. Separation of Iron and manganese, estimation of Iron-Volumetrically, Manganese as $Mn_2P_2O_7$. To prepare a standard solution of $FeSO_4$ $(NH_4)_2SO_4$, $6H_2O$. To prepare a standard solution of sodium oxalate. To prepare a solution of $KMnO_4$ and to standardise it with

(*a*) $FeSO_4$, $(NH_4)_2SO_4$, $6H_2O$.
(*b*) $Na_2C_2O_4$.

To estimate Fe^{+++} with $KMnO_4$ in presence of chloride (using Reinhart's solution).
To estimate manganese in the presence as well as absence of iron by Volhard's method. To prepare a standard solution of $K_2Cr_2O_7$.
To estimate Fe^{+++} with $K_2Cr_2O_7$ with external indicator and with internal indicator.

3. Separation of *Cu and Ni*:— Cu and Zn.

Cu—Volumetrically.
Ni—by dimethyl glyoxime.
Zn—as $Zn_2P_2O_7$ or Zn NH_4PO_4.
To prepare a standard solution of Iodine. To standardise a Thiosulphate solution by I_2, $K_2Cr_2O_7$ or $KMnO_4$. To prepare a starch solution.

4. Separation of Ca and Mg, estimation of Ca—Volumetrically, estimation of Mg—by 8—oxyquinolin. To prepare standard $KBrO_3$ and KBr. Solution.

5. Estimation of halogens—by Volhard's method, estimation of Chloride by $AgNO_3$ Fluorescein as adsorption indicator.

6. Estimation of Phosphoric acid.

7. Estimation of Lead.

PART II.

Either.

Study of the properties of radioelements and their radiations.

Practical.—

1. Practice in charging electroscope at voltages corresponding to the scale divisions and calibration of electroscope.
2. Measurement of relative radio-activity of different sources.
3. Estimation of adsorption co-efficient of the *B* rays.

Colloid Chemistry.

Theoretical.—Surface tension, Gibb's theorem and adsorption, unimolecular and multimolecular layers.

Electro-Kinetic phenomena—cataphoresis, Electrosmosis, Streaming potential.

Preparation and properties of colloidal solutions—lyophobic and lyophilic sols. and their properties, *e.g.*, Tyndal effect, Viscosity, Surface tension, Osmotic pressure; Brownian movement and its application in determining Avagadro Number; Coagulation and peptisation.

Ultramicroscope—description and use.

The electric charge of a colloidal particle.

Donnan Membrane Equilibrium.

Protective colloids, Isoelectric point, colloidal Electrolyte, Theory of Emulsions. Gels—detailed study of its properties—Swelling—The sol-gel transformation—Chemical reactions in gels—Liesegang's ring. Colloidal behaviour of Protein.

Practical.—Preparation of Zsigmondy's Gold hydrosol, Bredig's Gold sol, Arsenic trisulphide sol, Vanadic acid sol and Ferric hydroxide sol.

Measurement of Cataphoretic velocity ultra—microscopically, electrophoresis—measured by the Bubble method, coagulation and change in viscosity of colloidal solutions, the Hardy—Schulze Rule of Valency in coagulation, the "Gold Number," measurement of surface tension of solutions by the Ring method, studies in emulsions by the "Donnan's pipette," the Isoelectric point of protein, the Traube's Rule and adsorption.

Paper IV.

Either.

Applied Chemistry.

Theoretical.—Technology of fuels. A general study of the following (including methods of manufacture):—

Sulphuric acid, sodium and potassium salts, caustic soda, hydrochloric acid, chlorine, bleaching powder, nitrogen compounds, fertilisers, aluminium sulphate, cement, glass and ceramics.

Fuels, carbonisation of coal, petroleum and coal tar industry; distillation of wood; oils, fats and related industries; sugar, starch, cellulose and related industries; general properties of enzymes and their industrial application.

Metallurgy of iron.

Practical.—

1. Analysis of coal.

(*a*) moisture, (*b*) volatile matter and coke, (*c*) ash, (*d*) sulphur.

2. Analysis of water—

(*a*) total solid, (*b*) hardness—temporary and permanent, (*c*) chlorine, (*d*) organic matter, (*e*) ammonia, (*f*) iron, (*g*) dissolved oxygen.

3. Gas analysis.

(*a*) CO_2, (*b*) O_2, (*c*) olefines, (*d*) CO.

4. Estimation of cane sugar and glucose by (*i*) Fehling solution method and (*ii*) Benedict method.

5. Analysis of oils and fats.

(*a*) Saponification value, (*b*) Iodine value, (*c*) Reichart-Meissel value, (*d*) Polenske value, (*e*) acid value.

6. Soap analysis—(*a*) moisture, (*b*) total alkali and acid, (*c*) filling matter if any.

7. Estimation of tannin (Hide powder method).

8. Lubricating Oil (Sp. gr., Fl. Pt., viscosity, volatility).

9. Milk analysis—Sp. gr., fat, total solid.

Bio-Chemistry.

Theoretical.—Cell structure.

Carbohydrates, classification and general knowledge of structure and properties. Photosynthesis. Metabolism.

Proteins—their composition and hydrolysis, amino-acids, group analysis by Van Slyke and other important methods. Their structure and molecular weight, colloidal behaviour and isoelectric point of protein solutions. General reactions of proteins.

Protein classification. Metabolism in plants and animals. Biological value of proteins.

Lipoids, Waxes and Fats. Classifications of fatty acids. Methods for the characterisation of fats and oils, rancidity of fats and oils. Metabolism of fats, *B*-oxidation.

Enzymes—Classification. Study of the principal enzymes.—

Extraction, purification, pH dependence, activation and inhibition of enzymes, mechanism of enzyme action.

Mechanism of biological oxidations—Respiration in plants and animals. Alcoholic fermentation. Chemistry of muscular contraction.

Mechanism of acetic acid fermentation.

Food-stuff—composition, digestion in the mouth, stomach and intestine. Absorption. Metabolism including inorganic metabolism. Vitamins including general knowledge of the occurrence, properties, methods of assay and chemical structure.

Elementary knowledge of carotinoids, sterols and bile acids.

Hormones including the thyroid, parathyroid, pituitary, adrenal, pancreatic and sex hormones.

Elements of microbiology including a general knowledge of protozoa, fungi, yeast and bacteria. Classification of bacteria. Study of soil micro-organisms and their effect on plant nutrients.

Practical.—

1. Microscopy; technique of staining the stock cultures; Gram staining. Isolation and purification of bacteria (Nitrogen fixing). Bacteriological examination of soil.

2. Methods of extraction, purification and estimation of invertase, of proteolytic ferments—trypsin, pepsin, papain and of oxidising enzymes.

3. Colorimetric determination of pH.

4. Test for proteins and sugars—identification of sugars.

5. *Determination of saponification value, iodine number and* Reichert-Meissel value of fats.
6. Estimation of amino acids by (i) Willstatter's method, (ii) Sorensen's method.
7. Van Slyke's method for determination of amino nitrogen and Kjeldahl's method of estimation of total nitrogen.
8. Estimation by an enzyme (starch by Takadiastase).
9. Biochemical preparations—cystine, glutamic acid and pure casein.
10. Estimation of glucose, calcium, phosphorus and albumin in urine.

Physics and Chemistry of Soils.

I. *Theoretical.*—In addition to the syllabus of the B.Sc. Soil Science Course, special study of the following will be necessary:—

Knowledge of the gradual development of Soil Science in different countries of the world. The relation of Soil Science with practical agriculture.

Principles and uses of soil classification. The Great Soil Groups of the world. Classification and general properties of the soils of India. General methods of soil survey and soil mapping. Geographical distribution of soils.

Detailed knowledge of the principles and methods of mechanical analysis and of aggregate analysis. Soil texture and soil factors bearing on cultivation. Soil crumbs and soil tilth.

Movement of salts in soil. Rise of moisture in soil. Drainage, conservation of moisture, the water-table, effects of precipitation and evaporation; formation of pans. Drought and water-logging. Influence of manures and agricultural practices on the conservation of soil moisture.

Types of soil erosion. Methods of preventing soil erosion and their relation to agricultural practices. Role of boron, silicon, manganese, copper, etc., plant nutrition.

Detailed knowledge of the nature and structure of soil colloids. Analogy of clay complexes with isoelectric precipitates. Crystalline character of the clay complex. Electro-dialysis. Suspension effect.

General principles of soil reclamation. Reclamation of different types of soils, *e.g.*, peat, alkali soils, etc.

Different types of soil organisms. Nitrification, nitrogen fixation, denitrification. Effects of partial sterilisation.

II. *Practical.*—In addition to the exercises in the Pass Soil Science Course, the following experiments are to be carried out:—

1. More detailed chemical analysis of soils, silica, iron, aluminium, titanium, manganese, calcium, magnesium, potassium.
2. Determination of organic carbon in the soil by dry combustion method.
3. Chemical analysis of different exchangeable bases present in the soil, *e.g.*, calcium, magnesium, sodium and potassium.
4. Determination of the heat of wetting of soils.
5. Measurement of pH by hydrogen electrode.
6. Potentiometric and conductometric titrations of clay acids.

PART I.

Physical Chemistry.

Theoretical.—Laws of chemical combination by weight and volume, atomic theory and Avogadro's hypothesis; molecular weight of gases.

Kinetic theory of gases.

Liquefaction of gases: Viscosity and surface tension of liquids. Law of conservation of energy; energy changes in chemical transformation. Second Law of thermodynamics; vaporisation of liquids and fusion of solids.

Osmosis; theory of solution: Thermodynamic treatment of the properties of solutions.

Laws of electrolysis; molecular conductivity of electrolytic solutions.

Transport number of ions; electrolytic dissociation theory.

Chemical changes in homogeneous system; Law of mass action; reaction isochore; velocity of mono and bimolecular reactions; determination of the order of reaction, equilibrium in electrolytic solutions; theory of indicators.

Chemical changes in heterogeneous system; Phase rule; catalysis; colloidal solutions.

Theory of galvanic cells.

Decomposition potential; concentration and gas cells. Determination of Avogadro's number.

Practical.—Practical work in the Laboratory is the same as in Honours Course.

Books recommended as text-books are the same as in the B.Sc. Honours in Physical Chemistry.

Books recommended for reference:—

System of Physical Chemistry, by Lewis.
Physical Chemistry, by Taylor.
Osmotic Pressure, by Findlay.
Electro-Chemistry, by Leblanc.
Kinetics of chemical change in gaseous system, by Hinshelwood.

Practical text-books:—

Practical Physical Chemistry, by Findlay.
Practical Physical Chemistry, by Fajans and Wyst (English translation).

Inorganic Chemistry.

Theoretical.—

1. Groups of elements in Mendeleeff's classification and their chemistry.
2. Elements of Radio-Chemistry.
3. Different types of chemical compounds, *e.g.*, double salts, complex salts, per acids and their salts, etc.
4. Views on valency, specially modern ones.

Practical.—

1. Gravimetric estimation of (*i*) iron, (*ii*) Manganese, (*iii*) Zinc, (*iv*) Barium, and (*v*) SO_4 radical.

2. Volumetric estimation of (*i*) iron in a sample containing ferric salt, including standardization of $KMnO_4$ solution with sodium oxalate; (*ii*) Iron in a sample containing ferric salt, including standardization of $K_2Cr_2O_7$ solution with ferrous ammonium sulphate with a standardized $KMnO_4$ solution; (*iii*) Copper in a sample containing cupric salt, including standardization of sodium thio-sulphate; (*iv*) Silver in a sample, including standardization of KCNS solution; (*v*) Silver in a sample, using adsorption indicator.

3. Separation and estimation of—

(*i*) Iron and Manganese.
(*ii*) Copper and Nickel.
(*iii*) Zinc and Nickel.
(*iv*) Calcium and magnesium.

Organic Chemistry.

Same as the Honours Course, omitting the abnormal valency of Carbon.

Practical.—Organic preparations—same as in Honours Course.

PART II.

I. Organic Chemistry.

(For students who have passed the B.Sc. Honours in Chemistry in 1937 or admitted into the 1st year M.Sc. class in Chemistry in 1937.)

A thorough knowledge of the subjects included in the preliminary M.Sc. course, together with the following:—

A fuller treatment of terpenes, camphor, alkaloids, carbohydrates and a general knowledge of the anthocyanines, the natural dye-stuffs and colouring matters. Polypeptides and proteins, tannins, the more important synthetic drugs, rubber and chlorophyll; the stereochemistry of carbon and nitrogen; the problem of orientation in the benzene series; valency of elements in organic compounds.

Practical.—

1. Organic detection—same as Honours.
2. Organic estimation and estimation of the following groups:—

Aldehyde, ketone, acid, nitro, amino, hydrazine, hydroxy, acetyl, methoxyl, carbohydrate (glucose, pentose, cane sugar). Estimation of halogen, nitrogen and S in organic compounds.

II. Either Applied Chemistry or Biochemistry.

(*a*) *Applied Chemistry.*

Theoretical.—

Paper I.—A more comprehensive study of the subjects included in the Honours course.

Paper II.—(*a*) Energy relations in electrochemical processes. Polarisation and energy efficiency. Cathodic and anodic processes. Over-voltage. Secondary cells, Theory of refining of metals. Electroplating. Alkali-chlorine cells. Preparation of hypochlorous acid, chlorate, etc. (Theory and technique.) Electric furnaces.

(*b*) Typical metallurgical processes; the metallurgy of copper, aluminium and iron (including that of special steels), electrometallurgy. The physical properties of alloys. The micro-structure of pure metals and alloys.

Practical.—

Applied (General)—

1. Same as Honours B.Sc.

2. Following experiments so far as time permit.

(*a*) Sugar in molasses, (*b*) estimation of glycerine, (*c*) analysis of a sample of NaOH, (*d*) estimation of pentose, (*e*) estimation of cellulose, (*f*) Evaluation of oil cake.

Applied (Inorganic).—

I. Applied Electrochemistry—

A. Potentiometric estimation of chloride, bromide and iodide individually and from their mixtures.

B. Potentiometric titrations with Potassium Permanganate and Potassium Iodate.

C. Electrolytic separation of Copper, Nickel, Silver and lead individually and analysis of mixtures containing Copper and Lead, Copper and Silver, Silver and Lead, and Copper and Nickel.

II. Inorganic Chemistry—

A. Analysis of Pig Iron—

Estimation of the following items:—

(*a*) Manganese, (*b*) Phosphorus, and (*c*) Sulphur.

B. Analysis of Cement—

Estimation of the following items:—

(*a*) Calcium, (*b*) Fe_2O_3 and Al_2O_3, (*c*) Silica, and (*d*) Magnesium oxide.

C. Analysis of a typical alloy.

Biochemistry.

Paper I.

1. A more comprehensive study of the subjects as included in the syllabus of the Honours Course.

2. Chemistry of food and nutrition with special reference to:—

(*i*) Enzymes and digestions.

(*ii*) Fate of Carbohydrates, fats and proteins in metabolism.

(*iii*) Nutritional Chemistry of proteins with reference to (*a*) Biological value of proteins, (*b*) the essential amino acids, and (*c*) supplementary relation between proteins.

(*iv*) Mineral metabolism including (*1*) The role of calcium, phosphorus, iodine, Fe, Cu, Mn, sodium and chlorine in nutrition; (*2*) Acid base balance in food.

(*v*) Energy metabolism including basal metabolism.

(*vi*) Vitamins including occurrence, properties, assay and structure.

(*vii*) Dietary Standards.

Paper II.

3. (*i*) Biochemistry of blood including its function, composition. platelets, leucocytes, errythrocytes, Haemolysis, plasma and serum proteins and blood coagulation.

(*ii*) The carriage of the blood gases and the acid base equilibrium of the blood.

4. Biochemistry of the brain with reference to carbohydrate and protein metabolism; sterols, phosphatides and cerebrosides of brain.

5. Detoxication.

6. Immuno-chemistry.

7. Detailed study of vitamins and hormones.

Practical—

In addition to the experiments for the Honours course, the following experiments are to be performed:—

1. Estimation of moisture, Proteins, fibre, fats, total ash, Silica Calcium and Phosphorus in food-stuffs.

2. Determination of biological value of proteins—

(*a*) by the balance sheet method, and

(*b*) by growth of young rats.

3. Estimation of (*a*) Vitamin A by—

(*i*) The Lovibond Tintometer, and

(*ii*) The biological method.

(*b*) Vitamin B by the biological method.

(*c*) Vitamin C by indophenol titration.

(*d*) Vitamin D by biological methods.

4. (*i*) Preparation of urease and estimation of urea in urine.

(*ii*) Preparation and estimation of Catalase.

(*iii*) Use of Warburg's Respirometers and Thunberg's methylene blue tubes.

5. Estimation of Creatinine in urine.

6. Determination of—

(*i*) blood sugar,

(*ii*) blood area,

(*iii*) blood gases by the volumetric apparatus of Van Slyke.

Faculties of Arts and Science.

I.—Ordinary B.A. and B.Sc. Degrees.

DEPARTMENT OF MATHEMATICS.

(Examinations to be held in 1941.)

(Three papers.)

Paper I.—Algebra and Plane Trigonometry.

Paper II.—Differential and Integral Calculus and Differential Equations.

Paper III.—Co-ordinate Geometry and Astronomy.

DETAILED SYLLABUSES.

Paper I.—

Algebra.—(*a*) Binomial divisor; the remainder theorem; factorisation of a polynomial; elementary cases of decomposition into partial fractions; infinite series; general notions of convergence; the comparison and ratio tests; elementary properties of determinants; multiplication of determinants; linear equations; simple cases of elimination.

(*b*) Complex numbers and their properties; number of roots of an equation; relations between the roots and co-efficients; easy cases of symmetrical functions of roots; derivative of a polynomial; general properties of equations; imaginary roots; multiple roots.

Book recommended:—

Higher Algebra, by C. Smith.

Trigonometry.—Trigonometrical functions regarded as functions of a variable *number*. The inequalities $\sin x < x < \tan x$. Inverse functions. Demoivre's theorem and simple applications, expansions of sine and cosine and applications. Exponential values of sines and cosines and properties of complex quantities and their logarithms; Gregory's series (assuming Abel's Theorem) and rapidly convergent series for the calculation of π. Summation of simple trigonometrical series.

Book recommended:—

Plane Trigonometry by Todhunter.

Paper II—

Differential Calculus.—(1) Concept of a function; graphical representation of a function.

(2) Definition of a limit; limit when $x \to a$ and $x \to \infty$; definition of continuity; simple examples of continuous and discontinuous functions.

(3) Definition of the differential co-efficient for a given value of the variable; notion of the derived function. Differentiation of a sum, a product, a quotient and a function of a function. Standard forms. Inverse function. Partial differentiation; implicit functions.

(4) Successive derivatives; Leibnitz's Theorem.

(5) Rolle's Theorem (statement only), Mean Value Theorem; generalised Mean Value Theorem, Taylor's Theorem; rules for expansion by other methods.

(6) Evaluation of limits for critical values.

(7) Meaning of the sign of the differential co-efficient. Rules for finding the maximum and minimum values of a function of one variable.

(8) Orders of smallness. Equations of tangent and normal, polar co-ordinates, angle between radius vector and tangent. Pedal equation.

(9) General notions and methods of determination of the asymptotes of an algebraic curve in Cartesian co-ordinates.

(10) Measure of curvature: formulæ for the radius of curvature in Cartesian and polar co-ordinates and in terms of p and r. Newton's rule for finding the curvature at the origin.

Books recommended :—

Differential Calculus by Ganesh Prasad.
Infinitesimal Calculus by Lamb.

Integral Calculus.—(1) Integral as the limit of a sum and as an area. Definite and indefinite integrals. Mean Value Theorem and the Fundamental Theorem. Standard forms.

(2) Methods of integration—

(*a*) Integration by substitution.
(*b*) Integration by parts.
(*c*) Some elementary reduction formulæ.
(*d*) Decomposition of rational fractions into partial fractions.

(3) Evaluation of some standard definite integrals. General properties of definite integrals. Simple cases where the functions $f(x)$ or the limits of integration become infinite.

(4) Definition of areas. Formulæ for an area in Cartesian and polar co-ordinates. Areas of curves which can be traced easily. Formulæ for the length of an arc of a curve in Cartesian and polar co-ordinates; rectification of curves. Determination of volumes and surface areas of surfaces of revolution.

Differential equations.—Formation of differential equations. Equations of the first order and first degree. Linear equations of the first order. Homogeneous equations. Exact equations. Equations of the first order but not of the first degree. Linear differential equations with constant co-efficients and right-hand member equal to zero.

Books recommended :—

Integral Calculus by Ganesh Prasad.
Infinitesimal Calculus by Lamb.

Paper III.—

Co-ordinate Geometry.—(A) Co-ordinates, distances between two points and other simple formulæ.

(B) Straight lines—equations, distance of a point from a given line, angle between two straight lines, bisectors of the angles between two straight lines, pairs of straight lines.

(C) Circle—equation, tangents, normals, poles and polars: condition of orthogonality of two circles.

(D) Parabola—equation, tangents, normals, poles and polars.

(E) Ellipse—equation, tangents, normals, poles and polars, auxiliary circle, eccentric angle, conjugate diameters.

(F) Hyperbola—equation, tangents, normals, poles and polars, conjugate diameters, asymptotes.

Books recommended :—

Co-ordinate Geometry by Loney.
Conic Sections by Smith.

Astronomy.—Fundamental definitions. The celestial sphere. The Earth. Latitude and longitude. Rotation of the earth. Refraction. The Sun. The motion of the planets. Parallax (Diurnal and Annual). Determination of the first point of Aries. Determination of the obliquity of the ecliptic to the equator. Precession, nutation and aberration. The moon. Lunar and solar eclipses. Frequency of the eclipses. Equation of time. Reduction of time.

Book recommended :—

Astronomy by D. N. Mallik.

II.—Honours School of Mathematics (B.A. and B.Sc. Degrees).

(Examination to be held in 1942.)

(Eight papers and a *Viva Voce* Examination.)

Paper I.—Algebra (including Theory of Equations) and Trigonometry.

Paper II.—Analytical Geometry of Conics and Solid Geometry.

Paper III.—Differential and Integral Calculus and Differential Equations.

Paper IV.—Elementary Theory of Functions of a Real Variable.

Paper V.—Elementary Theory of Functions of a Complex Variable.

Papers VI, VII and VIII.—One of the following two groups:—

Group A.

Paper VI.—Statics and Vectors.

Paper VII.—Hydrostatics and Astronomy.

Paper VIII.—Dynamics.

Group B.

Paper VI.—Numerical Mathematics.

Paper VII.—Statistics (I).

Paper VIII.—Statistics (II) (including a practical examination carrying 50 marks.)

Subsidiary Subjects.

(*a*) *For the B.A. Degree.*—Any combination of two subjects (with the exception of History) allowed for the ordinary degree.

The combination selected must be subject to the approval of the Head of the Department.

(*b*) *For the B.Sc. Degree.*—Physics and Chemistry.

Detailed Syllabuses.

Paper I.—

Algebra.—

(1) Inequalities.
(2) Simple continued fractions.
(3) Determinants: Multiplication of determinants. Reciprocal determinants. Solution of a system of linear equations.
(4) Elements of the theory of numbers.

Books recommended:—

(1) Higher Algebra by C. Smith.
(2) Higher Algebra by Bochêr.
(3) Higher Algebra by Barnard and Child.

Theory of Equations.—(1) General Theory of polynomials: Binomial divisor, remainder theorem, highest common factor, common roots of two polynomials, multiple roots.

(2) Formal solution of equations: Solution of the cubic and the determination of the number of its real roots; solution of the biquadratic.

(3) Fundamental Theorem.

(4) Relations between roots and co-efficients: Newton's theorem on symmetric functions.

(5) Number of real zeros of real polynomials: Descartes' rule of signs (upper bound and parity of the number of roots of the same sign); Rolle's Theorem; Sturm's Theorem.

(6) Numerical solution of equations: Estimates of the upper and lower bounds of the moduli of roots and approximate location of the roots in the complex domain; Newton's method of approximation of the real roots; Horner's process for the calculation of the real roots.

Book recommended:—

Theory of Equations by Cajori.

Plane Trigonometry.—Same syllabus as for the Ordinary Degree. Fuller and more detailed study of the course will be expected.

Paper II.—

Conic Sections.—As in Askwith's Analytical Geometry, Chapters I-XII.

Book recommended:—

Analytical Geometry of Conic Sections by Askwith.

Solid Geometry.—(A) Co-ordinates: The three usual types of co-ordinates; distance between two points; co-ordinates of a point dividing a finite line in a given ratio; projections.

(B) Planes; equations, angle between two planes, distance of a plane from a given point. Straight lines: equations, shortest distance between two straight lines, angle between two straight lines, triangle, tetrahedra.

(C) Conicoids: General properties, classification, determination of centre, and axes; reduction to the standard form.

(D) Sphere, ellipsoid, hyperboloid of one sheet, hyperboloid of two sheets; paraboloid, cone.

(E) Plane sections of a conicoid: Determination of axes and area.

(F) Circular section of ellipsoids, hyperboloids of one sheet, hyperboloids of two sheets, paraboloid.

(G) Generating lines: Existence, properties and equations.

(H) Confocal conicoids.

Book recommended:—

Analytical Geometry of Three Dimensions by Bell.

Paper III.—

Differential Calculus.—Sequences and limits; concept of a function; continuity; question of the existence and continuity of the differential co-efficient; Rolle's Theorem, Mean Value Theorem and allied theorems including similar theorems for two or more variables; generalised Mean Value Theorem leading to Taylor's Theorem; partial differentiations; convexity; maxima and minima.

Tangents and normals, asymptotes, curvature, envelopes, singular points, curve-tracing.

Integral Calculus.—Riemann Integration; First Mean Value Theorem; integration of rational functions; differentiation and integration under the sign of integral; improper integrals; multiple integrals; applications to geometry.

Books recommended:—

Mitra and Dutt—Differential Calculus.
Goursat—Mathematical Analysis, Vol. I.
Prasad—Differential Calculus.

Diffrential Equations.—Ordinary equations of the first order; singular solutions of ordinary equations of the first order and of degree higher than the first; trajectories; linear equations with constant co-efficients and equations reducible to linear form with constant co-efficients; method of variation of parameters; the existence theorem (Picard); the linear differential equation of the second order, solution in series; total differential equations; partial differential equation of first order; Lagrange's form; Charpit's method.

Book recommended:—

Differential Equations by Piaggio.

Paper IV.—

Theory of Functions of a real Variable.—(*a*) Numbers: Dedekind section; complex numbers;

(*b*) limits and sequences; monotonic sequences; infinite limits.

(*c*) aggregates; bounds; points of accumulation; Bolzano-Weierstrass theorem; general principle of convergence; compartment principle (*Einschachtelungssatz*); Heine-Borel theorem;

(*d*) theory of convergence of infinite series and infinite products; double series; power series; the identity theorem of power series;

(*e*) general definition of function; continuity and discontinuity; fundamental properties of continuous functions of a real variable; uniform continuity;

(*f*) functions of a real variable; differentiability; mean value theorem of the differential calculus; functions of limited total variation. Riemann integration and conditions of integrability; mean value theorems of the integral calculus and the fundamental theorem; uniform convergence and uniformly convergent series; improper integrals; multiple integrals; differentiation and integration under the integral sign; implicit functions.

Books recommended:—

Mathematical Analysis by Goursat and Hedrick, Vol. I.
A Course of Pure Mathematics by Hardy.
Fourier's Series and Integrals by Carslaw.

Paper V.—

Functions of a complex variable.—Continuity: differentiability; analytic functions; the elementary functions; general notion of multiform functions and their branch points; integration; Cauchy's fundamental theorem; the fundamental formula; Morera's theorem; Taylor's and Laurent's expansions; Liouville's Theorem; fundamental theorem of Algebra; identity theorem of analytic functions; residue theorems; contour integrations; series and integrals of analytic functions.

Books recommended:—

Mathematical Analysis by Goursat and Hedrick, Vol. II, Part I (Chapters I-II).

Titchmarsh—Theory of Functions (selected portions from the first three chapters).

Paper VI (Group A).—

Statics.—(A) Coplanar and non-coplanar forces—reductions, conditions of equilibrium.

(B) Virtual work.

(C) Centre of gravity of bodies.

(D) Equilibrium of strings under given forces.

(E) Graphical Statics.

Book recommended:—

Statics by Loney.

Vectors.—Addition and subtraction of vectors. Condition that three vectors terminate in the same line. Condition that the extremities of four vectors lie in a plane. Mean point. Formulæ relating to the product of two or more vectors. Differentiation of vectors and the differential operators. Line and surface integrals of vectors. Simple vector equations.

Books recommended:—

Elementary Vector Analysis by Weatherburn.
Advanced Vector Analysis by Weatherburn.

Paper VII (Group A).—

Hydrostatics.—Laws of fluid pressure; general conditions of equilibrium; uniformly rotating liquid (as if rigid); resultant pressure; centre of pressure; the equilibrium of a floating body; surface of buoyancy; position of equilibrium and stability of equibrium in the case of a homogeneous liquid; Boyle's law, Charles' law; Mixture of gases; specific heats; adiabatic expansions: determination of heights by means of barometer.

Book recommended:—

Hydromechanics, Part I, by Besant and Ramsey.

Astronomy.—(1) The celstial sphere. The systems of co-ordinates.

(2) The Earth. Co-ordinates which determine position on the earth. Rotation of the earth.

(3) The Sun. The Sun's path among the stars. Variations in the length of the day. The seasons. The ecliptic. Determination of the first point of Aeries. Determination of the obliquity of the ecliptic. Transformation of co-ordinates.

(4) The determination of position on the Earth. Finding latitude and longitude by observation.

(5) Planets. Kepler's laws. Form of the Earth's orbit. Apparent motions of planets. Stationary points and retrograde motion.

(6) Time: Equation of time. Reduction and conversion of time. Finding time by observation.

(7) Problems connected with the diurnal motion. Time of rising and setting of a heavenly body. Twilight.

(8) Astronomical refraction. Cassini's Formula for refraction. Determination of refraction by observation.

(9) Parallax. Parallax of a heavenly body, the Earth considered spherical. Annual parallax of stars. Effect of parallax on the apparent position of a star.

(10) Aberration. Determination of constant of aberration. Effect of aberration on the apparent position of a star.

(11) Precession and nutation. Effects of precession. Nutation.

(12) The moon: Its orbit, phases, rotation, eclipses.

Books recommended:—

Astronomy by Godfray.
Astronomy by Barlow and Bryan.

Paper VIII (Group A).—

Dynamics of a particle.—Fundamental definitions and principles. Motion in a straight line. Simple harmonic motion. Composition of simple harmonic motions. Acceleration parallel to axes. Motion referred to polar co-ordinates. Revolving axes. Central orbits. Apses. Stability of orbits. Kepler's laws. Law of the inverse square. Planetary motion. Time of describing any orbit. Relations between the eccentric, true and mean anomalies. Disturbed elliptic motion under transverse, radial, tangential and normal impulses and other disturbing forces. Constrained motion; conservation of energy. The simple pendulum. Motion on a smooth or rough cycloid. Motion in a resisting medium. Varying Mass. Motion in three dimensions. Accelerations in polar, cylindrical and curvilinear co-ordinates. Motion on a sphere, cone, cylinder and a surface of revolution.

Rigid Dynamics.—(1) Moment of inertia; product of inertia; principal axes and moments. Equimomental systems.

(2) D'Alembert's principle. Equations of motion for (1) finite forces, (2) impulsive forces. Principles of the independence of translational and rotational motions.

(3) Motion of a rigid body rotating about a fixed axis. The compound pendulum. Impulsive motion.

(4) Motion in two dimensions. Problems involving discontinuous frictional forces. Instantaneous centre.

(5) Motion in three dimensions. Moving axes. Instantaneous axis. Screw motion. Euler's dynamical and geometrical equations. General equations of motions under finite forces.

(6) Principles of the conservation of momentum and energy. Applications.

(7) Lagrange's equations of motion for finite forces.

(8) Lagrange's equations of small oscillations. Principal co-ordinates.

Book recommended :—

Dynamics of a Particle and of Rigid Bodies by Loney.

Paper VI (Group B).—

Numerical Mathematics.

As in *Calculus of Observations* by Whittaker and Robinson, Chaps. I-VII and Chap. XIV.

Paper VII (Group B).—

Statistics (I).—General nature and scope of statistical methods. Classification of statistical data by categories and measurements. Discrete and continuous variation.

Tabulation of data. Frequency distribution. Graphic representation and interpretation of charts.

Smoothing of data. Elementary methods of graduation. Trends and fluctuations. Interpolation and extrapolation and their accuracy. Method of least square.

Elements of the theory of probability. Addition and multiplication theorems.

Elementary ideas of statistical populations and random samples.

Measures of central tendency. Mean, median, mode, quartile, decile, percentile.

Dispersion. Measures of dispersion. Range, quartile deviation, mean deviation, standard deviation.

Elementary ideas of skew distribution, measures of skewness.

Normal, binomial and Poisson distribution. Probability integral and its uses.

Probable errors and standard errors.

Elements of sampling theory and sampling variance. Goodness of fit. Chi-square test. Tests of significance of difference between two averages and two standard deviations for large samples. Modifications for small samples.

General ideas of association of attributes. Contingency and correlation. Contingency tables. Tests of independence and association. Coefficient of correlation. Probable error and significance of correlation coefficient in large and small samples. Regression co-officients and equations. Partial and multiple correlation for three variates. Correlation ratio and elements of non-linear regression.

Analysis of variance.

Paper VIII (Group B).—

I. *Statistics (II)* (a half-paper of two hours' duration).—

Two of the following :—

(*a*) *Economic and Business Statistics.*—

Sources of data. Statistical abstracts. Construction and use of index numbers. Trade statistics. Balance of trade. Internal trade. Transport. Tariff. Monetary statistics. Currency. Price changes. Price levels. Labour and wages. Cost of living. National income Distribution of income. Relation between supply, demand and price. Agricultural production and price. Business activity. Trends. Seasonal variations. Cycles. Correlation of time series. Economic surveys.

(*b*) *Vital statistics.*—

Census. Distribution of population according to sex, age, occupation, etc. Birth rate. Death rate. Corrected and standardised rates.

(*c*) *Educational Statistics.*—

Intelligence and achievement tests. Intelligence quotients. Achievement scales. Reliability and validity of tests. Correlation between scores. Correlation and prognosis.

(*d*) *Agricultural Statistics.*—

Design of field experiments. Replications. Randomisation. Randomized blocks. Latin square. Uniformity trials. Crop forecast. Cost of production. Sampling surveys.

II. *A Practical Examination carrying 50 marks.*

Interpolation by Newton's formula. Simple index numbers. Fitting a straight line and a parabola of the second degree by the method of least squares. Seasonal indices. Secular trends. Fitting a normal curve. Use of tables of probability integral. Standard errors and probable errors. Significance of difference between means based on large samples. Use of t-tables.

Fourfold tables. Contingency and association. Coefficient of correlation. Analysis of variance into two portions. Tables of significance of mean values, ratio of variances, coefficients of correlation. Use of Chi-square statistics.

III.—M.A. and M.Sc. Degrees.

1. M.A. and M.Sc. Examinations, Part I. (To be held in 1940.)

(Four papers.)

Paper I.—Pure Mathematics (I).

Paper II.—Pure Mathematics (II).

Paper III.—Applied Mathematics (I).

Paper IV.—Applied Mathematics (II).

DETAILED SYLLABUSES.

Paper I.—Pure Mathematics (I).

This paper will cover the subjects dealt with in Papers IV and V of the Honours School of Mathematics.

Paper II.—Pure Mathematics (II).

Algebra.—(1) Elementary properties of simple continued fractions; (2) Determinants; (3) Systems of linear equations; (4) Elimination of x between two algebraic equations in x; (5) Descarte's rule of signs; (6) Relations between the zeros and the co-efficients of a polynomial; (7) Roots of unity; (8) Elements of the theory of numbers; (9) the infinite product expressions for sin x and cos x and elementary summation formulæ deduced from them; (10) Simple properties of trigonometrical functions that can be deduced from their exponential formulæ.

Conics.—The general equation of the second degree.

Solid Geometry.—The analytical geometry of the straight line, plane, and conicoids including the determination of the axes and area of plane secions of conicoids and reduction to the standard form.

Differential Equations.—Ordinary equations of the first order; method of variation of parameters; equations of the second order, solution in series; total differential equations.

Books recommended:—

Higher Algebra by Barnard and Child.
Higher Algebra by Bocher.
Conic Sections by C. Smith.
Solid Geometry by C. Smith.
Differential Equations by Piaggio.

Paper III.—Applied Mathematics (I).

Statics and Hydrostatics.—The syllabus is the same as for the corresponding subjects of the Honours School of Mathematics.

Paper IV.—Applied Mathematics (II).

Dynamics.—The syllabus is the same as for Paper VIII (Group A) of the Honours School of Mathematics.

II. M.A. and M.Sc. Examinations, Part II. (To be held in 1940.)

(Four papers and a *Viva Voce* Examination carrying 100 marks.)

Group A.

Paper I.—Theory of Functions of a Real Variable.

Paper II.—Theory of Functions of a Complex Variable.

Papers III and IV.—Two papers on a subject to be selected from the following with the approval of the Head of the Department:—

1. Algebra.
2. Theory of Algebraic Numbers.
3. Theory of Functions of a Real Variable (II).
4. Theory of Functions of a Complex Variable (II).
5. Integral Functions.
6. Dirichlet's Series and Zeta-functions.
7. Theory of Numbers.
8. Theory of Groups.
9. Almost Periodic Functions.
10. Integral Equations.
11. Transcendental Functions.
12. Pure Geometry and Differential Geometry.
13. Topology.

Group B.

Paper I.—Advanced Rigid Dynamics and Theory of Vibrations.

Paper II.—Potential Theory and Hydrodynamics.

Papers III and IV.—Two papers to be selected from the following with the approval of the Head of the Department:—

1. Advanced Hydrodynamics (two papers).
2. Theory of Elasticity (two papers).
3. General Theory of Relativity (including Tensor calculus) (two papers).
4. Electrodynamics and Thermodynamics (two papers).
5. Theory of Electrons and Theory of Radiation (two papers).
6. Statistics including numerical mathematics (two papers).

DETAILED SYLLABUSES.

Group A.

Paper I.—Theory of Functions of a Real Variable (I).

Uniform convergence of series and integrals; integration and differentiation under the sign of integration; theory of Lebesgue measure; Lebesgue integrals and their properties in relation to corresponding properties of Riemann integrals; the Legesgue set; Fourier Lebesgue theorem and applications to the theory of Fourier Series.

Books recommended:—

Theory of Fourier's Series and Integrals by Carslaw.
Theory of Functions by Titchmarsh.

Paper II.—Theory of Functions of a Complex Variable (I).

1. Conformal representation: the general linear transformation; some simple non-linear transformations; representation of a polygon on a half plane.
2. Rouche's Theorem, inversion of an analytic function, Lagrange's series.
3. Meromorphic Functions: Mittag-Leffler's Theorem, Cauchy's method of expansion.
4. Analytic Continuation: the general concept of an analytic function, Monodromy Theorem, Schwarz's principle of reflection, Vivanti's Theorem.
5. The Maximum Modulus Theorem and some allied theorems.
6. Infinite products of analytic functions.
7. Intergral Functions: Weierstrass's Theorem, Picard's first Theorem.
8. Simple properties of Elliptic Functions.

Papers III and IV.—

In addition to the topics mentioned below under each subject, candidates will be expected to have an acquaintance with the contents of some recently published original papers, bearing on the subject, which will be duly prescribed by the Head of the Department.

Theory of Functions of a Complex Variable (II).

1. Schlicht functions: Koebe's Theorem and its consequences, Bieberbach's rotation theorems, convex and star schlicht functions, theorems on the co-efficients of the power series representations of normalised schlicht functions.

2. Elliptic Functions: Existence of doubly periodic meromorphic functions and of an algebraic relation between any two elliptic functions having the same periods. The Weierstrassian p-function.

3. Dirichlet series (elementary properties only), the Riemann Zeta-function.

4. The Maximum modulus theorem and its various generalisations including the Phragmen-Lindelöf Theorems and their applications to integral functions with reference to asymptotic values and paths of determination.

5. Integral Functions including applications to some transcendental functions. [A more detailed treatment of the subject will be attempted for this paper than for Complex Variables (I).]

Theory of Numbers.

1. Fundamentals of the Theory of Numbers.
2. Elementary arithmetic functions and some of their properties.
3. Elementary theorems in the theory of numbers.

(*a*) Linear congruences.

(*b*) Fermat's theorem, Wilson's theorem.

4. Miscellaneous results.
5. Arithmetic functions [*cf.* (2)].
6. Congruences [*cf.* (3)].
7. Quadratic Residues.
8. Primitive roots.
9. Binary Quadratic Forms.
10. Representation of numbers as sums of Powers.
11. Diophantine Equations.
12. Distribution of Primes:
    Study of such distribution by elementary methods, *i.e.*, without bringing in Cauchy's theorem on residues.
13. Primes in A. P., and their manner of distribution; Dirichlet's theorem.
14. Order results concerning Arithmetic functions.
15. Lattice points within a circle and a hyperbola.
16. An introduction to the theory of algebraic numbers.
17. Miscellaneous results and statement of problems.

Transcendental Functions.

The syllabus for this subject comprises the following chapters from "A Course of Modern Analysis" by E. T. Whittaker and G. N. Watson:

The Chapters on (1) the Gamma Function, (2) the Hypergeometric Function, (3) Legendre Functions, (4) Bessel Functions, (5) the Equations of Mathematical Physics, (6) Mathieu Functions, (7) Jacobian Elliptic Functions and (8) Ellipsoidal Harmonics.

Group B.

Paper I.—Advanced Rigid Dynamics and Theory of Vibrations.

Rigid Dynamics.—The course is to be covered by Lamb's Higher Mechanics, Chapters IX—XII and Whittaker's Analytical Dynamics, Chapter XI.

Theory of Vibrations.—(*a*) Lagrangian equations of small oscillations in generalised co-ordinates. Dissipative forces. Free, forced and constrained motion.

(*b*) Transverse vibrations of strings, equation of motion, finite string, string plucked, string struck by a blow, violin string, reflexion, forced vibration of string. Waves on an unlimited string, peculiarities of the waves, longitudinal vibration.

(*c*) Longitudinal vibrations and flexural vibrations of rods: (*i*) longitudinal vibrations—equation of motion, rod free at both ends, rod free at one end and fixed at the other, (*ii*) flexural vibrations of a bar—equation of motion, bar free at both ends, bar clamped at both ends, bar supported at both ends, clamped—supported bar, clamped—free bar, supported—free bar.

(*d*) Extensional and flexural vibrations of a circular ring in its own plane and in a perpendicular plane.

(*e*) Vibrations of membranes—equation of motion, rectangular membrane, square membrane, circular membrane, sectorial membrane.

(*f*) Vibrations of plates—equation of motion, boundary conditions, free circular plate, rectagular plate (supported).

Books recommended:—

Higher Mechanics by Lamb.
Dynamical Theory of Sound by Lamb.

Paper II.—Potential Theory and Hydrodynamics.

Theory of Potentials.—Potential in general; logarithmic and Newtonian potential functions; potential and work, some characteristics of potential function, surface distribution, law of Coulomb and Poisson; direct calculation of attractions and potentials of rods, disc, spheres, etc., Gauss's, Lalpace's and Poisson's theorems; potential at a distant point; MacCullagh's elliptic cylinders and ellipsoidal shells; Ivory's and Maclaurin's theorems; Legendre's theorem, equipotential surfaces; potentials and attractions of homogeneous ellipsoids, theorems for the potential of a solid of revolution; Dirichlet's problem for the sphere; potential and stability; Earnshaw's theorem; Green's theorem, Green's equivalent layers; potential completely determined by its characteristic properties; uniqueness of solution. Method of inversion.

Book recommended:—

Statics, Vol II, by Routh.

Hydrodynamics.—The course is to be covered by Besant and Ramsey's Hydromechanics, Part II, Chapters I—V, VII and IX.

Papers III and IV.—

In addition to the topics mentioned below under each subject, candidates will be expected to have an acquaintance with the contents of some recently published original papers, bearing on the subject, which will be duly prescribed by the Head of the Department.

Advanced Hydrodynamics.

A. The Theory of Tides.

(*i*) Tides and tidal phenomena.
(*ii*) The Theory of Tides in rivers, estuaries and basins.
(*iii*) The equilibrium theory of tides; the Corrections.
(*iv*) Laplace's dynamical theory of tides with his solutions for diurnal and semi-diurnal tides, and Darwin's solution for tides of long period.
(*v*) The Canal theory of tides. Meridional and equatorial canals round the whole globe.

B. Theory of Surface Waves.

(*i*) The theory of irrotational motion in two dimensions of a horizontal sheet of water; standing waves and progressive waves.
(*ii*) Waves on the boundary between two currents.
(*iii*) The theory of Group Velocity.
(*iv*) Cauchy-Poisson problem: Waves due to an initial elevation or to a local impulse.
(*v*) Surface disturbance of a stream due to inequalities in the bed.
(*vi*) Waves due to a submerged circular cylinder.
(*vii*) Waves due to travelling disturbance.
(*viii*) Wave-propagation in two horizontal dimensions.
(*ix*) Oscillations of a liquid globe.
(*x*) Capillary waves; waves on the common boundary of two currents, small oscillations of a drop of liquid about the spherical form.

C. Motion of viscous liquids.

(i) The development of the theory of small strain and stress and their correlation.
(ii) The equations of motion.
(iii) General theorems on dissipation of energy.
(iv) Poiseulle motion, steady rotation of a circular cylinder and a sphere in a viscous liquid, laminar motion of a viscous liquid.
(v) Stoke's problem of the sphere. Oseen's treatment of Stoke's problem and of the problem of the circular cylinder.
(vi) Oberbeck's problem of the ellipsoid.
(vii) Solution in spherical hamonics of the equations of small steady motion in the absence of external forces; application to Stoke's problem.
(viii) Solution of the equations of small periodic motions of an incompressible fluid subject to no external forces, having special reference to a spherical boundary and application to the decay of motion of a viscous liquid in a closed sphere at rest.
(ix) Solution of the general equations of motion in sound waves as affected by viscosity and application to a ball-pendulum.

General Theory of Relativity.

Differential Geometry.—Elementary properties a surface. Geodesics on a surface. The Christoffel symbols. Curvature. Gaussian curvature. Curves on surfaces. The minimal curves. Levi Civita's parallel transport. Relation between Levi Civita's parallel transport and the total curvature of the surface. The geodesic curvature of a curve.

Tensor-Algebra.—Elementary properties of matrices. Tensors. Scalars Vectors. Contravariant and covariant tensors. Laws of transformation. Contragrediency. Symmetrical and skew tensors. Outer product. Inner product of transvectant. Applications of Tensors. Metrical Tensors.

Tensor-Calculus.—Formation of tensors by differentiation. Covariant differentiation. Ricci's Lemma. Derivation of a tensor along a curve. Divergence. Differential equations of Physics in tensors: the equations of elasticity, the Maxwellian equations of the electro-magnetic field. The energy-momentum tensors. Derivation of electro-magnetic field-equations. The Riemannian metric. Metrical tensor and their derivatives. The Riemann-Christoffel tensor. Riemann symbols of the first and the second kind. The cyclic property. Number of independent Riemann symbols. The Padova-Bianchi identities. The curvature tensors of rank 2 and 0. Hilbert's Identities. The equations of the geodesic.

Summary of the special theory of Relativity.—Optics of moving bodies. Aberration. Doppler effect. Fresnel-Fizeau effect. Does velocity of light depend on the velocity of the source? The Michelson-Morley experiment. Ether-drag. Lorenz contraction. The special theory of relativity. Lorenz transformation. Dilatation of time. Transformation of velocities.

The Law of Gravitation.—Flat space-time and Galilean co-ordinates. The contracted Riemann-Christoffel tensor. The law of gravitation for empty space. Field of an isolated particle. Planetary orbits. The advance of perihelion. The deflection of light rays. Spectral shift. Use of isotropic co-ordinates. The material energy-tensor. Gravitational equations for continuous matter. Schwarzschild's solution.

Relativistic Cosmology.—The curved world. Einstein's cylindrical world. De Sitter's world. The radial velocities of stars. Cosmological speculations.

IV.—Honours School of Mathematics and Physics (B. Sc. degree).

Fourteen theoretical papers, a practical examination (including a *Viva Voce* Examination) in Physics and a *Viva Voce* Examination on the theoretical papers.

PART I.

(Examination to be held in 1941.)

I. Algebra (including Theory of Equations) and Trigonometry.
II. Analytical Geometry of Conics and Solid Geometry.
III. Differential and Integral Calculus (including applications to the Geometry of curves).
IV. Statics and Vectors.
V. Differential Equations.
VI. Heat and Thermodynamics.
VII. Practical Examination (including a *Viva Voce* Examination).

PART II.

(Examination to be held in 1942.)

VIII and IX. *Either* Papers IV and V *or* Papers VII and VIII of Group B prescribed for the Honours School of Mathematics (see pages 3-4).
X. Hydrostatics and Astronomy.
XI. Dynamics of a Particle and Elementary Rigid Dynamics.
XII. Theory of Vibrations.
XIII. Electricity and Magnetism.
XIV. Modern Physics.
XV. General Physics.

The *Viva Voce* Examination on the theoretical papers will be held along with the examination in Part II.

Note.—Students of this Honours School who take Statistics for Papers VII and VIII may not be permitted to take Group A of the Part II M.Sc. Examination unless they have satisfied the Head of the Department in regard to their knowledge of Theory of Functions.

DETAILED SYLLABUSES.

Mathematics.

The syllabus for Astronomy is the same as for the Ordinary B.Sc. degree. As regards the remaining subjects, in addition to the syllabuses laid down for the corresponding subjects in the Honours School of Mathematics, the following are prescribed:—

Hydrostatics—Tension of flexible surfaces.
Functions of a Real Variable—Fourier's Series.

Differential Equations—Selected topics from Partial Differential Equations of Mathematical Physics.

Solid Geometry—The elementary properties of twisted curves.

Paper VI.—Heat and Thermodynamics.

Measurement of temperature and expansions, calorimetry, changes of states, properties of gases and vapours, hygrometry, laws of heat conduction, continuity of states. Steam engine. The Laws of Thermodynamics and their applications. Equilbrium of systems, Phase rule, the Nernst heat theorem.

Theory of Radiation: Law of Exchange, Laws of Kirkchhoff, Stefan, Wien and Planck.

Paper XII—Theory of Vibrations.

Small oscillations. Elastic deformations. Stress and Strain, Energy of deformation, forced and free Vibrations, Resonance, Vibrations of strings and membranes. Harmonic analysis. Wave motion in air and elastic media. Huyghen's Principle. Wave theory of Light. Wave Surface in isotropic and crystalline media; diffraction and interference of waves.

Paper XIII—Electricity and Magnetism.

Statical Electricity. Potential and energy of electrical systems. Capacity, the dielectric Polarisation, Magnetic fields, induced Magnetisation. Magnetic properties of materials, susceptibility and permeability; para—, ferro—, and diamagnetism. The electric current, Ohm's Law. Heating and magnetic effects of currents. Electrolysis. Thermo-electricity. Electromagnetic induction. Growth and decay of currents. Alternating currents. Units and dimensions of electromagnetic quantities. Electromagnetic radiations, Maxwells's displacement theory. Fundamental Equations of Electromagnetism; early experimental verifications. Simple theory of electromagnetic waves, their reflection and refraction.

Paper XIV.—Modern Physics.

Gaseous conduction, atomic nature of Electricity, electrons, determination of charge and mass; X-rays, methods of production; flourescent and continuous radiations. Works of Barkla, Mosely and Bragg, determination of wave-length, Radio-activity. Properties of Radium and its rays. Elementary ideas of Quantum theory. Photo-electric emission; measurement of h.

Paper XV.—General Physics.

Units and dimensions of Physical quantities. Measurement of length, mass and time. Laws of motion: Gravitation: Earth's Gravitational field. Gravitational potential. Potential of simple bodies, spheres and spheroids. Equipotentials and lines of force. Gauss' theorem. Laplace's and Poisson's Equations. Simple types of solution. Transmission of pressure in liquids. Equilibrium of floating bodies. Liquids in motion. Simple irrotational motion. Bernoulli's theorem. Turbines and pumps. Viscosity. Viscous friction; flow through pipes; surface-tensions and capillarity.

Elementary Kinetic theory of gases and fluids.

Practical Physics.

First Year Honours.

General Properties.

1. Use of Slide Rules.

2. Determination of densities and dimensions using verniers, calipers, screw gauge, etc.

3. Spherometer—

(a) Determination of the thickness of a plate.

(b) Determination of the radius of curvature of a spherical surface.

4. The balance; accurate weighing, etc.
5. Specific gravity by the specific gravity bottle.
6. Young's modulus by stretching (Searle's method).
7. Borda's pendulum.
8. Kater's pendulum.
9. Surface tension by capillary tube.

Sound.

1. Resonance tube. Velocity of sound and end correction.
2. Sonometer. Verifications of the laws of length and tension.
3. Kundt's tube (brass, air and carbon dioxide)

Light

1. f. of a concave mirror.
2. f. of a convex mirror.
3. f. of a concave lens
4. f. of a convex lens
5. μ. by a microscope.

6 Angular magnification of telescope (measurement of linear magnification of a large distance).

Heat.

1. Expansion of a solid.
2. Constant volume air-thermometer.
3. Variation of density of water (Mathiessen's method)
4. Specific heat of a solid or a liquid (method of mixture) with radiation correction.
5. Latent heat of steam
6. Verification of Newton's law of cooling and specific heat of a liquid by cooling.

Magnetism

1. M/H by mirror magnetometer.
2. M and H
3 The Dip circle.

Second Year Honours

1 Moment of inertia of a fly wheel
2. Rigidity by method of oscillation (dynamic method).
3. Rigidity by twisting (Static method).
4. Young's modulus by flexure.
5. Surface tension of mercury.
6. Viscosity of a liquid by capillary flow method

Heat.

1. Determination of J: (Calendar's apparatus).
2. Conductivity of copper.
3. Ratio of specific heats of air

Electricity.

1. Wheatstone's Bridge, end corrections and resistivity of wires.
2. P. O. Box: law of resistance.
3 Comparison of two nearly equal resistances.
4. Galvanometer resistance
5. Potentiometer. Comparison of E. M. F.
6. Calibration of a bridge-wire
7. Measurement of low resistance —Fall of potential method.
8. Thermocouple
9. Platinum Resistance.
10. Silver Voltameter.

Light

1. Newton's rings.
2. Spectrometer—

(a) μ of prism by minimum deviation.

(b) diffraction-grating.

3. Polarimeter.

FACULTY OF LAW.

Syllabus for the M. L. Degree Course.

DEPARTMENT OF LAW

Preliminary Examination in Law.

The Preliminary Law Examinations to be held after January 1939 shall embrace the following five papers, all of which shall be compulsory

Each paper is of four hours' duration and carries 100 marks. No candidate is allowed to pass who does not obtain 50 per cent of the aggregate marks with a minimum of 30 per cent in each paper; and in order to secure a first class, a candidate must obtain 66 per cent. of the aggregate marks

No student is allowed to take his Preliminary Examination earlier than at the second examination held during his second year course (See Chapter XIX of the Ordinances and Regulations for fuller information)

Candidate should possess a general knowledge of the Leading Cases specified and make a special study of those marked with an asterisk

I —JURISPRUDENCE (ONE PAPER)

A – *Jurisprudence (Analytical)*

The meaning of Jurisprudence Nature of Law Jurisprudence and allied Sciences Sources of Law Legislation Theory and practice

Legal rights and duties analysed Persons Things Facts and Acts Juristic Act Ignorance of Law Negligence Divisions of Law

Private Law Classification of Rights: (1) Normal and Abnormal; (2) Antecedent and Remedial, (3) *In rem* and *in personam* Possession and Ownership. Contracts —Analysis and classification

Tort—Classification Causes of abnormality in persons Adjective Law

Public Law Constitutional and Administrative Law Criminal Law The Law of the State as a *quasi-private person*

International Law

Application of Law Modern Tendencies in Legislation

Books recommended :—

Hooghly Mohsin College, Chinsura.

Chinsura, the 10th May 1939.

Hooghly Mohsin College is one of the oldest in Bengal, having been founded in 1836. It will re-open on Monday, the 3rd July 1939, after the summer vacation.

The College teaches up to the B.A. and B.Sc, standard. It is affiliated in Honours in the following subjects:—

English, Sanskrit, Philosophy, History, Mathematics and Physics.

Applications for admission should be made in the prescribed form *immediately* after the publication of the University results in the *Calcutta Gazette.* Prospectus and admission forms can be had from the College office on personal application or by sending stamps for postage. Students who failed in the University Examination and desire re-admission should attach the University crossed list to their application form.

Girl students are admitted to all Arts classes.

As a rule, students who have passed the Matriculation or Intermediate Examination in the Third Division will not be admitted. Students who have failed to pass in any year after two attempts will not be allowed to continue.

There are two hostels attached to the College, one for Hindus and the other for Moslems. Both hostels are pucca buildings and very close to the College. There are electric lights in both the hostels.

A considerable number of free-studentships and Mohsin stipends are available for deserving students which are generally awarded in September every year.

G. B. W. FISHER, MAJOR, I.M.S.,
Supdt., Jackson Medical School, Jalpaiguri.

Office of the Inspector of Schools, Rajshahi Division.

NOTIFICATION.

Jalpaiguri, the 22nd May 1939.

Rules and guidance for the admission of Private Candidates to the Calcutta University Supplementary Matriculation Examination of 1939 to be held in November 1939, vide Calcutta University's revised notification No. S-328-Mat. (Sup.), dated 23rd January 1939.

1. (*a*) Candidates who may not be successful at the Matriculation Examination held in March 1939, and those who, although otherwise eligible for appearing at the examination, were not able to sit for it owing to their failure to appear at, or to pass, the Preliminary Test Examination, or other causes, are eligible as private candidates for admission to the Test Examination to be held under the orders of this office.

(*b*) Girl candidates satisfying the above conditions will not be required to appear at any Preliminary Test Examination.

(*c*) Teachers of high schools recognised by the Calcutta University or detenus who intend to appear at the Supplementary Matriculation Examination are also exempted from appearing at any Preliminary Test Examination. They should apply to the Registrar, Calcutta University, for the purpose in order to have previous permission to appear at the Supplementary Matriculation Examination.

2. A Test Examination of private students will be held at the Government high, zilla and collegiate schools in the Rajshahi Division and will commence from the 21st August 1939. Such candidates only as reside in any of the districts of Rajshahi Division and in Cooch Behar will be admitted to the examination.

3. Those who do not belong to this Division should furnish a certificate from a gazetted officer or an affidavit to the effect that they are residing in this Division at least for one year prior to the date of the Matriculation Examination.

4. Each private candidate will have to pay a fee of Rs. 5 which is to be remitted to the Inspector of Schools, Rajshahi Division, at Jalpaiguri and not to the undersigned by name, so as to reach him on or before the 17th July 1939, which is also the last date for receiving applications of the candidates by this office. The fees once deposited will not be refunded under any circumstances.

5. Each application for permission to appear at the Test Examination must be accompanied by an application in the printed form and the documents noted below:—

(*a*) The name of the school in which the candidate last studied.

(*b*) The Transfer Certificate (in original) granted to the candidate by the Head Master of the school in which he last read; or

(*c*) The admission cards granted by the Inspector of Schools (in case of candidates who failed to pass the Test Examination held previously by such officer); or

(*d*) In the case of a candidate who previously appeared at the Matriculation Examination, the Controller's receipt (in original).

(*e*) In the case of a candidate who has not attended any school (*i*) a certificate from his guardian to that effect, (*ii*) certificate of good conduct from a respectable gentleman, and (*iii*) an affidavit sworn before a competent court by his guardian to the effect that the candidate never read in any school and that his age on the 1st November 1939 will be ....years and.........months.

(*f*) A certificate from a Government servant in Certificate I in the application form to the effect that the candidate has prosecuted a regular course of study and has been subject to proper discipline, and that he has not read in any school since the last Matriculation Examination.

(*g*) In the case of teachers of schools other than recognised high schools a certificate of good conduct and length of service from the Secretary of the school where the candidates are serving or from the District Inspector of Schools concerned.

(*h*) Private candidates having Hygiene as their optional subjects are required to produce a certificate from a registered medical practitioner or from a recognised teacher in Hygiene to the effect that they have undergone a full course of training in the subject under him.

(*i*) Candidates coming from outside the territorial jurisdiction of the Calcutta University should furnish the Registrar's letter in original communicating sanction to migration.

6. A statement in the appended form should be filled in and signed by the candidate.

No action will be taken on an application reaching this office in an incomplete form.

7. The Inspector of Schools on being satisfied will issue a passport for admission to the Test Examination.

8. The Head Masters of the institutions named in paragraph 2 should direct candidates who appear at their schools to fill up the application form for permission to appear at the Matriculation Examination in their presence. These applications will be forwarded to the office of the Inspector of Schools. The Inspector of Schools will then countersign the applications of those candidates who pass the Test Examination and forward them to the Head Masters concerned for transmission to the Registrar with the fees for the examination.

9. In no circumstances should the fee for the Matriculation Examination be sent to the Inspector's office. It should be sent to the Head Masters of the schools concerned where the candidates sat for the Test Examination for submission to the Controller together with the countersigned applications.

10. The Supplementary Matriculation Examination will be held in November 1939, and the applications and fees must reach the office of the Controller on or before the date fixed by the University.

11. Private candidates should apply personally to the Head Masters of the Government high schools in which they appear for their University admit cards.

12. The results of the Test Examination will be communicated to successful candidates through the Head Masters of schools from which they appear.

13. The dates and time-table of the Supplementary Matriculation Examination will be notified by the Calcutta University in due course.

Bengal Survey School (Mainamati Hills).

[P. O. Survey School, district Tippera.]

Admission Rules.

The Bengal Survey School is a Government institution under the administrative control of the Director of Industries, Bengal. It is situated on the Mainamati Hills, in the district of Tippera, four miles west of the Comilla railway station, on the Assam Bengal Railway. The Dacca-Chittagong Trunk Road runs close to the site of the school. It is healthily situated and occupies a picturesque site.

2. The Principal is charged with the general control of the school and the maintenance of discipline.

3. The school, which is ranked as a major institution, is affiliated to the Survey Education Advisory Board, Bengal, for the Survey Final and the Amin Examinations.

4. In addition to the ordinary course, the school trains special students who do not intend to earn their living as Surveyors but wish to receive training in surveying ; candidates for appointment as District Kanungos or any Government official rank as special students.

5. The total number of admission to the first year course is limited to 50, of whom not more than 10 may be special students ; for the second year course not more than 30 shall be admitted in any one year, and not more than 5 of these may be special students.

6. The full course of instruction extends over two years. The session for the first year course, which corresponds to the Amin standard, begins from the 1st August and terminates on the 31st July of the following year. The session for the second year or the Survey Final course, begins from the re-opening day of the school after the Durga Puja holidays or from such date as may be notified by the Principal, not later than 1st November. The second year course also runs for twelve months. No student shall be admitted, or, in case of reinstatement after removal of his name from the school books, be re-admitted after the expiry of one month from the opening of the session, or from the date of removal of his name, as the case may be.

7. Applications for admission to the first year course must be submitted to the Principal on or before the 30th June. Applications for admission to the second year course must be submitted on or before the 30th September or such other date as may be notified by the Principal. Each application either for admission to first year or to second year, must be accompanied by a registration fee of Rs. 3, which shall in no case be returned. Printed forms for application may be obtained from the office of the Principal.

8. The qualifications for admission to the first year course are :—

(*a*) A sound knowledge of elementary arithmetic.

(*b*) Ability to write simple English and some vernacular.

(*c*) A certificate of character from his last school master.

Note :—Preference is given to those who have passed the Matriculation Examination or received higher education.

All selected candidates are required to undergo, before admission, a medical examination by the medical officer attached to the school.

9. The qualifications for admission to the second year class are :—

(*a*) An Amin certificate granted by the Survey Education Advisory Board.

(*b*) The Matriculation-pass of the Calcutta University or its equivalent.

(*c*) A medical certificate in the same form as for those seeking admission to first year to be granted by the school medical officer.

10. On passing the Amin Examination candidates are awarded the Amin certificate of the Survey Education Advisory Board, Bengal. On passing the Final Examination of second year course the candidates are awarded the Survey Final certificate. Holders of Survey Final certificates are eligible for appointment as District Kanungos.

The fee for Amin Examination is Rs. 15 and for the Survey Final Examination Rs. 25.

11. Ordinarily candidates will not be admitted to the first year class unless they are under 21 years of age on the 1st January of the year in which the course begins. The limit of age for the candidates seeking admission to second year is below 22. The Director of Industries, Bengal, may make exceptions to this rule.

The restriction of age does not apply in the case of special students. But they should have the minimum educational qualification of regular students.

12. The school has no vacation like other educational institutions, but it remains closed on executive holidays granted by Government.

13. The school was established on a residential basis and the students are required to reside in the hostels attached to the school. The students may live with their parents or approved guardians with the special permission of the Principal ; but such permission may be withdrawn at any time.

14. Messes are provided for the Hindu students. Muhammadan students make their own messing arrangement. The Hindu mess shall be entirely self-supporting ; the monthly charges are fixed by the Principal from time to time. At present the charge is Rs. 9 per month. The full messing fees are charged every month.

15. The following admission fees are charged :—

	Rs
Admission to school	2
Admission to hostel (Hindu students only) ..	2
Admission to Athletic Club	1

A caution money deposit of Rs. 5 must be made, which will be returned after the close of the session, subject to deduction on account of fines, non-payment of fees, loss of or damage to, school or mess properties.

16. The following monthly fees payable for twelve months are charged :—

Tuition fees—

	Rs.	a.
First year students	3	0
Second year students	4	0
Special students	5	0
Seat rent	1	0
Athletic fees	0	8
Reading room	0	2
Furniture rent	0	4
Sweeper's pay (about)	0	2

17. All payments must be made in the Principal's office. The messing fee is payable in two instalments, the first instalment being due on the last open day of the month previous to that for which it is charged. The second instalment of messing is payable on the 15th of every month. The tuition and other fees are payable on the 7th day of the month. A fine of Re. 1 for every three days' delay after the due date is charged for messing fee. The delay fine for the tuition fee, etc., is one anna per day. If the payment is not made during the month, the defaulting student's name shall be struck off the school books. Such students shall not be re-admitted until he has paid in all arrears together with any fine which may be due from him and a re-admission fee of Rs. 5.

18. Three scholarships to the value of Rs. 8 each per month tenable for twelve months are awarded every year to the first year students on the result of a special examination held shortly after admission.

19. Three scholarships to the value of Rs. 10 each per month tenable for twelve months are awarded every year to the second year students on the result of the Amin Examination.

20. Boarding stipends payable for twelve months at the following scale are granted to the residential Muhammadan students :—

Number of resident Muhammadan students.	Value of monthly stipend paid to each student.
	Rs.
1	6
2	5
3-4	4

Extracts from Standing Rules for students.

1. Students are expected to attend 100 per cent. of the works, and those who have not put up at least 75 per cent. of possible attendances in class and 80 per cent. in field work are not allowed to appear at any examination of the Survey Education Advisory Board.

2. Ordinarily students are not granted leave out of the school for more than ten days during a session. Such leave is granted only on a requisition from the *bona fide* guardian of the student concerned.

3. Students are excused from attending the class or the field on medical grounds on the recommendation of the school medical officer. But frequent absence on medical grounds may render a student unfit for the course.

4. Students must provide themselves with drawing instruments, books and all other necessaries within a week of the opening of each session.

5. Breaches of discipline are dealt with according to the rules in force in the Education Department.

6. During work out of doors students should wear shorts and shirts. Wearing sola topee is also recommended.

NOTIFICATION.

Barisal, the 18th May 1939.

1. Candidates who may not be successful at the Matriculation Examination held in March 1939 and those who, although otherwise eligible for appearing at that examination, may not have been able to sit for it owing to their failure to appear at, or to pass, the Preliminary Test Examination or other causes, are eligible for taking the Supplementary Matriculation Examination to be held in November 1939 as private candidates.

2. Private candidates of Bakarganj Range who desire to sit for the Supplementary University Matriculation Examination must

appear at the Test Examination of any one of the undermentioned schools to be held on the 21st August 1939 and the following days:—

(1) Faridpur Zilla School.

(2) Barisal Zilla School.

(3) Jhalakati Government High School.

(4) Perojpur Government High School.

(5) Bhola Government High School.

3. Every candidate must submit his application for admission to the Test Examination in the prescribed form to be obtained free from this office on or before 15th July 1939 to the undersigned. He must produce a certificate from a responsible Government officer to the effect (1) that he has not attended any school, recognised or unrecognised for at least one year previous to the examination, (2) that his conduct and character have been good, (3) that he has diligently and regularly prosecuted his studies, and (4) that he has been subject to proper discipline.

4. No candidate who has previously attended a school but has not completed the period ordinarily required to make himself eligible for appearing at the Matriculation Examination will be admitted to the Test Examination.

5. A student, who failed to pass the annual examination for promotion to class X at the end of the Session 1937 and then left the school, will not be allowed to appear at the examination.

6. Every private candidate must also forward with his application his transfer certificate from the school (if any) in which he last read, or the admit card of the University (if he appeared at any previous Matriculation Examination) or the admit card issued by this office for admission to the Test Examination held by this office.

7. A candidate who has never read in any school should produce an affidavit sworn by his parent or guardian before a competent Magistrate declaring his age and also the fact that he had never been to any school. He should also furnish a certificate from a Government officer with personal knowledge of the fact of the case that he had never been to any school.

8. Private candidates offering Hygiene as one of their subjects will be required to satisfy the Inspector of Schools that they have undergone a course of training in the subject. For this purpose they should submit along with their applications certificates of training in it from a registered medical practitioner or from a recognised teacher in Hygiene.

9. Private candidates from outside the territorial jurisdiction of the Calcutta University including teachers of schools must obtain the sanction of the University to their migration before they are allowed to appear at the Test Examination for private candidates.

10. (*a*) Teachers of schools recognised by the Calcutta University who intend to appear at the Matriculation Examination as private candidates, are not required to pass the Test Examination. They should apply to the University for permission to appear at the Final Examination in proper time.

(*b*) Girl candidates satisfying the above conditions will not be required to appear at any Preliminary Test Examination.

11. Every private candidate must pay a fee of Rs. 5 which should be remitted to the Inspector of Schools, Bakarganj Division, Barisal, along with the application for admission to the Test Examination, on or before the prescribed date (15th July 1939). **No application will be entertained after that date.**

Where there are treasuries or sub-treasuries near the residence of candidates the fee should be deposited there and chalans in duplicate showing the deposit submitted to the Inspector of Schools along with the application. **In no circumstances will this fee be refunded.**

Incomplete applications will be rejected without reference to the candidate.

If the candidate be considered eligible for admission to the Test Examination a letter of permission will be issued. This should be shown to the Head Master on the first day of examination.

12. On the first date of examination, he must be accompanied, for the purpose of identification, by some person known to the officer conducting the examination, otherwise he will not be admitted to the Test Examination.

13. The Head Masters of the schools named above should send to this office, for orders, a statement, showing the marks gained by each private candidate in each subject at the Test Examination, within twelve days from the date of the said examination. The application forms of candidates who are declared eligible should be forwarded to this office for countersignature, duly filled in and signed.

14. Private candidates allowed to go up for the Matriculation Examination should submit their fees to the Head Master of the Government High School where they appear at the Test Examination at the time of filling up their application forms. They should also produce before the Head Master the documents referred to in rule 6 in proof of their age. The Head Master will send the fees to the Controller of Examinations along with the applications countersigned by the Inspector of Schools so as to reach him on or before the date fixed by the University.

15. Private candidates should apply to the Head Masters of the Government high schools concerned for their admit cards and Matriculation pass certificates **and not to the Inspector of Schools.**

16. The dates and the programme of the Supplementary Matriculation Examination will be notified by the Calcutta University.
